

**District Cheese  
Patrons Organize**

A meeting of cheese factory patrons in this district was held in the Agricultural Hall on Monday evening for the purpose of organizing a district association. Twenty-five patrons were present. Mr. Fred Mallory, Secretary pro tem of the Central Ontario Cheese Factory Patrons Association, presided. This meeting was one of a series held at Kingston, Brighton, Madoc and Napanee. Mr. J. Wilson was appointed chairman and after a few opening remarks called on Mr. Mallory to outline the object of the meeting.

In his address Mr. Mallory outlined the objects and constitution of the organization and gave information on the progress of the Central Ontario Cheese Factory Patrons Association to date. Previous meetings had been held at Belleville and supporters there advised that meetings be called at centres to more thoroughly discuss the details of the organization. A copy of the proposed constitution and by-laws had been forwarded to each factory president and they were advised to discuss the association with their districts. It was proposed that any factory entering the association would enter as a unit and one cent per standard of milk received by the factory for the season be deducted from the June cheque to pay expenses incurred in conducting the business of the association. Any factory by majority vote would then become members of the patrons association and would be asked to assist in working out policies for the best interests of the factory patrons.

Mr. Mallory further pointed out the need of organized effort on the part of the cheese patrons by showing that Ontario apple growers had in the past few years by organization established cold storage for a large part of the apple crop. Furthermore growers were given cash advances on the crop by the banks. The same advantages of this kind could be given to the cheese producers until they had organized production and were in a position to have adequate representation for their interests on all occasions as cheese makers are organized and cheese buyers are organized and cheese buyers are organized. Now is the time for patrons to co-operate and organize for better markets and marketing.

Mr. J. L. Irwin, of Belleville, in his address referred the audience to the dairy conference held at the Agricultural Hall in April, convened at the request of the Hon. Robt. Weir by the National Dairy Council. This conference was composed of representatives of the butter and cheese industry from Vancouver to Halifax. The decisions reached were as follows:

1. The low prices for butter and cheese and milk which have prevailed for months and which are likely to continue for a good while to come, have created a critical condition throughout Canada in the dairy industry. The situation is so serious that its importance can scarcely be overestimated.

2. The situation has been brought about by two causes.  
(a) Failure to increase the efficiency of our methods of milk production and of manufacturing cheese and butter to the same extent as have our competitors. The cure for this situation to a large extent lies with us and is in our own hands.

(b) World wide competition and prevailing economic conditions. Remedies in this field are more difficult to find and to apply. The surplus milk, butter and cheese, which has been depressing prices is due in a large measure to the presence in our farm herds of tens of thousands of "boarder cows" which are being maintained by their owners at an actual loss to themselves and with great detriment to the industry.

3. Competing countries such as New Zealand and Denmark are able to undersell our Canadian product in the world markets because their farmers have increased the productivity of their cows to a point where they greatly exceed those of our Canadian cows. This is shown by the following comparative figures:

Av. Prod'n	all cows lbs.	B. F. lbs.
Canada	4,000	150
New Zealand	5,250	218
Denmark	7,200	271

4. The cheese industry is marked by inefficiency in manufacturing methods. This is shown by the following table:

Country	No. Plants	Av. Prod'n
Canada	1,024	84,153 lbs.
New Zealand	204	394,028 lbs.

The average make of cheese per factory in New Zealand was over six times as great as that of the average Canadian cheese factory in 1930. It was further pointed out that production of cheese, although improved in quality had steadily decreased in the past ten years. Mr. Irwin referred to the fact that production per acre competition and need a letter from competitors showing that they had become production per acre conscious and were steadily improving from 6 to 8 lbs. per acre yearly. All producers were solicited to get behind this competition. Under this year's regulations cash prizes are paid to groups of farmers operating 50 to 75 acres; 75 to 125 acres; 125 acres and over. Four cash prizes will be awarded in each class.

In his closing remarks Mr. Irwin referred to the cheesemakers' association. (Continued on Page Eight)

**FLOWER THIEVES**

Stirling has flower thieves. On Monday morning a local resident at the News-Argus had his tulip bed had been "stripped" of its pretty bloom by thieves. This is a despicable trick and it is to be hoped the guilty parties will be apprehended and punished.

**HOW ARE YOUR BRAKES?**

Motorists are warned to have the brakes of their cars tested and in good working order. Traffic officers have been instructed by the Department of highways to make a check up on defective brakes. Cars are now being stopped on highways for this purpose.

**RESIGNS PRINCIPALSHIP**

Citizens in Stirling and district will be sorry to learn that Mr. E. J. Spinks has resigned as principal of Stirling High School. Mr. Spinks has been headmaster at the local seat of learning for the past two years and both he and Mrs. Spinks have made many friends during their sojourn here. His successor has not yet been appointed.

**WINS VOCAL HONORS**

Mrs. N. R. Martin, of Springfield, Ont., a daughter of Mrs. Bissonnette, was successful in winning first honours in Mezzo-Soprano Class, at the Elgin music festival, held in St. Thomas recently. Along with Mrs. C. J. Leppah, of Aylmer, Mrs. Martin also came first in the duet, women's voices, rural. The News-Argus joins with her many friends in this district in extending congratulations to this native Stirling girl, in her splendid showing as a vocalist.

**COMPLETE HIGHWAY TO  
OTTAWA IN JULY**

The new highway connecting Peterborough with Ottawa, which cuts 10 miles from the present route from Toronto to Ottawa will be completed in July according to a Canadian Press dispatch from Ottawa, in an interview with R. M. Smith, Deputy Minister of Highways for Ontario. The highway started in the fall and runs through Perth, Actonville, Marlborough and Peterborough, with the last link which will make this route possible from Perth to Actonville, a distance of 65 miles, now being gravelled.

**TAX RATE 48 MILLS**

At a special meeting of the Village Council, Thursday night, the tax rate for 1932 was struck at 48 mills, the same as last year. The Council was quite anxious to lower the rate, but after all estimates were taken into consideration it was found necessary to leave the rate the same as last year. Although the schools estimate is \$1,000 lower than last year, the street lighting has increased a mill, transient expenses are up, and fire equipment cost has increased. The rate is divided as follows:

All Debentures	11 Mills
Schools	11 Mills
County Rate	15 Mills
Library	1 Mill
General Rate	7 Mills
Street Lighting	3 Mills
	48 Mills

**SHERIFF STOKES HONORED**

Residents of Hungerford Township from every station, members of the County Council, with whom he was associated for many years and representatives from every walk of life in the community were present on Monday evening when they gathered at the home of Sheriff George H. Stokes near Tweed, to bid goodbye to the Stokes family, who are shortly to take up their residence in Belleville. The appreciation of the kindness of this well beloved family presentations were made to each member of the family, W. E. Tummon, M.P., reading an illuminated address and Richard Graham making the presentation. Sheriff Stokes was given a comfortable chesterfield chair, Mrs. G. H. Stokes a beautiful electric floor lamp, and Miss Marion a pen and pencil set. Addresses were then given by those representing different sections of the community and later the ladies present, who provided all the good things, served a delightful buffet lunch. The gathering was in the nature of a surprise and it is needless to say the Stokes family were more than pleased with the kind thoughts expressed. It was the intention to hold the affair on the precious lawn, but the cool weather militated against this procedure.

**GAS CONSUMPTION HIGH**

Toronto—Gasoline consumption in Ontario increased by six million gallons, or six per cent, during the six months ended April 30, 1932, over the corresponding period in 1931. Hon. Leopold announced on Monday, for the six months ended April 30, 1932 the figure was 104 million gallons while in the preceding year it was 98 millions, despite an 8 per cent decrease in registrations of motor vehicles this year.

**LINKS STONED**

The connecting links of Provincial Highway No. 14, passing through Stirling, have been graded and given a heavy coating of crushed stone. Last week Front Street east was completed, while the work on North Street beyond the C.N.R. crossing, was completed yesterday. This greatly improves the main entrances to Stirling which will aid to impress tourists of the village's beauty and tidiness. Previously these two stretches were worse than the proverbial "Rocky road to Dublin".

**OPEN AND CLOSED**

Up to the time of going to press it had not been definitely decided by most of the local merchants whether to-morrow, June 3rd, would be observed as a holiday or not. There is no retail merchants association in Stirling to meet and decide such questions. A number of the merchants were undecided as to what to do. Present indications are that some stores will be closed all day and that others may remain open until noon. The News-Argus will observe the King's birthday and the office will be closed all day tomorrow.

**SPRINGBROOK WINS**

In a scheduled game in the Rawdon Softball League between Springbrook and Glen Ross, in the former village on Tuesday night, Springbrook won by the score of 14 to 11. The referees were Tom Ward at home plate and Russell White on the bases. The following is the schedule of remaining games:  
June 2—Minto at Ivanhoe.  
June 2—Evergreen at West H.  
June 7—West Hunt. at Ivanhoe.

**P. O. HOURS TOMORROW**

To-morrow, June 3rd, being a public holiday, the general post office at the local Post Office will be open from 8 a.m. to 9.30 only. There will be a rural mail delivery.

**TENNIS CLUB BUSY**

The grounds for the new tennis courts are soon to be in shape for playing. This will be good news to the followers of the game in Stirling. Two courts are being erected at the rear of the High School and the back nets are being built. Equipment for playing has been ordered and the Club seems to be away to a good start.

**SOMETHING DIFFERENT**

Often reports come into this office about sneak thieves stealing tires, gasoline, tulips and almost every imaginable thing but this week by way of diversion, one of these miscreant prowlers-in-the-dark has apparently directed a particular fancy to electric light bulbs and has been visiting front porches to procure the same. To say the least, people's tastes vary, and it is to be hoped that the culprit, of whom several have their suspicions may soon be caught in the act and properly housed within four stone walls. One individual has been seen prowling around late at night, and makes a certain shed his part-time sleeping quarters. In all probability his slumbers will be rudely interrupted if the practice is continued.

**RURAL MUSIC FESTIVAL  
A BIG SUCCESS**

The writer was sorry that he was unable to attend the Rural School Music Festival held in Springbrook Orange Hall last Friday night, under the direction of Mrs. Blanche Alexander, A.T.C.M., teacher of music in the Rural schools of Rawdon, Huntingdon and Madoc Townships. However it is impossible to be at two meetings at once, hence our disappointment. There was a good attendance present and from all reports the event was an outstanding success. The pupils of ten schools in Rawdon and Huntingdon took part and the high calibre of the program emphatically demonstrated the value of teaching music in public schools. May it continue and its importance be realized by the parents of the pupils to such an extent that the teaching of music in the rural schools may not cease. It would be well worth while for the Council of the Village to rent the theatre free of charge for such a festival, which after the citizens realized its worth would help to encourage the idea of having music taught in Stirling Public School.

**DEBENTURES READY**

## CURRENT COMMENT

Monday was Decoration Day in the United States. As in past years, many fatalities marked the event.

Stirling's tax rate for this year is 48 mills, the same as 1931. The first instalment of taxes falls due on July 1st.

The suggestion to abolish the Easter school vacation and shorten the summer holidays will not find favor with the scholars—or the teachers.

With the summer vacation near at hand, many a man is thinking of the cheapest way to spend his holidays. Our suggestion is—secure a tent and get out in the back yard.

Say folks, do you worry over your troubles? If you do, we would remind you that both you and your troubles will be forgotten in a hundred years, so why waste time worrying.

Premier Henry and no doubt members of his party are elated over the result of the West York election on Saturday, when the Tory candidate was elected in a four-cornered fight.

Peterboro Examiner—Canadian railways are not the only systems to feel the competition of motor trucks and busses. Two of the biggest British lines are planning to pool their receipts.

Oshawa Times—People are very anxious to have their names left out of the police court news. If they showed equal anxiety to be mentioned in the accident news, there might be fewer accidents.

If the Imperial Economic Conference to be held in Ottawa this year ends in failure, those responsible for the failure will not be able to say that it was because of lack of advice as to what they should do.

When a modern schoolboy was asked for the meaning of the phrase "the quick and the dead", he replied that the quick were those who got out of the way of the motor cars and the dead were those who did not.

June, the month of brides and school examinations, is here. No doubt school children are wondering why it is that the hardest examinations of the year have to be written when the call of the outdoors is so "loud".

According to reports Hon. Robt. Weir's farm marketing commission will be in operation shortly. If its object is to stimulate farm prices and aid farmers generally it cannot commence such important work too soon.

Why not hold a local regatta at Oak Lake this year? We understand the Stirling Regatta Club has a substantial balance in the bank from the last regatta. No doubt such an event would be popular with local swimmers. The event, if held, should be open only to swimmers within a radius of about nine miles of Stirling.

### ALL HOLIDAYS SHOULD FALL ON MONDAY

(Financial Post)

Business houses have just gone through the experience of another mid-week holiday. Next week they will have to meet a similar problem. When a holiday falls on any day between Tuesday and Friday it is very costly to business. It upsets production schedules, interferes seriously with sales, disturbs office routine and does not provide the recompense of adequate rest and change for workers. A game of golf or a picnic is the only type of recreation possible on a single day; out-of-town trips to the old farm or a nearby resort are not possible as they are when a holiday falls on Monday. Mid-week holidays are a national waste.

Every holiday should come on the nearest Monday. A Monday holiday has the great advantage of making, when Saturday afternoon and Sunday are added in, a substantial period for change and rest. And a Monday holiday, coming in a long weekend unit does not split a week wide open and upset business.

There are only two holidays in the year that need be regarded by anyone as sacrosanct. These are Good Friday and Christmas.

But if we wish to celebrate Empire Day and the Queen's birthday at the same time let us do so, say on the

The music (?) of the lawn mower is now heard throughout the land. Such "music" may be welcomed by all but those who are pushing the grass-cutter.

Hanover Post—Recently the Hudson-Exeter Company selected Tilbury, a town of less than 2000 people for its new Canadian factory. There is every indication that the small town of Ontario may share in the increased industrialization which seems destined to come to Canada in the next decade or so—but they will have to go after it.

The rain which fell in this district last week was welcomed by the farmers. Now the only thing to make the farmer happy is a higher price for his produce, etc. He is sure is getting the "butt end" of these times of depression. The great question is "Why should he?" Before Old Man Depression is chased this country must forcibly realize that Canada depends upon the produce of the first six inches of its soil. What has been done to aid the farmer? Nothing! Why?

The Doukhobors have been causing a great worry to Western police, by staging nude parades, in objection to Canadian laws effecting their status. We have wondered why these outlaws have not been shipped out of the country in place of being put in jail. However, we have learned recently that Doukhobors cannot be deported. That being the case it looks as if the government will have to erect more penitentiaries, unless this queer sect can be made realize that Canada is not the Garden of Eden in the matter of wearing apparel.

The News-Argus Subscription Campaign is away to a successful start. Great interest and enthusiasm has been created. However, we trust no misunderstanding will arise with present subscribers in that the purpose of the campaign is to collect renewals. Such is not the case. The paramount object of the campaign is to secure new subscribers throughout the districts in which news budgets are received and published weekly. We trust the subscribers will fully understand the purpose of the contest and if any misunderstanding should arise, by contestants calling on them, that they will immediately take it up with the publisher. We do not want any ill-feeling created whatever, as it is a Good-Will campaign.

A few days ago the daily newspapers carried a despatch from Prescott telling of the running down of a school child on a public road by an automobile. The child was fatally injured. The child, along with others, was returning home from school at the time. Had there been a bypath the accident would in all probability not have occurred. It must be admitted that accidents of the kind are not numerous in Ontario, perhaps because of the alertness of the children. With sight and hearing good, and with parents urging upon them the need of caution they brave many dangers without getting hurt, but there is always the risk of being run down. Pathways, says the Kenfrew Mercury—and we agree—along the fences are urgently needed, not only for school children, but for old people.

### Fatality Season Is Here

The weekly list of holiday and Sunday fatalities has started. No sooner has summer made its appearance, than we find a long list of fatal accidents, about evenly divided between drownings and automobile accidents. This wastefulness of human life in the summer season is so unnecessary that one wonders if the lessons of the past few years have been forgotten or ignored. In nearly every case, the victims of accidents would be alive today had even the most elementary principles of safety and caution been observed. People would not be drowned if they observed ordinary care when venturing on the water. Carelessness in the boats, and venturesomeness on the part of those who are not skilled swimmers are the main causes of drowning accidents. All of these could be avoided if people used just ordinary common sense when in or on the water. The same principles apply to automobile accidents. If motorists kept in mind the thought of that week-end list of accidents, and of the part which they are called upon to play in the interests of safety, there would be few fatalities. It is not enough that some of the car drivers should be cautious and drive with safety. There must be a recognition of these factors by all motorists. The most telling thought that one can present is that, before starting on a trip, whether short or long the car driver should make up his mind to drive in such a manner as to make sure that he comes back alive and well. If he does not, then either his name or those of his passengers are liable to appear in the next list of fatal accidents. No one would wish to deliberately court that fate. Why, then, should not all motorists be determined to avoid it by every human means possible. The summer holiday accident lists have started. How serious are they going to be for the rest of the summer? The answer to that question depends entirely on the actions of those who, in their holiday ramblings, place themselves in positions where they are liable to become involved in accidents.

**RESTFUL SLEEP for FRETFUL, FEVERISH CHILD**  
—With Castoria's regulation

When your child tosses and cries out in his sleep, it means he is not comfortable. Very often the trouble is that poisonous waste matter is not being carried off as it should be. Bowels need help—mild, gentle help—but effective. Just the kind Castoria gives. Castoria is a pure vegetable preparation made specially for children's ailments. It contains no harsh, harmful drugs, no narcotics. Don't let your child's rest—and your own—be interrupted. A prompt dose of Castoria will urge stubborn little bowels to act. Then relaxed comfort and restful sleep! Genuine Castoria always has the name:

### Twenty Years Ago

(Issue May 30th, 1912)

Local and Personal

Mr. Joseph Daniels left on Tuesday for Lakefield.

Miss Mabel Simmons, Marmora, is the guest of Mrs. G. H. Luery.

Mr. D. A. Montgomery, Belleville, spent the week-end with his parents here.

Miss Mae Herby, Belleville, was the guest of Miss N. Reynolds last week.

Mr. and Mrs. J. Holford, Toronto, were guests of Mr. and Mrs. D. Uman last week.

Miss Gladys Phelps, nurse-in-training at Clifton Springs, was the guest of Miss Florence Briggs on Tuesday.

Mrs. T. H. Matthews is the delegate appointed by the Stirling Auxiliary of the Presbyterian church to attend the annual meeting of the W. F. M. Society held in Vancouver, June 15th to 22nd, and will leave for there and Edmonton on Saturday, June 1st.

Mr. Matthews accompanied her.

The reunion on May 24th was a decided success.

Among the many old boys and girls present at the reunion were: Mr. Alf Judd, Ft. Stewart; Messrs. G. A. McGee, Geo. J. Sherry, A. E. Ward, Retorboro; Dr. J. A. Faulkner, Foxboro; Mr. T. **True, Too True**  
A night in June, a silver moon;  
A kiss, a glance that wins;  
A question shy, an answer spry,  
And then the fight begins.

A florist in a nearby town put an advertisement in his local paper to the effect that "Every girl graduate wants a corsage commencement night." The idiotic printer put it "corset".

**Norwegian**—This liniment makes my wrist smart.  
**German**—Well, why don't you rub some on your head?

June is the most profitable month for ministers. The lawyers, have the other eleven.

**Friend**—What is your son taking up at college this year?  
**Dear Old Dad**—Space. Nothing but space.

With university degrees, nursing degrees and high temperature fevers, this month can be designated as a very classy month.

The entrance of June brings forth this one about the brides....  
**Mrs. Justwed**—I want some lamb, please.  
**The Butcher**—What part, ma'am?

**Mrs. Justwed**—The part you eat mint sauce with.

The first shock to the graduate will be the discovery that all the jobs are handed out by old fogies.

**Local Teacher**—Now suppose, a man working on the river bank suddenly fell in. He could not swim and would be in danger of drowning. Picture the scene. The man's sudden fall, the cry for help. His wife knows his peril, and hearing his screams, rushes immediately to the bank. Why does she rush to the bank?

**Boy in back seat**—To draw his insurance money.

Picnic and barbeque time is at hand, also poison ivy, yellow-jacket, stinging wasp, biting ant and bald hornet

time.  
**LEAVINGS**—Even the best of wags are intended to convey a false impression. \* \* \* The upper berth isn't useless. It makes the inexperienced traveller buy a whole section to keep a stranger out of it. \* \* \* Too bad a girl who has perfect taste in picking out clothes, doesn't make better use of it in selecting a husband.

"The boys are not much worse than the girls these days" says one who knows. "It's just about kneecap and kneecap."

**Clarissa**—You hug and kiss just like Clark Gable.  
**Homer**—How's that?  
**Clarissa**—Well, you use your arms and hips.

Little Nephew was visiting in Saskatchewan for the first time. Upon returning to his home in Ontario, he ran to his mother exclaiming: Mother, I want some overalls like the farmers wear.

**Mrs. Mother**—Why, son, you have overalls.  
**Little Nephew**—Yes, but these don't have patches all over them.

Love is wonderful. . . . If it were not for love some young men would never wash their ears.

Sometimes our neighbor's hens lay eggs upon our lot.  
At 50 cents they were welcome.  
At seven cents they're not.

Another thing we have learned as we travel along life's highway, is that man is the only animal on earth who can be skinned more than once.

But it's tough on the stenographer: The nice thing about dictating letters, confides a well-known Belleville business man, is that you can use a lot of words you don't know how to spell.

Why is it that pipe smokers are always good-tempered and courteous?

A statistician's idea of a holiday, is to go to the beach and study a new set of figures.

Can you imagine a woman more discouraged than the one who advertises that she's got \$50,000 and wants

to correspond with some gink matrimonially inclined?

**Boastful Young Man**—Yes, my family can trace its ancestry back to William the Conqueror.

**Truthful Friend** (sneering)—I suppose you'll be telling us that your ancestors were in the Ark with Noah.

**Boastful Young Man**—Certainly not; My people had a boat of their own.

**Mistress**—When I engaged you, Jane, you told me you had no men friends, now, nearly every evening when I come into the kitchen I find a man here.

**Jane**—Beless you, ma'am, he ain't no friend o' mine.

**Mistress**—Good gracious! Who is he then?

**Jane**—He's my husband.

A speculator is the most fortunate man in the world, as long as he's right. But once he gets wrong, he's pretty sure to stay wrong—and that means bankruptcy.

**Business Man**—You ought to feel honored, highly honored, young man. Do you know that today I refused to see seven insurance men?

**Young Man**—I know. I'm them.

**CLIPPINGS**: Some men seem to make a specialty of posing as horrible examples. \* \* \* After a man gets through figuring up what's coming to him, the world says: "Try and get it." \* \* \* Life would be just a beautiful song for some of us if it weren't for the monthly bills. \* \* \* The toughest part of unemployment is that the family never loses its appetite.

**Harriet**—Am I the first girl you ever kissed?  
**Zebulon**—No, but I am more particular now than I used to be.

A well-known public man has stated that marriage is a preventative of suicide. This may be true in the greater number of cases, but there's one thing certain and that's the fact that suicide is a preventative of marriage. Take your choice.

**First Snob**—I'll have you know I'm related to the Boones.

**Second Snob**—Now I remember, your grandmother's name was Bab.

## Hints for the Household

### For the Month of May

**A June Wedding**  
The "stylish" time of day for a wedding is late afternoon. No time could be more fitting for a June wedding. And your lawn, large or small, offers a good scene for it.  
Follow wedding ceremony with supper. Follow supper with dancing. Use porch for dancing if large enough. String coloured lights on porch and here and there over lawn.

#### The Bride Must Remember

To have:  
"Something old,  
Something new,  
Something borrowed,  
Something blue."  
Is your family planning a camping trip? If so, here is a list of necessary provisions to take along for a family of five for one week. That is if you expect to travel and cook your own meals every day.

**List of Provisions**  
Eggs—2 gallon pail—packed in bran  
Bacon—1 slab.  
Coffee—3 pounds ground.  
Milk—1/2 Case of condensed milk.  
Cereal—3 packages.  
Butter—5 to 7 pounds.  
Salt and pepper.  
Bread—(At least) 10 loaves.  
Crackers—1 tin box.  
Cheese—2 pounds. (Canned cheese is also good.)  
Potatoes—1 bushel.  
Lard—Two pounds.  
Flour—10 pounds (if you plan to bake.)  
Sugar—10 pounds (if you plan to bake). Also 2 boxes loaf sugar.  
Baking Powder—1 can.  
Rice—2 pounds.  
Dried Fruit—5 pounds.  
Chicken—5 cans.  
Tongue—4 cans.  
Sardines—5 cans.  
Salmon—4 cans.  
Peas.  
Beans.

**COOKING HINTS**  
Cantaloupe Salad  
Cantaloupe.  
French Dressing.  
Lettuce.  
Method: Halve and seed cantaloupe. Cut off hard skin and all hard green next to skin. Cut melon meat in cubes. Make your favourite French dressing. Pour dressing over melon cubes. Place in ice box to chill. When ready to serve—fix plates with crisp lettuce "nests". Place melon cubes in "nests" with a little dressing.

**BAKING HINTS**  
Chocolate Whip Cream Roll  
5 egg yolks.  
5 egg whites.  
1/2 cup of sugar.  
2 tablespoons of cocoa.  
Filling.  
Whipped cream.  
Sugar.  
Vanilla.  
Sauce (Marshmallow sauce, chocolate sauce or soft frosting).  
Method: Beat egg yolks and sugar together until smooth and every grain of sugar has disappeared. Stir in cocoa. Beat egg whites stiff. Fold in good sized shallow pan to about an inch thickness—same as for a jelly roll. Bake slowly about 50 minutes. Turn out on paper covered with sifted powder sugar. Cool. Spread with sweetened whipped cream and roll like a jelly roll. When you serve place on platter and pour over preferred sauce.

People who have brains most at ways get real value from their use.

### NEWS OF INTEREST

**Marmora**—Edward Tapp, oldest resident of Lake Township celebrates his 95th birthday on Monday, in the peaceful quietude of North Hastings. Since the decease of his wife five and one-half years ago, this wiry veteran has resided with his brother-in-law, William Dalton, at his farm two miles north of St. Margaret's Church, Glamfere.

**Jackson**—Did you ever hear of the Collegiate Flower?  
**Johnson**—No, what's the name?  
**Jackson**—Bloomer's idiot.

Maybe if they had taken more than six days to make the earth, there wouldn't be so much put up to the street department. \* \* \* After a fellow gets to be great, it must startle him to hear how many of the fellows used to play with him when they were youngsters.

Same old topics—same old news, Same old pictures—same old cues, Same old contentions bring surprise; Same old wets and same old dries. Motors spin and make a dash, For a triumph or a smash. Pictures gay delight the eye; Same old things you'd like to buy. Same old struggles for release, Threats of war and plans for peace. Same old profit—same old slump, Through confusion we may find, In a changeless state of mind, With new themes of grief or mirth, It is still the Same Old Earth.

### THE RIVER VALLEY MISSIONARY STUDY GROUP

The May meeting of the Missionary Society was held at the home of Mrs. J. Donohoe, with a goodly number present. The group was visited this month by Mrs. C. Macklin, President of Stirling W.M.S., Mrs. (Dr.) C. F. Walt, and Miss Helen Vanderwater, Moira. Hymn "I need Thee every hour" opened the meeting and this was followed by prayer, led by the Pres., Mrs. Roy Bush. The minutes were read by the Sec., Miss Dorothy Donohoe, and the business was conducted. Mrs. Frank Carr read the Scripture lesson from Matthew 6, verses 24 to 34. The roll call "Your favorite book in the New Testament" was well responded to. Hymn "Stand Up For Jesus" was sung and Mrs. Walt led in prayer. The most part of the afternoon was given to Mrs. Macklin who gave an interesting report from the Belleville Presbyterian. She explained about the number of branches in the Presbyterian and of the splendid reports from the different Secretaries. A missionary from China, and one from Japan were present at the Presbyterian and gave interesting talks about the East. Mrs. Earl Morrow then rendered a beautiful solo "The Ninety and Nine" with guitar accompaniment, played by Miss Helen Vanderwater. This was followed by a helpful reading "The Missionary's Prayer", which was given by Mrs. Rosa Hish. The chapter from Study Book was ably given by Mrs. W. H. Hanna, who was responsible for the afternoon's program. She told about the changes in Korea today. In some places they have equipment and lux-

uries the same as we have, such as cars, radios, telephones, railroads, etc. It was interesting to hear of the growth in agriculture. Hymn "Jesus is Calling" was sung and accompanied by Miss Vanderwater, after which the Misses Benediction was pronounced.

### RYLSTONE

Empire Day was observed in Rylestone school from 1 o'clock till 3 on Monday afternoon. An excellent program was given by the pupils emphasizing our place in the British Empire. At 3 o'clock the school ball team and teacher motored to Petherick's Corners School where an interesting ball game was played. The score was 13-11 in favor of the Rylestone boys.

Fred McKeown met with a painful accident one day last week when a horse kicked him in the jaw.

Another pioneer of Rylestone passed away in Campbellford on Saturday in the person of Margaret Melkie-

John, wife of the late James Allan, of Allan's Mills. For many years while she lived near here she was a member of Rylestone Church. A few years ago Mr. and Mrs. Allan moved to Campbellford, where she died. Her husband predeceased her about two years ago. She leaves to mourn her loss 3 sons, Will, Pervis and Kenneth, and two daughters, Mrs. Thos. McKeown (Grace) and Mrs. Volney Richardson, (Helen).

Mr. and Mrs. Archie Samms, of Dundonald, were Sunday visitors to Mr. Stanley Finch.

Mr. and Mrs. Clayton Mumby and baby were Sunday visitors of Mr. and Mrs. Robert Mumby.

Tom McKeown visited his sister, Mrs. Bert Solmes on Sunday.

Mr. and Mrs. James Gibson and daughters were Sunday guests of Mr. and Mrs. George Gibson.

Mrs. Fred Husband of Campbellford spent the week-end with her parents, Mr. and Mrs. Herbert Spencer.

Mr. and Mrs. Wm. Finch and family spent Sunday with Mr. and Mrs. Jay Finch.

### BURNBRAE

Mr. Norman Masson, after spending the winter with Mr. and Mrs. White, of Roslin, has returned to Burnbrae. He is staying with his daughter, Mrs. James Nelson.

Mr. Don Craighead, B.Sc., Toronto is spending a week's holidays at his home.

Miss Plumpton, of Campbellford visited her friend, Miss Helen Oddie last week.

Mr. Raymond Dunk and Miss Reta Hutcheon, of Campbellford, were the guests of Mr. and Mrs. George Wallace on Sunday.

Rev. Newton Reid, M.A., of Stirling, accompanied by his mother, visited Rev. D. A. and Mrs. McKenzie at the manse last week.

The Ladies' Aid Society, of St. Andrew's Church, will meet on Thursday, this week at the home of Mr. J. May.

The Young People's Society of St. Andrew's Church, met on Monday night with a large attendance. The following splendid program was presented: reading, Thelma Wallace; instrumental duet, Miss Bertha Wallace, guitar, and Mr. David Main, mouthorgan; reading, Leta Wright; address, Rev. D. A. McKenzie; piano solo, Jean Craighead; Charles Carter gave an interesting talk on his trip to England; reading, Jack Williams; contest.

### FULLER

Jack Frost went hard for spuds beans, etc., in fact any early garden that had exceeded the Spring limit.

Mr. and Mrs. John Geen spent Sunday with Mr. and Mrs. Albert Geen of Thomasburg and attended confirmation service in the Anglican Church.

Mr. and Mrs. Frank Hutchinson, of Anson, entertained Mr. and Mrs. Ben Brough, Mr. and Mrs. Arthur Brough and Mrs. Chas. Burke one day recently.

Miss Helen Collins visited Miss Mabel McEvoy one day recently.

Mrs. Frank Palmer is a candidate in the big News-Argus Good-Will Subscription Campaign, and we would suggest, give her a boost. You can help by subscribing, renewing, or even saving your coupons, which will be in your papers every week. These can be sent direct to the office to her credit or sent to Mrs. Palmer direct. Watch for and save your coupons, they count votes.

Mrs. Wilbur Sherry, nee Miss Edna Geen, was able to return home on Sunday after a few weeks' stay with her parents.

Master Bert Post had the misfortune to be bit by his dog while playing with it one day recently. We hope this may not be serious.

The shingle mill is busy these days operated by Mr. Murney Moreland. Mr. Arthur Cooney, Mr. Thos. Rollins and Mr. Albert Mills.

Mrs. Brough Sr., and Mrs. Wallace made several calls on the sixth concession on Friday.

Quite a number attended Mission Band at Roslin this week.

Quite an excitement reigned in our burg on Saturday evening when Mr. Murney Moreland's house caught fire from some unknown origin. Again we say the phones played the important part and soon a volunteer bucket brigade was busy and with the aid of plenty of water, the new frame house still stands, but badly ruined in the interior. Fortunately the loss is partly covered by insurance.

Mr. and Mrs. Frank Hutchinson, of Anson, Mr. and Mrs. Ambrose Smith of Madoc, Mr. and Mrs. Ben Brough spent Sunday evening at Mr. H. Burke's.

Wedding bells are ringing these fine days.

### CAMPBELLFORD

Mr. A. C. Connor, who has been in the grocery business in town since 1914, has sold out to Mr. W. Graham, of Cannington. Mr. O'Connor started up in business in the store now occupied by J. Gay on Tice Street, later moving down to his present location near Dthe bridge. It is understood that he is contemplating opening a pool room on the west side of the river, but no official announcement to this effect has yet been made.

### WEST HUNTINGDON

It seems as though old Mother Nature was giving us the laugh about Depression. We do believe our little peaceful quiet community never looked better. Prospects are for a good crop, banning of course, hail, heat waves, etc.

The softball games are becoming more interesting each evening and now large crops are witnessing the games and cheering for their respective teams. Up to date Ivanhoe is in the lead. The officials of the League are making plans for presenting a handsome cup to the winning team.

The Misses Lulu and Mory Saries are visiting their brother, Nelson, at his cheese factory, in Madoc this week.

Rev. W. H. Truscott and Phillip Carr are attending Conference this week at Lindsay.

The funeral of the late Paul Kingston was largely attended on Thursday, many coming from a distance. The service was held in the United Church and interment in Luke's cemetery. An extra large number of Clangemen conducted the service at the graveside.

Mr. Elmer Wilson had a stone bee on Wednesday.

Fox - McCurdy  
A very quiet wedding took place at the Parsonage on Wednesday morning when Bernice McCurdy, only daughter of Mr. and Mrs. George McCurdy became the bride of Mr. Earl Fox of Consequa. The Community joins in wishing the young couple a happy and prosperous married life.

### SPRINGBROOK

Mr. Patrick Tobin and his daughter, Mrs. O'Shea, and family attended the funeral of Mr. Frank Christy, brother-in-law of Mr. Tobin at Peterboro last week.

Softball  
On Monday evening the Bonarlaw boys came to Springbrook for an exhibition game of softball. The game did not begin until 7.25 as the visitors did not arrive. Bonarlaw rather had the breaks and after heroic batting, smart running and wild throws on the part of both teams, left Springbrook at the tail of the hunt.

The score of the game was 12-8 when the game was called on account of darkness. The game was in charge of referees T. McConnell, behind the plate and W. McInroy at bases.

The second game of the series was played on Tuesday night. Glen Rose visited Springbrook. Both teams were evenly matched and there were few long hits. Tom Ward very ably refereed the game at the plate, assisted by R. White at bases. The score was very even until the seventh innings when Glen Ross took the lead by three runs. However, Mike Heath was used as pinch hitter for Springbrook and the runs poured in until the game belonged to Springbrook. Perhaps the luckiest batter for the locals was Murney Mason. The final score was 14-11. The line up for Springbrook was as follows:

Mason, lb.; G. Heath, r.f.; C. Ball, c.; G. Williams, c.; B. Heath, l.f.; L. Bateman, p.; B. Morton, l.f.; C. Burditt, c.f.; C. Bailey, 3 b.; Sub M. Heath. There was a very good crowd to witness this game and the people should encourage the team by giving them their ablest support.

### HOARDS

Mrs. A. Parks and Reg. and Mr. J. Shaw spent Tuesday, the 24th of May at the home of Mr. R. C. Dooce, in Hastings.

Mrs. P. Bennett spent Wednesday last week, with her daughter, Mrs. Harry Fanning, near Wellman's.

### MENIE

Wedding bell rang in our midst. Mr. and Mrs. F. Cole have returned home to Toronto after spending a few days with Mr. James Ketcheson.

We are very sorry to hear that Miss Laura Thirld had to return to the hospital at Belleville for another operation on mastoids. Last word was that she was improving.

Mrs. Whitton and family spent Sunday with Mr. and Mrs. Chas. Dunham, of Wellman's Corners.

Miss Reta Hutchison, also Messrs Jack Williams and Raymond, of Dundas, spent the week-end with Mrs. Geo. Hay.

Mr. Alex. M'Dae, Mr. and Mrs. Frank Little, also Miss Letta Wright spent the 24th of May in Godephing.

It is noticed that Mr. Geo. Ingram is preparing to plough the ball team diamond. The boys will have to look for another one to keep up with the sport.

The Ontario Bridge Co. is now constructing a bridge on the fourth line next to Mr. David Wallace's factory.

Mr. and Mrs. Alfred Bennett entertained friends from Saint Ste. Marie on Sunday.

### RAWDON LOOP MAY DISBAND

Burnbrae—With the softball season several weeks old, there is less than the usual activity in sports circles here due to the late seeding, which has kept the farmer players busy for long hours. The Rawdon league has re-organized on last year's lines and has a schedule drawn up, with Stirling replacing the Menie entry. But with one game already played come murmurs of a break. Both the scarcity of players and may flunk floards are not unanimous as to entering the eastern League, and have already refrained from playing their first scheduled game.

A suggestion from a prominent sportsman of the district which has met decided approval is the formation of an East Seymour league with Hoards, Menie and possibly English Line, which, along with the Petherick's Corners entry, would make compact four-team league without much expense for travelling—the main objection to the Rawdon league were some of the centres are twelve miles apart. This distance is also a large factor in the twilight games as a start by seven o'clock is almost impossible for a farm group after a long trip.

There is also a possibility of the formation of a Junior League shortly Rylestone and Petherick's made a start in this direction last year. There are enough young fellows in Menie Hoards and English Line for at least two nice teams, and the idea would be a three-team group, combining the two northern squads into one unit. This is the only way to keep the idea of sports before the younger generation, and this community has a bunch of young boys who show real ability as ball players, but need the training of good organized ball and the valuable experience to be gained from expert coaching.

### HAROLD

Miss Cora S. Bailey, of Bothany spent the week-end at her home here.

Mr. and Mrs. B. C. Copeland, of Bloomfield, who spent some time in our town are now visiting Mr. and Mrs. Stewart Brady.

Mr. and Mrs. Herb Garrison of Boyside, visited the former's nephew, Mr. T. M. Reid, last week.

Miss Olive Stiles visited her sister Mrs. Elmer Cotton on Monday.

Mr. and Mrs. Carmen Sine called on the latter's grandmother, Mrs. Green, who is ill, on Sunday evening.

Congratulations are due to Miss Iona Wellman, who has successfully passed her exam in Medicine, and is now entitled to write "M.D." after her name. Letters have been received by Mr. and Mrs. Wellman from their son, Dr. Clair Wellman, saying he arrived safely in Germany and is doing advanced work in a hospital there.

Mr. Chas. McMullen visited his parents here last Sunday.

Routley Construction Co. completed their contract of putting crushed rock on the road from Stirling to Foxboro on Tuesday, and are now working north from Stirling to Harold.

Mr. Kirk has so improved in health as to return to his home in Stirling after spending three weeks with his daughter, Mrs. Geo. Bailey.

Mr. and Mrs. Archie Reid and family and Mr. Dunn, of Peterboro, spent Sunday with Mr. and Mrs. T. M. Reid.

Council and Court of Revision met in the hall here on Monday and the members had a very busy day of it—even being compelled to work far into the night.

### WEST YORK REMAINS CONSERVATIVE

Toronto—Harry I. Price, Liberal Conservative, succeeded in retaining the West York seat for the Government in Saturday's by-election, rendered necessary by the death of the former member, Dr. Forbes Godfrey.

Mr. Price's majority over the next highest candidate was 972, a considerable reduction from the majority of 3,855 rolled up by Dr. Godfrey in the last general election.

The figures of Saturday's voting were as follows:

H. I. Price (Cons.) ..... 5869  
W. J. Gardhouse (Lib.) ..... 5897  
J. W. Buckley (Labor) ..... 3869  
J. M. Reid (Socialist) ..... 106

A feature of the by-election was the increase in the number of votes cast which was 4,084 over the total in the 1929 election when the battle was a straight one between Liberal and Conservative. The Labor vote turned out in force on Saturday and gave their own candidate, J. W. Buckley, strong support.

The Liberals also added to their vote, more voters than the Liberal candidate received in the 1929 election. The Socialist, James N. Reid, was practically out of the running.

Real summer weather has been enjoyed this week, although the nights are cool. According to the weather man warm weather is to prevail henceforth.

## Special News For Farmers

### Dirty Seed a Menace

"Dirty seed" is defined as meaning seed that contains noxious weed seeds in such quantity as to pollute the land with weeds that are difficult and costly to eradicate. One of the principal mediums for the distribution of weed seeds in Canada is dirty seed, because of the fact that most of the noxious weeds have seeds of about the same size and shape as the seeds of clovers and grasses, and hence are difficult to remove. This reason alone should be sufficiently important with the intelligent farmer to ensure the preference which is due it for the expected seed.

### Crop Acreages

Intended acreages of the principal crops in Ontario in 1932 as compared with 1931 are shown in a recent compilation of the Statistics Branch of the Department. The table is as follows:

	Area 1931 Area	Area 1932
Fall Wheat	526,000	489,000
Fall Rye	56,000	52,000
Spring Wheat	99,000	96,000
Oats	2,344,000	2,307,000
Barley	439,000	442,000
Flaxseed	7,000	6,900
Mixed Grains	1,000,000	1,022,400

A comparative statement of winter killing of fall wheat in Ontario for 1925-1932 shows the smallest loss from this source for 1932 since the winter of 1925. It was four per cent. of the total area in both ears. The loss was greatest in 1928 and 1930, being 23 and 24 per cent. respectively.

### Corn Borer is Still a Menace

In a recent interview Professor Caesar of the O.A.C. made the following clean-cut and emphatic statement:

"Farmers who have never suffered any appreciable injury by the corn borer find it hard to realize that the insect is much of a menace and some of them even think that there is no longer any need of enforcing the Corn Borer Act. The fact is that it is a great compliment to the Act that they have not suffered for it was to prevent the injury that the Act was passed. I have been observing and studying the insect since it was first found in the Province and I am convinced that had it not been for the Corn Borer Act the growing of sweet corn would by now have been abandoned in practically every county under the Act, and field corn would in many counties have been seriously damaged. In Essex, Kent, and probably also in South Lambton, West Middlesex and West Elgin, all corn growing would have ceased several years ago. The best friends the corn grower has are the Corn Borer Act and the inspector who enforces it."

### Suggests Filling in Thin Alfalfa Stands

"In travelling throughout the greater part of Ontario during the past few weeks I have noticed quite a number of alfalfa fields in seedling fields," states a Huron County observer. "This condition applies particularly to alfalfa fields and has occurred usually where the shocks of grain stood too long last fall. These bare spots might easily be re-seeded at the present time and not only the appearance of the field improved, but the yield would be increased and weeds which invariably spring up in such thin patches, smothered out."

It is suggested that one simply go over the fields and sprinkle a little seed over each bare spot. Then the whole field is harrowed, this operation covering the new seed and doing no injury to the growing alfalfa, provided it is carried out in the next few weeks. Indeed many good farmers make it a regular practice to harrow their alfalfa fields every spring claiming that such thickens the stand and promotes early growth just as a vigorous raking of the lawn is beneficial at this time.

### Weekly Crop Report

Huron County estimates about 40 to 50 per cent. of last year's apple crop. Spring grains fall wheat and corn are looking well in Peel, Canadian-bred Jersey cows of good breeding brought prices ranging from \$110 to \$250 each at an auction sale near Brampton recently. North Simcoe will have an increase in barley and buckwheat this year. Recent rains have benefited crops of alfalfa and clover in Dundas, as elsewhere. Hatcherymen in Lanark report this has been their best season. Local demand for baby chicks was much better than usual for two reasons: People are buying more chicks and are buying them from the local hatcheries. Durham anticipates a good average crop of apples and a considerable reduction in acreage of early and late potatoes. An increase

ed acreage of strawberries is noted in nearly every district where they are grown. Fall wheat is reported in excellent shape in Southern Ontario counties. Due to showery weather, the planting of field corn in Kent was fully ten days behind 1931. Tobacco growers have also been retarded in their planting throughout the southern belt because of backward weather during the first part of May.

O. B. S. Records

An interesting summary has been made by the Poultry Husbandry Department, O.A.C., of the results of all flocks entered under the O.B.S. for the year 1930-31. The summary shows:

Total number of flocks included in summary ..... 368

Minimum size of flock ..... 43

Maximum size of flock ..... 1005

Average size of flock ..... 214

Average per cent. of birds culled at time of banding ..... 27.0

Average feed purchased per flock ..... \$341.52

Average home grown feed per flock ..... \$119.78

Highest average flock production ..... 187

Lowest average flock production ..... 56

Highest average yield per bird to Mar. 1 ..... 60%

Average egg production, all flocks considered ..... 139

Average per cent of reactors in blood test ..... 4.9%

Highest per cent of reactors in one flock ..... 61%

Number of flocks having no reactors ..... 105

The report also notes that the flocks have practically doubled in number over the previous year, while the average size of flock was somewhat smaller. Receipts were down on the average 31 per cent. as compared with 1930.

Marketing Ontario Fruit

One result of the depression is the increased work in systematic marketing. The latest manifestation of this is the announcement of Colonel T. L. Kennedy, Minister of Agriculture, to extend the present fruit selling organization in the other Canadian Provinces. This will be effected through the Ontario Growers' Markets Council.

Permanent commercial representatives are to be stationed in Winnipeg, Montreal and the Maritimes, during the selling season, while efforts in Great Britain are to be increased in order to supply best quality produce, shipped in the most satisfactory manner.

Strenuous endeavors will be made on the Prairies to regain the market enjoyed by Ontario in years gone by. British Columbia is a large fruit producer, and Ontario, despite the excellent reputation of its fruits, will have a powerful opposition, especially when it comes to packing, and maintaining standards. Our small fruits, cherries and strawberries in particular, and our hamper packed as well as peaches, pears and plums, should appeal to Western people, many of whom formed an appetite for such delicacies before moving from Ontario to the prairies.

Montreal is a market for all varieties of Ontario produce. A commercial representative in that city can do much towards promoting orderly marketing, preventing gluts and price cutting, and adjusting claims on an equitable basis.

Lindsay—Rev. G. R. C. McQuade of Oshawa, was unanimously re-elected secretary of the Bay of Quinte Conference and Rev. R. T. Richards of Port Perry was re-elected treasurer. The new president is Rev. T. E. Holling, B.A., B.D., of First United Church, Lindsay.

### Where to Work

Club members will not be restricted in any way as to the locality in which they may get subscriptions, and collecting arrangements or advance payments from old subscribers earns credit as well as securing entirely new ones.

### One in Every Home

So there is a subscription waiting in every home, and distance does not prevent you from getting subscriptions from relatives or friends, no matter where they reside. Under our "district" plan the harder it is to get to the prospective subscriber the more credits you receive, so club members living in thinly populated districts have an equal opportunity to win the big prize.

Here is the opportunity to crystallize the dreams of a lifetime — to realize in a few short weeks what most people could not ordinarily HOPE to accomplish without years of striving, saving and sacrifice — and all in exchange for your spare-time effort. No matter how busy you are you have spare time enough to get in and win.

### RULES AND REGULATIONS

1. Any man, woman, or child is eligible to join the club, but the management reserves the right to reject objectionable entrants.
2. No employee of this newspaper, or member of an employee's immediate family, may become a member of the club. This does not apply to carrier boys, news dealers or correspondents.
3. This club is for individuals — not organizations.
4. Winners will be decided by their credits, said credits being represented by certificates issued for subscriptions.
5. Club members may work where they please, collecting for back subscriptions and renewals as well as new subscriptions, and credits will be issued on all.
6. Cash must accompany all orders where credits are desired. Each club member is an authorized agent for this newspaper and it is distinctly understood that each member will be responsible for money and remit amounts in full to the campaign department.
7. Credits are not transferable. One member cannot withdraw in favor of another. Subscriptions cannot be transferred from one member to another, and any such transferred business will be subject to disqualification at the discretion of the campaign manager.
8. Credits may be held in reserve or pooled, at the discretion of the club member, up to and including the last day of the campaign; except at the discretion of the club manager.
9. In the event of a tie for any one of the prizes a prize identical in value will be awarded to each tying Club member. The prize will not be divided.
10. Any collusion on the part of club members to the detriment of other club members will not be tolerated. Any club member entering into or taking part in such combination will forfeit all right to either a prize or cash commission.
11. There will be several prizes awarded beside cash commissions to ACTIVE non-prize winners but is distinctly understood that ANY club member, failing to make a cash report at least once a week, shall be declared INACTIVE and he or she will be disqualified and forfeit all right to either a prize or cash commission. However, missed reports may be made up when the member desires to do so.
12. This newspaper reserves the right to add one or more awards to the list as published and to correct typographical errors that may occur in any of its announcements.
13. No statement or promise either written or verbal made by anyone varying from the rules as set forth will be recognized. Any questions or controversies which may arise concerning the club will be settled by the campaign manager according to the rules and his decision will be final and conclusive.
14. In becoming a member or participating in this campaign club members agree to abide by the above conditions. The campaign manager reserves the right to offer Special Club Votes.

Toronto—Major-General Victor Williams, Commissioner of Provincial Police, has issued an ultimatum to drivers of 'one-eyed' automobiles in the Province. Dispensation of warnings and immediate prosecution against operators of this type of vehicle will go into effect at once.

Tweed—Fire of an unknown origin completely destroyed the home of Mrs. Eliza Yocum and nine miles north of Tweed, early Monday morning. It is thought that the blaze started from defective stove pipe, although nothing authentic could be ascertained as to the real origin of the fire.

Perhaps one of the north's oldest pioneer residents, Mrs. Sarah Ann Vardy, relict of the late Daniel Vardy, died at the home of her daughter, Mrs. Amelia Woodcox in Faraday township on Tuesday, May 24th, at the ripe old age of ninety-nine years and five months. Mrs. Vardy was among the early pioneer settlers in Hastings County and experienced hardships of the opening of a new country. A grown-up family survive. The funeral was held last Friday.

Frankford—At the district meeting of the Independent Order of Oddfellows, held in Belleville, Mr. Wilmot Rose, former grocer of Frankford, was appointed District Deputy Grand Master of the Order for this district. Mr. Rose has always been a very active member of the order, and his appointment constitutes a signal honor to his services. His installation as a member of the Grand Lodge will take place at the Royal York Hotel at Toronto, in June. This appointment carries considerable responsibility in regard to lodge affairs, also, each lodge has to be visited twice a year, and large amount of correspondence has to be attended to and answered.

The funeral of the late Mrs. Frances Russell was held on Friday from the family residence, Oliver Street, Campbellford, interment being made in Mount Pleasant cemetery. The service was conducted by the Rev. J. C. Robinson, pastor of St. Andrew's Presbyterian Church, Campbellford. The pallbearers were John Wallace, Wm. Clark, Alfred Hay, Andrew Gowan, A. Burleigh, N. Morrison. The late Mrs. Russell died on May 25, aged 76 years. Born in the Province, the daughter of the late Mr. and Mrs. Robert Leitch, she resided with her husband, the late William Russell, in Rawdon Township for a number of years, later going to Campbellford to live. Ailing for some time her death was not unexpected. In religion she was a Presbyterian and a member and worker of St. Andrew's church. No immediate family survive.

Trenton—Mr. Albert Nichols and Edward Nichols appeared in police court at Brighton on Friday to answer a charge of obtaining goods on false pretenses. Albert received a sentence of three months and Edward four months under Section 405 of the Criminal Code. Miss Dorothy Tyler of Ontario, was arraigned on three charges and given two months on each, the sentences to run consecutively. She was charged under Section 477 of the Criminal Code. The three had been defrauding storekeepers, namely Mr. Herb Greenfield, of Brighton; Nelson, of Wooler and Newman of Castleton. The procedure was for the young lady to make out a written order on one of the above stores, signing the name of some well-to-do citizen of the vicinity; Albert Nichols and Edward Nichols used the alias of Jim Thompson presented them to be filled.

### MOUNT PLEASANT

Mr. and Mrs. Frank Hubble, of Detroit, are holidaying with Mr. and Mrs. James Hubble and Mr. and Mrs. Will Hubble.

M. W. H. Scott received a letter on Saturday from his cousin residing at Ann Arbor, Michigan, telling of the death of Mr. Scott's uncle, Rev. Henry Wilson Mack, on May 15th, at his home in that place. The funeral was held on May 18th, and interment was made in Dexter, Mich. The late Mr. Mack will be remembered by many friends here as he was born and educated at Wellmans and for several years before he entered the ministry he resided on the farm formerly occupied by Mr. Will Johnson.

The pupils of Williams School are enjoying Wednesday and Thursday of this week while their teacher Miss Ruth Gibson is attending the graduation exercises at Ottawa. However, the pupils spent May 24th, and will spend June 3rd at their studies.

Messrs Dick and Ray Post and the Misses Lauretta Shappe and Iva Mills of Belleville were guests of Mr. and Mrs. Blake Sharp on May 22nd.

Y.P.S. will be held on Friday evening in charge of Mr. John Coggins.

We wish to thank our friends for their support during the first week of the campaign.

### Zion Y.P.S. Pays A Friendly Visit

On Friday evening Mount Pleasant folk were at home to their friends from Petherick's Corners, who motored down in goodly numbers along with their pastor, Rev. McTavish. The program was given by the visitors and the hall was well filled for the occasion. The president opened with "My Father is rich" and prayer by Mr. Joblin. The members of Zion Y. P.S. were then heartily welcomed and their president, Mr. Roy Fry presided. The orchestra, composed of the Misses Freda Petherick, Gladys Simpson and Messrs Arthur Petherick and Grant Kerr rendered several excellent selections throughout the programme and each time were heartily encouraged. Mr. Don Barnum gave a splendid talk on the different phases of "Frier's ship" and brought out many work-while points. The next item was a duet by two dandies and the southern melody received a hearty applause and they responded with "Away in Dixie". Mrs. Aymer Petherick read a humorous sketch entitled "Levin-sky at the wedding". A trio "It pays to serve Jesus each day" was rendered by the Misses Helen Barnum, Bessie Meiklejohn and Mr. Fred Barnum. After a selection by the orchestra Mr. Albert Gifford delighted with two solos. Hawaiian music was then given by Misses Cora and Gladys Petherick, Gladys Simpson and Mr. Frank Osborne. Mrs. Lindsay Anderson read a humorous selection "Entertaining the Ladies Aid" with local hits. The Misses Helen and Evelyn Barnum rendered two pretty duets "The Little Old Church of my Dreams" and "When the Moon comes over the Mountain". A program of stunts was then staged between groups of visitors and ourselves, but the winning honors went to them. The contestants of eating a banana and biscuit, going through a bicycle tube in pairs, clothespin race and walking on a board. Shrieks of laughter peeled forth as the contestants tried to present their ability and those not present certainly missed a heap of fun. A contest "A Bird Romance" was staged and then lunch was served, after which Rev. McTavish made an appropriate speech and all wended their way homewards.

Mr. and Mrs. Percy MacMullen, Ormel and Eileen were dinner guests of the latter's parents and spent the afternoon with relatives in Murray.

Friends and relatives here were sorry to hear that Miss Beniah Montgomery of Frankford, had returned to Belleville Hospital for another operation.

Marmora—Shortly after 4 p.m. on Monday residents learned with regret of the sudden passing of Rose Ann McGarvey, widow of the late Marion Julian McGarvey, who was the daughter of the late Mr. and Mrs. Matthew McGarvey, of Marmora Township, was born in Rawdon township. The greater part of her life however, was spent in Marmora township.

### TREATMENT OF THE NEWS

"Why wasn't the news I gave you put on the front page?" "Why didn't you give it a bigger headline?"

These and other similar questions are from time to time put to newspaper editors by people who do not know the considerations that guide newspapermen in the treatment of news. Those who complain sometimes charge that there is "respect to persons" shown, or that personal feeling enters into the matter.

Persons who complain that news which they supply to a newspaper, or in which they are interested, is not given the prominence which they desire, or is not as lengthy as they believe it deserves to be, have never studied the week's news from the editor's standpoint. As he sees the news, the various stories or items are of relative importance; that is, they are relative to one another as news proper, or in their news significance and they are relative as to the readers as subjects of interest.

The makeup editor does not often cut in the placement of news or in the handling of news. Both by experience and intuition he has a true sense of proportionate values in regard to human interest. He sometimes acts contrary to his judgment, though deliberately, in playing up some local news or propaganda for a particular public reason. But he lets the relative values govern his decision in most instances.

These observations on placements and headings are based on articles in a newspaper which is *ceased* by newspaper men as one of the greatest in the world. There is a relativity as to values which every editor follows as closely as he can, and he is generally correct.

Mr. Victor Houchin has returned to Gogama to take up his government position as pump operator for the fire rangers.

Messrs Wm. Simpson, Geo. Tulloch and Horace Budd made a fine catch on Wednesday afternoon, when by combined efforts they captured two by-one fine pickers.

Miss Grace Wright spent Wednesday afternoon with Miss Lillian Clarke, nurse-in-training, Kingston General Hospital, and attended the nurses' graduation in the evening.

Miss Lella Potts, daughter of Mr. and Mrs. W. Potts, Mount Pleasant and a former Stirling H. S. student was among the successful nurses to receive diplomas at the graduating exercises held at Ottawa hospital yesterday.

Rev. E. W. Rowland and Mr. J. E. Munro and Councillor Wm. Fitchett are attending United Church Presbytery, held in Lindsay this week. The latter two are delegates for St. Paul's church. Mr. H. C. Martin, of the Home Mission Board, is also in attendance.

Mr. and Mrs. J. C. McGee, Clinton, Betty and Billy, attended the graduation exercises of St. Michael's Hospital, in Toronto, on Tuesday. The former's daughter, Miss Bernadette McGee, was among the successful graduates. Her photo appeared in Monday's Toronto Star.

The many friends in this district of Mrs. W. R. Girdwood, will be sorry to learn that her mother, Mrs. Elizabeth Watts, passed away at her home in Walkerton, on Wednesday morning last week, aged 96 years. Mrs. Girdwood had been residing with her late mother for some time.

### HOME PLAY

The play spirit in the household is a sweetener of family relations. To laugh together dispels the gloom, smooths out the friction and misunderstandings and makes for comradeship. A weekly family-night, with the radio and games, is a feature of some homes. In fair weather, it can be a picnic or excursion or nature hike.

A story hour and family song fest will ever be remembered by the children as they go forth to build homes of their own. Every home needs a play-room, or at least a play corner, for the children. Some newer homes are equipping the basement with play rooms. Somewhere about the premises, there should be a work bench for father and sons, and a corresponding "studio corner" in which mother and daughters may study home beautification and art in dress.

Where there are small children, the sand box is a source of infinite fun. Then there is the teeter, swing and horizontal bar, and backboard attached to the garage for basketball practice. Is your yard large enough for tennis? Many youngsters have dug their up into a miniature golf links of late, and croquet is an old friend which might well be revived.

tion which had been in operation only four years, but had been successful in raising the quality of the cheese and reducing cost of cheese boxes and supplies to factories.

Mr. J. P. Griffin, Secretary Manager of the Ontario Milk Producers spoke forcibly in favor of improved organization of Ontario cheese producers. He deplored the condition of Ontario in *lagging* behind world competitors in production and marketing methods. Mr. Griffin stated that agriculture was the backbone of the dairy industry the backbone of agriculture and the cheese business.

ness the backbone of the dairy industry. Until agriculture is on a prosperous basis there cannot be prosperity in the country. Milk prices are regulated by the price of cheese. Last year Canadian cheese brought a premium on the world's markets which ultimately meant several thousand more dollars to the producer and as cheese prices influenced the price of milk many thousands of dollars were paid to the milk producer. Mr. Griffin went on to show that the practice of cow testing had fallen off and in Ontario there were practically no large active milk testing associations. Cow testing service was provided by the Provincial Government but was not being made use of by milk producers. Reference was made to Halton County farmers who were organizing all branches of farming. They plan to have representation at the Imperial Conference and already arrangements are being made for delegates to attend at Ottawa.

After considerable discussion by cheese producers present it was decided to form the Stirling District Branch of the Central Ontario Cheese Patrons' Association with the executive as follows:

President—Ernest Brown.  
Vice-President—E. J. Pyear.  
Secretary—Jos. Wilson.  
Directors—Albert Porter, Herbert Hadley, Phillip Carr.

Boastful Young Man—Yes, my family can trace its ancestry back to William the Conqueror.

Truthful Friend (sneering)—I suspect you'll be telling us that your ancestors were in the Ark with Noah.

Boastful Young Man—Certainly not; My people had a boat of their own.

### 'OUT OF THE MOUTHS OF BABES'—COLD TRUTH

(Trenton Sun)

A number of young men were gathered together on a street corner discussing the pros and cons of the Legion-Softball controversy. Said one youth just out of the adolescent stage "It's time the Veterans cut out all this 'we went to the war' stuff, all they did we would have done had we been old enough."

In those few words is contained the psychological reason for the rapidly waning memories of 1914-18 and every other war that a human has had the misfortune to have been mixed up in and in those few words, carelessly spoken, is contained one reason why in each generation there is a war. Youth, jealous, youth self centred, youth without actual experience, unwilling to acknowledge the sacrifice of their fathers, blindly assured of their own attitude in an emergency, envious of the limelight reflecting on other war that a human has had the misfortune to have been mixed up in and in those few words, carelessly spoken, is contained one reason why in each generation there is a war.

Fourteen years after and the six-year old baby boy is a full fledged fighting man. Histories only serve to fire his imagination to a point of curiosity and here is another reason why there may always be "wars and rumours of wars."

### THE LATE MRS. W. R. SOLMES

Another native of Rawdon township has passed to the Great Beyond in the person of the Great Beyond the late W. R. Solmes, who passed away at her late residence here on Sunday evening, aged 68 years and 10 days. The deceased had been in ill health for the past four years, suffering from heart trouble and was bedfast for four weeks prior to her demise.

Mrs. Solmes was the daughter of the late Thomas and Jane Sables, and was born in Rawdon township near Minto on May 19th, 1864. She resided on the old homestead until 1917 when she moved to Stirling, where she had resided ever since. On the 19th, 1932, she married the late William Richard Solmes, who predeceased her on June 17, 1904. To this union three children were born viz George S., who died at the age of 9 months, Jane, who passed away in infancy, and Thos. W., who is left to mourn the loss of a kind and loving mother. Two brothers, Simeon Sables and Amos Sables, and one sister Lucy, have also predeceased her. Mrs. Solmes was of a quiet disposition, and a sincere friend. She was formerly a Baptist, but later became a member of the United Church. The funeral was held on Tuesday afternoon and was conducted by the pastor, Rev. E. W. Rowland, assisted by Rev. A. N. Reid, of St. Andrew's Presbyterian Church. Rev. Rowland took his text: Isaiah 28:1 "Set thine house in order for thou shalt

### THE LATE MRS. JAMES ALLAN

At Campbellford, on Friday evening, Mrs. James Allan passed away suddenly when attending a member of the household, who had suffered a heart attack. After phoning for the doctor for Mrs. John Robinson, who resided with Mrs. Allan, the latter was stricken and lived only for a few minutes. She had been in indifferent health for some time but her death was a complete shock to her many friends.

Born on the 13th concession of Rawdon, the deceased was formerly Miss Margaret Meiklejohn, daughter of the late Mr. and Mrs. Meiklejohn, pioneers and highly respected members of Rawdon community.

Her husband, James Allan, passed away two years ago. The late Mrs. Allan was a loving and affectionate wife and mother; she was always devoted to the needs of others. She was a faithful member of the Presbyterian Church in Campbellford. She leaves to mourn her loss two daughters, Mrs. Tom McKeown (Grace), of Hubble Hill; Mrs. Leonard Stirling; three sons, Purvis, who resides in the west; William of Allan's Mills, and Kenneth, of Quebec. One sister, Sarah, R.N., of Seattle, and four brothers, John and Andrew Meiklejohn, of Campbellford, the latter residing with Mrs. Allan; Lindsay, of Stirling, and James, of Seattle, also survive. William Meiklejohn, the eldest brother, died two months ago. The funeral took place on Tuesday to Rylestone United Church.

### THE LATE J. W. HEAGLE

Calgary, Alta.—Funeral services for James Wesley Heagle, 67 years of age, who died Saturday, May 14, in a local hospital, were held on Tuesday, May 17, at 1.45, from Foster and Foster funeral home, that city. Rev. J. E. Todd officiating. Interment followed in Union Cemetery. Mr. Heagle came to Calgary from Springfield, Ontario, 25 years ago. He was a prominent member of Central United Church, and of Alberta Lodge No. 1, I.O.O.F. He is survived by two sons,

William James, of Seattle; Harry, of Calgary, and a daughter, Mrs. Russell Munro, of Calgary, with whom he resided. His wife predeceased him seven years ago. Mr. Heagle is also survived by two brothers and two sisters in Ontario, Andrew, of Hards George B., of Wellmans, and Mrs. Matilda Sine, Stirling, and Mrs. George Johnston, Harold.

Each company then gave a yell or a song. Mrs. Moore, of Havelock and Jean Gladney of Marmora thanked Marmora for a good time. We also wish to thank Comm. and Mrs. Haacke, S. M. Gray and A.S.M. Kerr, who helped so splendidly with the sports. We also wish to thank the Scouts who assisted in the grounds, previous to the sports. The Guide evensong and Taps closed the day and the Guides left with three cheers for Deloro.

### MISS WHITTY DIES AT BRIGHTON

Miss Mary Ann Whitty, aged 74, of Brighton, passed away at her home on Butler Street, on Tuesday morning. Miss Whitty's father and mother came to this country from Wicklow County, Ireland, and pioneered at Brighton. Miss Whitty endeared herself to many who will remember her kindness and care in the years she taught school. She is survived by a brother, James, and sister, Winula, both of Brighton. The funeral was held at the Roman Catholic Church, interment taking place in the Codrington cemetery this afternoon. The deceased was an aunt of Mr. W. J. Whitty, Stirling.

Foxboro—Mrs. E. Spencer, received word that her son, Eugene who lives with his grandparents, Mr. and Mrs. M. B. Spencer in Rochester N.Y., had won an honorary Planc Scholarship at the Eastman School of Music. Eugene, who is ten years old, is highly honoured as there were only eleven children out of 7,000 school children who were selected.

## CURRENT COMMENT

**Financial Post**—The new slogan to "Sing away the Depression" does not tell us what to do with the notes we already have.

It would be interesting to know how many foreigners who came to this country under agreements to work on the farms are now on the relief lists of our towns and cities.

During the past month the prices of hogs have been fluctuating between several lows, ranging from \$3.75 to \$3.90 and \$4.00. It is pretty hard to make money at these prices.

The tax notices for 1932 taxes will be sent out by Collector J. M. Magee within the next couple of days, and the first instalment is due July 1st. The rate is the same as last year, 48 mills.

**Oshawa Times**—It is reported that Soviet Russia has been attempting to land arms and munitions in the Irish Free State. Doubtless Russia would like to aid DeValera in his dispute with Britain.

The weather man has favoured the farmer with ideal weather this year. If he could only do something to increase the farm produce prices, this country would enjoy prosperity and better times.

We notice the governments are urging the cities and towns to have the citizens plant gardens and help to aid the unemployed by giving them a job in same. This is just another slap at the farmer and market gardener.

If mothers were not unreasonable, they would know that a daughter who has danced until 4 a.m., now that the dancing pavilions in this district have opened, certainly is too worn out to help with any morning housework.

At Monday night's Council meeting it was decided to commence work on the permanent waterworks project next Monday. This will be news of joy to men of the district who have been unemployed and have been awaiting a job on the work.

Nova Scotia coal district municipalities are anxious to deport unnaturalized foreigners to the number of 2,000. If all these people who think so much of their native lands could be sent back there, the situation would be greatly relieved.

Canada has 44 miles of main track railways for every 10,000 population and is an easy first in this respect. Only one country—the United States—has a greater total than Canada. We can show the world something big in railway deficits too.

We have concluded that when a state or the nation starts "economizing", the first thing is to cut off workers who immediately join the army of unemployed. The workers to be cut off ought to be those who ornament but do not work.

### NATIONAL MARKETING BOARD SHOULD HAVE BEEN AT WORK MONTHS AGO

(Bowmanville Statesman)  
The proposal of the Hon. Robert Weir, Minister of Agriculture, to establish a national marketing board to improve the domestic and foreign prices of agricultural products by lifting temporary surpluses off the home market should have been established months ago, but it is not too late to benefit from such a move. The matter which was mentioned in the recent session, will be one of the big topics following the close of the British Empire Conference. The whole issue will be faced at that Conference and at the same time a Commission will study the whole problem of marketing, of supply and demand of mid-dlemen's profits. The Minister of Agriculture is an experienced and successful Western farmer, and he is, naturally, interested in restoring prosperity to Canadian agriculturists at large. He was able to point out to the House of Commons that the present Government has given the domestic market to the Canadian farmer and that it is endeavoring to secure a larger share of the Empire markets and other markets for Canadian farm products. He estimated that nearly \$37,000,000 has been placed in the pockets of Canadian agriculturists during the past year, a direct result of the present administration's

According to reports a certain Belleville young man said he knew his girl could keep a secret, because they had been engaged for weeks before he even knew a thing about it.

Sir Henry Thornton's salary, as President of the C.N.R., is stated to be \$75,000 annually. This figured out at \$2 weeks a year, 6 days a week and 8 hours a day (with no holidays) comes to 50c a minute, \$30.00 an hour or \$240.00 per day. Oh, to be Sir Henry for just one month!

On a recent Sunday afternoon several parties were observed gathering dandelions on the back roads. Judging by the number, and the rapidity with which the yellow tops were being plucked, these people were apparently inspired by "The better the day, the better the wine."

A heat wave visited this district over the week-end but cooler weather has prevailed this week. The weather man wanted to show us that he meant it when he said summer was just around the corner. Many residents of the urban and rural centres migrated to the summer resorts on Sunday in an effort to keep cool.

An exchange last week stated that the wild flowers were in danger of being exterminated by the ruthless gathering on the part of townspeople. This assertion is far from correct, as a visit to the nearby woods will convince anyone. This spring nature has been most prolific and the wild flowers are blooming in great abundance, not only one variety, but all varieties.

There does surely seem to be something radically wrong with our system of economics when a farmer has to take a cent a pound for his raw hides and pay six dollars for a pair of shoes. Harness makers have to pay 42 cents a pound for leather and pay freight on it when it is laid down at their door. There is no need of minimizing the seriousness of the situation; the manufacturing tanner must be making enormous profits in such a diversity of spread.

June, the month of weddings, is here. One individual has stated that this being leap year, there will be a great increase in the number of weddings. That remains to be seen, but in our estimation he knows very little of the 1932 feminine. Except for the "get your man" type, the young lady of today does not favor a leap year wedding, for the mere fact that it is leap year. Therefore it is safe to say that the majority of leap year victims will not be hauled to the altar until 1933.

What a good many followers of Isaac Walton would like to know is: Is it against the laws of the Province of Ontario to fish on Sunday? If such a law is on the Statutes, it is being brazenly flouted by a good many, as a visit to any stream or lake in this district will prove. Of course it may be morally wrong to break the Sabbath in this way, but for some people Sunday is the only day on which they have the opportunity and time at their disposal to follow this line of sport. The temptation to do as others do and fish on Sunday is too strong for them to resist. However, there are other modes of "putting in Sunday" that are more to be condemned than an endeavor to outwit fish.

### The Sixth Month of the Year

The words, "What is so rare as a day in June" comes readily to the lips in these glorious summer days, particularly when one can take the time to rest under the shade of the trees, listen to the warbling of the birds, and feel at complete peace with the world. One does not have to travel far afield from the town to commune with Mother Nature, but yet, once settled under the sheltering branches of that tree, one seems to be living in a different kind of world, a world with all the noise and bustle of town life removed, a world of fragrant perfume from tree and flower, a world in harmony with the innermost thoughts of the soul.

A day in June such as we had over the week-end that has passed, makes one appreciate the gifts of the Divine providence as they are to be found in the great outdoors. The senses of sight, hearing and smelling are charmed by the beauties that are apparent on every side. We learn to appreciate the glorious country in which our lot has been cast, we learn that one can worship the Creator of all things in an outdoor temple of trees just as reverently as in the most magnificent cathedral erected by the hands of man.

It is good to glory in the summer sunshine of June, to drink in the summer breezes with their refreshing coolness as they blow across some lake, and to listen to the inspired music of the feathered songsters. It makes us realize what a wonderful world has been given to us to enjoy, and he would be a poor sort of human being who did not feel, under these circumstances, like breathing a reverent prayer of thankfulness for all the gifts bestowed on him by the Giver of all good and perfect gifts—not the least of which is a day in June.

Miss Annie McManus left this morning for Dunkerton.  
Mr. Sherwood Scott, of Buffalo, N. Y., is home on a visit to his parents.  
Miss J. Atkinson, Campbellford, spent a couple of days in town assisting in the telephone office.  
Messrs R. A. Patterson, Bancroft, and H. Payne, Tweed, spent the week-end in town.  
Mrs. H. L. Martin and child, of Saskatchewan are visiting relatives and friends in town.  
Mr. L. W. Johnson, of the Bank of Montreal, Picton, is home for a holiday.  
At the Stirling Cheese board on Tuesday, 786 boxes were offered. Watkins got 245 at 13 5-8c., and Cook 511 at 13 9-16c.  
Mr. W. R. Howson, formerly of the Sovereign Bank staff here, and later manager of the Stirling branch of the Bank of Montreal, has succeeded in

passing his first year in arts at Wesley College, Winnipeg.

Mr. T. Clifford Chard of the Civil Service, Sask., who came East on his wedding trip, and spent his vacation with his people here, started on his return journey on Tuesday evening. Work on the new concrete bridge at Shea's, on the Frankford road, has been much delayed on account of the heavy rain of the past two or three weeks. The first temporary bridge was washed away by the rise in the creek, caused by the rain, and now a second one is in place for light traffic.

## BABY FRETFUL, RESTLESS?

Look to this cause

When your baby fusses, tosses and seems unable to sleep restfully, look for one common cause, doctors say. Constipation. To get rid quickly of the accumulated wastes which cause restlessness and discomfort, give a cleansing dose of Castoria. Castoria, you know, is made specially for children's delicate needs. It is a pure vegetable preparation; contains no harsh drugs, no narcotics. It is so mild and gentle you can give it to a young infant to relieve constipation. It is as effective for older children. Castoria's regulative help will bring relaxed comfort and restful sleep to your baby. Keep a bottle on hand. Genuine Castoria always has the name:

The reason we see so many girls today with "goldfish mouths" is because they are now being raised on bottles without nipples on them.

The Country Town  
I love a little country town  
With drowsy, shaded streets,  
Where there are few who know re-  
nown.

But each his neighbor greets.  
Where daily at the old depot,  
In sunshine or in rain,  
The same old gang I used to know  
Await the daily train.  
Where circus day, with all its blare  
And air of mystery,  
Lures friendly folk from far and near  
The wondrous sights to see.  
I love its streets, its quiet ways,  
Its buildings, old and new,  
For there, in dear old golden days,  
It was that I met you.

It's a good thing they've finally taken

Now, when a fellow slips on the soap

## BONARLAW

The Bonarlaw Softball team played  
their first game since entering the  
Rawdon League, with Stirling, on  
Thursday last, on the Stirling High  
School grounds and discovered that  
a lot of practice is necessary before  
they may hope to win a game when  
playing with boys with the experi-  
ence of the Stirling team. The home  
team came out best with a score of  
34 to 5. Bonarlaw is taking the place  
in the League of Bethel, who drop-  
ped out on account of a scarcity of  
players, and Bonarlaw will play all  
games scheduled for Bethel.

In commenting on Thursday's game  
Captain W. J. Barlow, of Bonarlaw  
team is not at all pessimistic. Sev-  
eral men on his team were practi-  
cally new, the field was new to all,  
and a slight aim made the grass slippery  
which made it difficult for the field-  
ers to show up to any advantage.

With plenty of hard practice he  
hopes his team will make a fair show-  
ing in future games.

The lineup was as follows:  
Bonarlaw—G. Bristol, p.; C. Reid,  
c.; C. A. Baker, 1b.; R. Neal, 2b.; C.  
Wellman, 3b.; C. Barrons, ss.; R. Mc-  
Keown, r.f.; W. J. Barlow, l.f.; C. Bent-  
ley, cf.

Stirling—Ryckman, p.; Hullin, c.; T.  
Ward, 1b.; Bailey, 2b.; Cain 3b.; Riley,  
ss.; Potts, cf.; Joblin l.f.; Tulloch, r.f.

Score by innings:  
Stirling ..... 2 6 6 8 12 x—34  
Bonarlaw ..... 1 0 2 0 2 0—5  
Some excellent shooting was done  
on the Bonarlaw Rifle Range on Wed-  
nesday afternoon of last week when  
twenty-seven members of the Raw-  
don Rifle Association turned out to  
shoot, this being the first official  
shoot for the Dominion of Canada  
Rifle Association prize.

Two ranges were completed. Fred  
Mack and Jas. Gordonier were tied  
for first prize for the day. The win-  
ner will be decided at the next shoot  
on Wednesday, June 8th. Third prize  
was handed to W. A. Bateman.

Some improvements have been  
made on the range and the method of  
scoring scores changed which  
should have a tendency to make the  
shooting still more accurate. There  
will no doubt be a large attendance  
at the next three shoots and all mem-  
bers are urged to come as early as  
possible in order that three ranges  
may be completed.

## ROSEBUSH—SMITH

The marriage was solemnized by  
Rev. J. S. McMullen, of Dundas  
Street United Church, at 272 George  
street, Belleville, on Saturday, June  
4th at five o'clock, of Mr. Byron Rose-  
bush, of Foxboro and Mrs. Lottie L.  
Smith, of Madoc. The bridal couple  
were unattended. They will make  
their future home in Foxboro.

## NATURE'S OWN HUMIDIFIER

A live tree is about one half water  
by weight. An acre of maple trees  
evaporates about 2700 gallons of wa-  
ter a day. Pine and spruces evapo-  
rate about a tenth as much. Such a  
constant discharge of water influen-  
ces rainfall over the forest and area  
adjacent thereto. The soil beneath  
a forest lets loose its moisture only a  
third as fast as soil in the open coun-  
try. Thus it comes that deforested  
land is a bad feeder of streams, giv-  
ing off its water content rapidly and  
dangerously, whereas the streams fed  
by adjacent forests maintain their  
level and purity the whole summer  
through.

# Hints for the Household

## For the Month of June

### To Remove Mud

When you get mud on your silk  
shirt—do not brush. Let mud dry.  
Wrap piece of velvet around your  
finger and rub off dried mud. If mud  
has left a stain carefully rub it with  
a cloth dipped in ammonia and water.

### Make Use of A Sunny Kitchen Window

Build a shelf and place a window  
box on it. Fill it with rich earth.  
Plant in it mustard, chives, parsley  
and cress. This way you will have a  
pretty window box enjoy the greens  
and have the fun of raising them.

### One Way to Store Blankets

Blankets not in use during summer  
months should be thoroughly washed  
or dry cleaned. Then before putting  
away sprinkle plentifully with dry  
yellow soap flakes between the folds.  
This will keep the moths out.

### COOKING HINTS

#### General Rules for Making Ice Cream

Use 3 times as much ice as salt for  
freezing. Use 4 times as much ice as  
salt for packing. In freezing ice cream  
turn crank slowly and steadily. In  
freezing sherbet turn crank fast and  
steadily. When mixture is frozen re-  
move ice and salt from around top.

Uncover. Remove dasher. Scrape  
it. Beat mixture with a wooden spoon  
or paddle. Place oiled paper on top.  
Cover. Drain off all water. Put cork  
in hole. Repack ice and salt. Cover  
with carpet, blanket or newspaper  
and let stand.

#### Strawberry Ice Cream

1/4 cup of cold water.  
1 cup of granulated sugar.  
1 quart of cream.  
1 tablespoon of vanilla.  
Little salt.

2 cups of crushed strawberries.  
Method: Cook sugar and water un-  
til a thin syrup. Cool. Add to 1 quart  
of cream. Add vanilla, salt and straw-  
berries and sugar. Mix well. Put in  
freezer. Pack and freeze.

#### Strawberry Mousse

2 cups of whipped cream.  
1/2 cup of powdered sugar.  
Little salt.  
2 cups of mashed berries.  
Method: Whip cream stiff. Add su-  
gar gradually. Fold mashed berries  
into cream. Add pinch of salt. Turn  
into mold. Cover with greased paper.  
Have greased side up. Pack in rock  
salt and ice and let stand.

### BAKING HINTS

#### Nut Bread (Splendid for Picnic Sandwiches)

1 egg.  
1/2 cup of sugar.  
1 cup of milk.  
2 cups of flour.  
2 teaspoons of baking powder.  
1/2 cup of chopped nuts.  
1/2 teaspoon of salt.

Method: Mix thoroughly. Grease  
small bread tin. Flour into tin and let  
stand 20 minutes. Then bake in mod-  
erate oven. This recipe makes quite  
a fair sized loaf.

#### Macaroni Loaf (Slices Prettily)

1 package of unbroken macaroni.  
3 tablespoons of butter.  
4 tablespoons of flour.  
1 cup of strained tomatoes.  
Season with salt, pepper and onion  
juice.

#### Cracker crumbs.

Method: Cook macaroni in boiling  
water. Make a thick tomato sauce  
using butter, flour and tomato. Add  
seasoning. Pour in slowly slightly

beaten egg. Butter a baking dish.  
Cover the bottom sprinkle a layer of  
cracker crumbs. Fill pan alternating  
a layer of macaroni and layer of to-  
mato sauce. Top with crumbs. Do  
it with butter. Bake 20 minutes in  
hot oven. Cheese is a tasty addition.

## E. B. FINLKE PRESIDENT

On the Belleville Cheese Board on Saturday morning 1849 cheese were offered for sale all of which was white and sold at 8 3/4.

The annual meeting of the Board took place previous to the opening of bidding. The reports of the secretary-treasurer and auditors were received and adopted. A vote of thanks was tendered the retiring president, Mr. Stanley Walker and the following officers were elected for the coming year: President, E. B. Finkle; 1st Vice President, W. Ray; 2nd Vice President, W. H. Montgomery; 3rd Vice President, W. C. Morrow; Secretary-Treasurer, F. R. Mallory, (re-elected).

The auditors of last year, Frank Wessels and Charles Mumby, were re-appointed for another year.

## ST. PAUL'S W. A.

The Women's Association of St. Paul's Church held a very successful evening in the church parlors on Monday night. The rooms were

festively decorated with spruce and tinsel. Rev. E. W. Rowland acted as chairman in an efficient manner and in his opening remarks he eulogized the W. A., especially the President, Mrs. C. Wright and Mrs. A. Shaw for her efforts in directing the play about to be on.

An old-fashioned town" was well sung by Mrs. (Dr.) Pedley and she responded to an encore with "A Bowl of Roses". Mrs. Ernest Munro gave a humorous reading, "Mr. Johnston's Defense". She responded to an encore "Uncle Wm. Fox's Idea of Women". Mr. T. Fumal delighted the audience with a trombone solo "Lend me you aid"; encore "Recitative and air from LaFleur des Saba". Mr. C. Allan accompanied him. Mrs. J. Butler sang "Friend O' Mine" in her usual good form. Mr. C. Allan rendered "Marche Militaire" by Schubert and "Mighty Lak a Rose" as encore, which captivated the audience. The leading feature of the evening, the play "Listen Ladies" followed, with the cast as follows: Mrs. Holden, President of St. Paul's W. A.; Mrs. Macklin; Mrs. Brown, who wishes to be president; Mrs. C. Wright; Mrs. Bacon, on the Apron Committee; Mrs. Perry Bronson; Mrs. Whitney, also on the Apron Committee; Mrs. Geo. White; Mrs. Harvey, who would rather read than sew; Mrs. W. Moise; Mrs. Crane, who keeps a cow and hens; Mrs. E. G. Bailey; Mrs. Green, a very deserving neighbor; Mrs. W. L. Fox; Mrs. McLean and Julia King, sisters; Mrs. E. W. Rowland, Mrs. Roy Duffin; Katie, a servant; Mrs. A. Gordanier.

There were two acts—the first a sewing meeting, all the ladies except Mrs. Brown arriving very late, some only aiming to get there for refreshments. Mrs. Harvey discovered she has forgotten her thimble and glasses though only intending to read, but Mrs. Brown soon settles her to work. All have paltry excuses for coming late, consequently little sewing is done. The second act is a library building and she already has written five prominent business men of Stirling, stating that if they will raise a thousand each, the women will raise the other \$5000, and reads a clipping from a daily paper which tells of a German dying in California, whose birthplace was Stirling and his will he leaves \$5,000 to establish a Library in Stirling, but the money was hid in a cave at Oak Lake. In the President's letters she mentions this incident also. The ladies grow quite enthusiastic over the treasure to be found, and rush home without the longed-for refreshments, to be ready for the tramp up to Oak Lake at 7 a.m. The second scene is the old cabin at Oak Lake where the German used to reside — dilapidated, filthy and bare. In the course of cleaning it up and lighting the fire in the old stove the pipes fell down and a box was discovered with directions to find the \$5,000 that previously the five men had also hidden at Oak Lake, and told the women if they found theirs and the German's money they would do as the President asked: these directions followed. The \$5,000 was found and the women, through and trembling, under great difficulties, such as lugging Mrs. Crane's hens and cow up there, as she lived alone, all the money was found. The play had not a dull moment, eliciting great mirth on the part of the audience. Of course there had to be a man in it, and Mrs. Perry Bronson impersonated Capt. Landon who made love to Julia and fooled her badly. One may say all were stars, but perhaps we might be allowed to especially mention Mrs. C. Wright and Mrs. Macklin, who acted so naturally, and had so much to say. Mrs. E. G. Bailey, with her cow and hens convulsed the audience. Mrs. Gordanier, as maid, certainly did her part well. One could scarcely term any of the actors anything but professional.

The Sunday School Orchestra playing while the crowd gathered, and between the acts, added greatly to the success of the evening, with Mr. Fumal as leader.

The proceeds amounted approximately twenty-two dollars, and this in spite of the fact that the local Lodge of I.O.O.F. went to Peterboro and the Board of Education and the Council were in session.

There was little other business to be dealt with.

Mr. Roy Dunkley stated that he desired to instal the permanent waterworks in his house, which he is rebuilding, on Gore Street, north of the railway track, occupied by Mr. S.

Bowen before it was burned a couple of years ago, and wanted the Council to pay part of the pipe cost across his property from Edward street. As the corporation only pays for the services to the property line, the Council could not grant the request.

Mr. Kent asked permission to cut down trees near his house recently purchased from Mr. D. Heath. He also desired a culvert across the road north of his residence. If the Council built the culvert he was willing to dig the ditch to the railway track. Both matters were left in the hands of the Street Committee.

Mr. F. A. Sprentall was appointed inspector of the waterworks installation, subject to the approval of the Hydro Commission.

A letter was received from the Provincial government regarding gardens to aid unemployed; also a communication from the Trent Waterways asking Stirling to join the association. Both letters were filed and no action taken.

## ANNOUNCING

# A New Low Price on TIP TOP CLOTHES

For twenty-one years the welfare of Tip Top Tailors has been closely interwoven with the condition of Canadian men.

As you have prospered and your numbers have increased, we have been able to build up a great tailoring organization on the policy of giving finer tailored to measure clothes for \$24 than you could buy anywhere else.

Due to present economic conditions we believe that great numbers of men are now finding it difficult to pay even this price of \$24. Yet they need more than ever the good appearance and long wear of Tip Top Clothes.

Millions of Canadian men have helped us build up Tip Top Tailors. Now, when you need it, we show our appreciation of your help in a practical way and ask your support in return. Effective June 10th, the price of Tip Top Clothes is reduced to \$22.50 for any Suit, Topcoat or Overcoat, tailored to your measure.

There will be absolutely no lowering in quality in any way. The same fine fabrics, the same skilful tailoring. The same smartness and style will be maintained without exception.

We depend on Canadian men to extend us the increased volume of business that will be needed to continue this price. You will benefit as well as us. For Tip Top Clothes at the new price will be a still better buy than they have been before.

See the wonderful range of Tip Top Samples at your dealer's. You couldn't go wrong in buying Tip Top Clothes before — your money spent with your Tip Top dealer will buy still more now. But act today.

## WEST HUNTINGDON W.M.S.

June meeting was held at the home of Mrs. Minnie Wilson, opening with the army hymn of Temperance is

gathering its men", followed by short season of prayer. The Scripture lesson was taken by Mrs. Geo. Post, followed by a descriptive talk of Belshazzar's feast by Mrs. Truscott. Roll

call, keyword, "Temperance", 27 members responding. Collection was \$1.25. Three ladies responded to the watchtowers. Reading, Mrs. A. McCurdy. Mrs. Truscott then dealt with the study book "Korea". Business. The July meeting will be held at the home of Mrs. H. Cooke. Dinner and quilting. Ladies Aid quilting at Mrs. Truscott's on June 10. Meeting was closed by all repeating the 23rd Psalm. Lunch was served.

## MADOC JUNCTION

Wedding bells are ringing. Miss Hazel Danford was quietly married to Mr. George Lyons on Saturday evening in Belleville. Rev. W. H. Truscott occupied the pulpit on Sunday. Mr. Truscott returned from Lindsay on Saturday night. We understand he has a new charge, while Rev. Mr. Sales, of Renfrew will be our new minister. Mr. and Mrs. Wm. Courtney and John, of Harold, visited Mr. and Mrs. Douglas Stapley on Sunday. Mr. and Mrs. Phil Beaudrie motored to Yarker on Sunday and were the guests of Mr. and Mrs. A. W. Andrews.

Mrs. Hiram Ashley returned to her home last week. Her sister, Mrs. Thompson, is spending a few days with her. Mrs. Russell Stapley visited her sister, Mrs. Brintnell at Carmel, on Sunday evening.

Mrs. Douglas Stapley attended a W. M. S. meeting on the 8th Line on Thursday. Miss Edna Tanner returned home with her.

Mr. and Mrs. Andrews, of Yarker, spent the dinner hour on Sunday with Mr. and Mrs. Clarence Fitchett. The stork visited the home of Mr. and Mrs. Carl Reid and left a fine baby boy.

Mr. and Mrs. Phil Beaudrie are moving into the house recently vacat-

ed by Mr. and Mrs. A. W. Andrews. Mrs. Russell Stapley spent Monday in Stirling visiting her mother, who has been ill.

Mr. Ken Broadworth, of Belleville spent the week-end with friends here.

**Down On The Farm**

Down on the farm 'bout half-past four.

I slip on my pants and sneak out the door—

Out in the yard I run like the chickens To milk all the cows and feed the chickens;

Clean out the barnyard, curry Rhoda and Jiggs,

Separate the cream and slop all the pigs.

Hustle two hours, then eat like a Turk—

By heck—I am ready for a full day's work.

Then I grease the wagon and put on the rack,

Then sling a jug of water in the old grain sack,

Hitch up the mules, slip down the lane,

Must get the hay in—looks like rain. Look over yonder, sure as I am born,

Cows on the rampage, hogs in the corn.

Start across the meadow, run a mile or two,

Heaving like I'm 'indbroken, get wet clean through.

Beck with the mules, then for recom-pense,

Rhoda gets astraddle the barb-wire fence.

Joins all aching, muscles in a jerk—Who! Fit as a fiddle for a full day's work.

Work all summer 'til winter is nigh, Then figure at the bank and heave a big sigh.

Worked all the year, didn't make a thing.

Less cash now than I had last Spring. Some folks say there ain't no hell—

Shucks! They never farmed, how can they tell?

When spring rolls round, I take an other chance—

As fuzz grows longer on my old gray pants.

Give my galluses a hitch, belt another jerk.

By Gosh, I am ready for a full year's work.

## FULLER

On Thursday evening, about sixty-five friends and neighbors gathered at the home of Mr. and Mrs. Fred McCauley to honor their youngest daughter with a miscellaneous show-er prior to her marriage to Mr. Richard Cranston, which took place on June 7th. The presents were varied, only in one case was there a duplicate, and ranging from a beautiful electric lamp, quilt, bedspread, silverware, glassware, towels and many other articles. The address was read by Miss Mabel Keen and Margaret thanked the donors in a few well-chosen words; also invited all to see her in her new home, which will be at Zion's Hill. Following is the address:

We are gathered here, dear Margaret, June the second, year thirty-two, To tender our best wishes and to rejoice with you.

No doubt you are feeling happy as the eventful day draws near. When you and Sir Richard, before the altar will appear.

You will meet new opportunities, that will demand your best. And will face responsibilities that will put you to the test.

Never doubt, or fear or falter, if the way seems very hard. God has promised He will strengthen, in His way you will regard.

We will miss you in Church and in the Sunday School—We will miss you from our W.M.S. and social functions too;

And we're glad that the miles are few so that oft we'll enjoy Your presence, the time, labour and efforts may employ.

So may we say in closing that for you we wish the best—May your days be filled with sunshine, like the rosy-tinted West.

Dear friend, we here have gathered, and these varied gifts we bring To convey to you our friendship 'ere you receive the wedding ring.

Signed on behalf of the Community—Mrs. Palmer, Helen Collins, Mabel Keen.

Mr. and Mrs. Albert Keen, Mr. and Mrs. Ritchie Keen and family, Mr. and Mrs. Wilbur Sherry spent Sunday at Mr. John Keen's.

Mr. and Mrs. Lorne Brough and family spent Sunday with Mr. and Mrs. Ben Brough in honour of Mrs. I. J. Brough's birthday.

Mr. and Mrs. Fred McCauley, Margaret and Lloyd spent Sunday with Mr. and Mrs. Sam Wickens, of Madoc.

Miss Mary Dean has returned home after spending a week with Miss Lois Twiddy, of Stockdale.

Mr. and Mrs. Frank Palmer entertained Mr. and Mrs. Frank Ashley and Mr. and Mrs. Albert Ashley one day recently.

**LOWER PRICES FOR WELL-KNOWN PRODUCTS**

Radical Reduction to Public Will Take Effect June 10

In keeping with the prevailing low price trend the President and Directors of Tip Top Tailors Limited today announce a change in the price of the well-known Tip Top suits and topcoats.

For the past two years the quality of Tip Top Clothing has steadily advanced. This higher quality has been made possible, first, by the quantity buying power of the company, and in the second place, by improved custom-tailoring features.

In this price reduction the Directors have determined rigorously to maintain the high standard of quality already achieved. Indeed, in effect, the lower price of Tip Top garments will bring to thousands of Canadians higher value than ever before.

Special showings have been arranged for all Tip Top Suits. F. N. McKee, local representative.

## OPPORTUNITY WEEK!

### 5000 ADDITIONAL VOTES Added

Good only to  
Sat., June 18

Here is a chance for the late starters to catch up on those candidates who started the first day. To SATURDAY, JUNE 18th, each year's subscription turned in will count 5,000 EXTRA VOTES

A 3-YEAR SUBSCRIPTION WOULD THUS COUNT 15,000 EXTRA VOTES

Remember these votes are over and above the regular vote schedule. This is positively the only time extra votes will be added in this way. So everybody get busy and turn in as many subscriptions as you can this coming week. They count most votes and most votes win.

## Now is the time to boost your favorite Contestant

Subscribers wishing to help their favorites are advised to do so now as the subscription votes count more than any time during the contest.

### Where to Work

Club members will not be restricted in any way as to the locality in which they may get subscriptions, and collecting arrears or advance payments from old subscribers earns credit as well as securing entirely new ones.

### One in Every Home

So there is a subscription waiting in every home, and distance does not prevent you from getting subscriptions from relatives or friends, no matter where they reside. Under our "district" plan the harder it is to get to the prospective subscriber the more credits you receive, so club members living in thinly populated districts have an equal opportunity to win the big prize.

Here is the opportunity to crystallize the dreams of a lifetime — to realize in a few short weeks what most people could not ordinarily HOPE to accomplish without years of striving, saving and sacrifice — and all in exchange for your spare-time effort. No matter how busy you are you have spare time enough to get in and win.

### RULES AND REGULATIONS

1. Any man, woman, or child is eligible to join the club, but the management reserves the right to reject objectionable entrants.
2. No employee of this newspaper, or member of an employee's immediate family, may become a member of the club. This does not apply to carrier boys, news dealers or correspondents.
3. This club is for individuals — not organizations.
4. Winners will be decided by their credits, said credits being represented by certificates issued for subscriptions.
5. Club members may work where they please, collecting for back subscriptions and renewals as well as new subscriptions, and credits will be issued on all.
6. Cash must accompany all orders where credits are desired. Each club member is an authorized agent for this newspaper and it is distinctly understood that each member will be responsible for money and remit amounts in full to the campaign department.
7. Credits are not transferrable. One member cannot withdraw in favor of another. Subscriptions cannot be transferred from one member to another, and any such transferred business will be subject to disqualification at the discretion of the campaign manager.
8. Credits may be held in reserve or pooled, at the discretion of the club member, up to and including the last day of the campaign; except at the discretion of the club manager.
9. In the event of a tie for any one of the prizes a prize identical in value will be awarded to each tying Club member. The prize will not be divided.
10. Any collusion on the part of club members to the detriment of other club members will not be tolerated. Any club member entering into or taking part in such combination will forfeit all right to either a prize or cash commission.
11. There will be several prizes awarded beside cash commissions to ACTIVE non-prize winners but is distinctly understood that ANY club member, failing to make a cash report at least once a week, shall be declared INACTIVE and he or she will be disqualified and forfeit all right to either a prize or cash commission. However, missed reports may be made up when the member desires to do so.
12. This newspaper reserves the right to add one or more awards to the list as published and to correct typographical errors that may occur in any of its announcements.
13. No statement or promise either written or verbal, made by anyone varying from the rules as set forth will be recognized. Any questions or controversies which may arise concerning the club will be settled by the campaign manager according to the rules and his decision will be final and conclusive.
14. In becoming a member or participating in this campaign club members agree to abide by the above conditions. The campaign manager reserves the right to offer Special Club Votes.

### Schedule of Votes for Subscriptions

1 YEAR	10,000 VOTES
2 YEARS	25,000 VOTES
3 YEARS	40,000 VOTES
4 YEARS	50,000 VOTES
5 YEARS	75,000 VOTES

DOUBLE THE ABOVE SCHEDULE FOR ALL NEW SUBSCRIPTIONS

A special Silver Certificate, good for 50,000 EXTRA Credits will be allowed for every \$15.00 in cash reported, and an additional Gold Certificate, good for 250,000 EXTRA Credits will be allowed for every \$10 Silver Certificate. No subscriptions will be accepted for more than 5 years in advance. Subscriptions must be turned into the Campaign Office once a week.

For Full Particulars of this Good-Will Subscription Campaign call or visit Campaign Headquarters. R. L. Williams, Manager, Phone 59

## West Hastings W. I. Hold Annual Convention

The annual convention of West Hastings District was held at Scott's Church, on Friday, June 3rd. The Uniondale branch entertained the district. The attendance was good, owing to the holiday. Mrs. Shaw, the District President, opened the meeting with the Opening Ode, followed by the Lord's Prayer in unison. The minutes of the last Annual meeting were read and approved.

The President's address followed. She spoke of the meetings of the executive held during the year and told of her visits among the other branches; also on exchange of visits among the branches. A discussion followed her address and upon a motion that carried an exchange of visits among the branches was arranged, and the drawing of tickets resulted as follows:

Chatterton visits Wallbridge. Uniondale visits River Valley. River Valley visits Uniondale. Wallbridge visits Bay of Quinte. Stirling visits Sidney Juniors. Sidney Juniors visit Stirling. Bay of Quinte visits Chatterton.

The minutes of the executive meeting were read by the secretary and explanations followed. The financial report of the District and District Branches combined report were read showing a balance on hand in the district of \$72.76 and \$440.09 among the branches and district.

The financial reports of the branches were then given. These were very encouraging. Each branch showed a very substantial cash balance to begin the year with. Miss Edith Hopkins, Field Assistant in the Uniondale branch, reported a balance of \$145.00.

their very kind words of welcome and very sumptuous dinner which they had served. She stressed the fact we live up to our Ode and not merely make it just a movement of our lips.

The auditor's report, and reports of the standing committees were then given. These showed that a great deal of good work had been done along the several lines of activity. Health was given by Mrs. C. Ketcheson. Home Economics, prepared by Mrs. Westover; Immigration and Agriculture, prepared by Mrs. E. Morrow; Education, prepared by Mrs. J. Sager; Community Activities, prepared by Mrs. R. McKeljohn; Canadian Industries, Mrs. B. Finkle; Legislation, by Mrs. L. Prest; Historical Research—Miss E. Ketcheson; Relief—Mrs. C. Holmes.

A discussion followed these reports and proved very interesting. It was decided to continue on with the same chairman of the standing committees, and in the same manner for the coming year.

The election of officers then took place, nominating and electing by ballot. The result was as follows:

Pres.—Mrs. A. Shaw, Stirling. Vice-Pres.—Miss E. Ketcheson, Belleville, R.R. 2.

2nd Vice-Pres.—Mrs. C. Holmes, Belleville, R.R. 2. Sec.—Mrs. Mary E. Vandervoort, Stirling, R.R. 4.

Fed. Representative to Belleville Convention—Mrs. A. Shaw. Auditors—Mrs. C. Chard, Mrs. N. Rosebush.

The formal election of District Directors then took place and upon motion these were accepted as read. Community singing was indulged in for a few minutes after which the children of the Standing Committees were returned for another term.

A letter was read from Mrs. Grace of Clumour, a former District President, expressing her regret at not being able to accept an invitation to the District Annual. She told how she had organized a new branch in the North and some of the work they are doing, which is very beneficial to the Northern District. She closed with wishes for continued success in our District.

Mrs. Lane, the first President of West Hastings District was then called upon to say a few words. She said she was president in 1900 and that they first organized at Centenary having meetings with the Farmers' Clubs, and joint meetings in the evenings. Real social and educational meetings were held.

Mrs. Garbutt, District President of East Hastings then brought greetings from her district. She gave a very interesting description of a grand mothers' day which was staged by the Quinte branch. Also telling of the good work they have done at the Shannonsville cemetery.

A vocal duet followed by Mrs. Jeffrey and Mrs. Case, Ketcheson, accompanied by Mrs. R. Ketcheson of the Bay of Quinte Branch, which was much enjoyed by all.

Mrs. Jim Bailey was the next speaker, bringing greetings from North Hastings District. She thought to be a real woman one must be an Institute member and worker, thinking that we should put aside all petty criticisms when attending a meeting. You are a real worker you learn to love the work the more you study it. She said if we undertook to do the work as set forth by the standing committees we would have about all there is on earth to do, as there is so much work to be accomplished. Health comes first, for if we have health we have about everything. She urged the delegation to start now to educate and plan for our grand children. She stressed the great value of the literature sent us and urged us to study the reports more fully. Work for our boys and girls

first before anything else.

A humorous reading was next given by Mrs. Jeffrey "St. Peter at the gate" this being a real treat.

Mr. Jos Wilson, Agricultural Representative for Hastings County, was the next speaker. He spoke of the great need of a cheese producers' association. He cited several instances where co-operation had improved conditions for the farmer, including the Fruit Growers' Association; also the Honey Producers' Association. He said Agriculture was the backbone of the country, and so is dairying the backbone of Agriculture. He referred to some of the good points brought out at the conference held in Ottawa a few weeks ago. A discussion followed this splendid address, several persons voicing their opinion of the need of a co-operative cheese association.

Mrs. Hammond, of the Stirling Branch then gave a talk on Horticulture. "How to have flowers from early Spring until fall, also during the winter" — stressing very urgently "Home Beautification". She gave the names of many different kinds of perennials to plant, and how and when to plant them; also several shrubs. She closed by reciting the well-known poem "Trees".

Miss Beatrice Jones, of Belleville then gave one of her very interesting talks. She referred to some of the points brought out by the previous speakers. She said "Let us use the talents God has given us for each one of us has a special duty that no one else can perform". She spoke of her trip through the European countries, and of the wonderful paintings there. She referred to the beautiful painting in the church where we were in, and the splendid lesson one could get from it, and urged us all to follow the example of the same. Be loyal to everyone and go through life with loyalty for it will help you. Always

lend your hearty support to all your officers.

This being the last address the meeting closed with a hearty vote of thanks to the Uniondale branch; also to all outsiders as well as members and others who helped to make the annual meeting a great success. The meeting closed with the National Anthem.

The next district Annual will be held at River Valley.

### HURT IN DYNAMITE BLAST

Tweed—With right eye destroyed, jaw fractured and face and upper parts of the body lacerated and torn by a delayed dynamite blast which he had a companion had been investigating. L. Henderson, together with a companion worker, H. Oien, who also suffered severe but not fatal injuries to face and body, now lie in the Kingston General Hospital as the aftermath of a dynamite explosion which occurred late Monday afternoon on the Forth-Actinolite highway, just a few miles north of the latter village. The men are said to be Swedish and have been employed for some time in the construction of the road through that district. Both men will be badly disfigured for life. According to witnesses of the accident the men had successfully set off a series of blasts in the rock a few moments before. One hole, which was charged, failed to explode with the rest of them and while an investigation was being made of it by the two men it ignited in some manner and exploded.

## General News of Interest

**James Barber**, of Belleville, was elected president of the Prince Edward County Conservative Association at the annual meeting of the organization. **L. A. Vansilver** was elected vice-president.

**Belleville**—Three prostrations were reported in one of the Belleville churches on Sunday morning when the first heat wave of the season unexpectedly struck this section of the province. Near prostrations were many.

**Belleville**—The starter on the Marmora bus became locked Monday morning about ten o'clock and the bus was stalled at the corner of Bridge and Front streets for a few minutes. The Tweed Motor Bus came to its assistance and hauled it to the garage, where the trouble was promptly rectified.

**Havelock**—While helping his father to fell a poplar tree on their farm property, **Concession Five**, **Asphodel**, Saturday morning, at 11:30, **Charles James McNulty**, youngest son of Mr. and Mrs. Patrick McNulty, aged 21 years, fell a distance of thirty-five feet, and received injuries from which he died ten hours later without having regained consciousness.

**Hamilton**—That a pedestrian on a highway has a right to as much room to walk as a motor car occupies on the roadway was the opinion voiced by Magistrate Vance in county police court on Monday morning. His comment was made during the trial of **Irwin Bowman**, Preston, whose car struck **Noel Foreman**, Galt, on May 14. Suspended sentence was granted.

**Marmora**—A meeting is being called for Friday evening, June 10th, to discuss the advisability of forming a local branch of the Canadian Legion. Out of the surplus funds of the old G.W.V.A. furniture has been recently purchased for the Veterans' room in the Memorial Hall and the ex-service men are now hoping for good success to accrue from Friday's meeting.

**Bancroft**—Fire of unknown origin completely destroyed the home of Mrs. R. Creighton, of Bancroft. The fire started downstairs and finding it impossible to escape by way of the stairs, Mrs. Creighton threw a mattress through the window, then lowered a small child onto this and made her escape in the same manner. The loss is partially covered by insurance.

**Belleville**—While driving his car on the Cannifton Road, **Clarence F. Embury** struck **Howard Walsh**, who was riding a bicycle, knocking him to the ground. Walsh, aged 11, was badly bruised and cut about the face. The local police found that the brakes on Embury's car were very ineffective, and he appeared before Magistrate Mikel, pleading guilty to

driving a car with defective brakes, causing bodily harm, and criminal negligence. The case was adjourned.

**Anson**—The many friends in this district of Mr. Kenneth Godden of the Public School Staff, Toronto, will be glad to note that his School Orchestra won second place in all the schools of Toronto. Kenneth resided for several years near Anson and was always musical, having been successful in passing several music examinations under the supervision of Miss Hume, Stirling.

**Hancroft**—Charged under section 9, regulation 6 of the Forest Fire Prevention Act of 1930, **Stanley Cowley**, of Toronto and **Baptiste Lake**, appeared before Magistrate W. E. Wiggins, of Bancroft on June 1st, and pleaded guilty to the charge. He was fined \$25.00 and costs. Negligence and carelessness in choosing a suitable place for a camp fire caused a blaze which burned twelve acres on the shore of **Baptiste Lake** in North Hastings. The fire was extinguished.

**Madoc**, June 8—**Rev. G. W. Rivers, B.A., B.D.**, is suffering from a very serious accident, in which he has sustained severe injuries to his hand, as two fingers are broken and another dislocated. He was returning from conference at **Lindsay** on Saturday and while making a detour near **Norwood**, had a head-on collision, taking to the bank rather than meet the on-coming car, head on. His car was overturned, with the result of injuries and shock. Mr. Wm. McMechan who accompanied him was not seriously hurt. After receiving medical aid, word was sent to **Madoc** friends who went to his relief. The car had to be left as it was badly damaged.

**Walter Boyce**, 25, and **John Moore**, 18, two **Hungerford** Township youths have confessed to the robbery of a quantity of goods some two weeks ago from **Coulter's** store at **Crookston**. The arrests were made by **Portugal Constable Hill**, of **Madoc**, and **Constable Moon**, of **Tweed**. Moore was the first one arrested and he is alleged to have implicated Boyce. The latter was also caught with a quantity of "moonshine". The stolen goods were found cached on **Concession 6** of **Hungerford** in the woods. The pair appeared today before Magistrate Casement, of **Madoc**, at Belleville, having been previously remanded. The booty included sox, overalls and boots. The men gained admittance to the premises by removing the strapping on a rear window. Both men appeared before Magistrate Casement in the county police court on Monday morning. The two youths, charged, pleaded guilty to a charge of consuming liquor in an illegal place, breaking and entering the residence of **Grant Coulter**, **Hungerford** and **H. Adam's** garage, **Hungerford**, and stealing various articles, goods, and wearing apparel. In the case of Boyce His Worship meted out a sentence of two years in the **Kingston Penitentiary** on the **Coulter** break-in, one year, to run concurrently with the former sentence on the **Fargoy** charge and six months to run consecutive with the other two on the **Adams** account, making two and one half years in all that Boyce was sentenced to serve. Due to the fact that Moore had helped the police and the court considerably in their endeavors to clear up the various break-ins, which have been so prevalent in the **Tweed** district of late, the court decided to act somewhat leniently with the boy and meted out a three months' sentence on each of the charges, each to run concurrently with the other.

## Reduce the Acid

SICK stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated.

Too much acid makes the stomach and intestines sour. Alkali kills acid instantly. The best form is Phillips' Milk of Magnesia, because one harmless dose neutralizes many times its volume in acid. For 50 years the standard with physicians everywhere.

Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go, prove this for your own sake. It may save a great many disagreeable hours.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians in correcting excess acids.

### CARMEL

Mr. and Mrs. A. Tanner and family of Actinolite were Sunday visitors of Mr. and Mrs. A. Brooks. Mr. W. Davidson Millbrook, Mrs. E. Davidson, Tyndinaga and Mr. and Mrs. C. LaFontaine, Tweed spent Monday with Mr. and Mrs. A. Brown.

Mrs. Jarvis of Frankford visited her daughter, Mrs. L. Brooks for several days. On Friday evening the friends and neighbors gathered at the home of Mr. Hagerman to present Miss Lela with a miscellaneous shower prior to her marriage. About nine o'clock Mr. E. Pyear, in the capacity of chairman, called the gathering to order. Mrs. H. Hubel and Mrs. A. Brooks gave readings and Mr. H. Brown, cornet solo, after which Miss Louise Farrell read an address and the numerous gifts were presented. Lela and Charlie gave suitable replies, thanking the friends and inviting them to their future home. Community singing followed the gathering. A lunch was served and after a social hour the crowd dispersed to their several homes, wishing Lela and Charlie a long and prosperous wedded life.

Miss Mildred Broadworth attended the shower of Miss Lela Hagerman and visited at the home of Mr. Wm. Carlisle.

### L. A. Celebrates 20th Anniversary

Yesterday was a red letter day for the ladies when they celebrated the twentieth anniversary of the organization of the Ladies' Aid. Visiting Societies were present from Hoards, River Valley and Stirling to the number of over one hundred members. At 2 o'clock the meeting was called to order and opened by the president, Mrs. Ashley Brooks, with hymn "There's work to go for Jesus", after which Rev. McTavish led in prayer. Psalm 30, reading by Mrs. H. Hubel. Rev. E. W. Rowland acting as chairman, called on Mrs. Ashley Brooks to read the address of welcome to the visitors, which was very ably responded to by Mrs. Rev. C. W. Barrett, of Brighton. Mrs. H. Hubel gave a reading entitled "I love the Ladies' Aid", telling in humorous style the numerous accomplishments of our society in the past. She composed it herself. A chorus was rendered by the members "We never brought greetings from Hoards, A reading was given by Mrs. C. Lansing, "A Child's Prayer". Mrs. Rowland and Mrs. A. Pyear played "The Flower Song", a piano duet. Mrs. Roy Bush gave a paper on "Friendship", taking as her text, "The House by the side of the road." Rev. C. W. Bar-

rett was called on for a few remarks in the defence of the men present, as the ladies so far had been in the limelight, but Mr. Barrett feared all the things said had been so true that he was not in a position to do anything but accept the inevitable. Readings were given by Mrs. R. Williams and Mrs. C. Heagle, of Hoards, after which Mrs. (Dr.) Pedley, of Stirling, sang in good voice "In an old-fashioned town", accompanied by Mrs. Rowland. In sympathy with the men present Mrs. Ernest Munro read "Uncle Josh's opinion of the women". After a few remarks by Rev. McTavish the program closed with "Blest be the tie that binds", and the benediction, by Rev. Barrett. The guests repaired to the dining hall, where a bountiful tea was in waiting. Each of the present members of our association donated a silver knife, fork, or spoon in commemoration of the occasion. Collection amounted to over \$20. The following is a literary sketch prepared by a local poet and read by Miss Louise Farrell on the program:

### The History of Carmel Ladies' Aid

(Composed by Henry Farrell)

Perhaps to do this right  
We should start with Rev. Wright,  
For he it was who fathered this good cause.

In the Spring of nineteen-twelve  
He began to dig and delve,  
And framed up all your code of work-ing laws.

Then to make it bold and bubble  
You met with Mrs. Hubble,  
Appointed Mrs. Richard Pyear as president.

Mrs. Peter kept the books,  
Bertha after money looks—  
Then all went home quite happy and content.

The next to make it spin, sir,  
Was Mrs. Bidwell Windsor.  
The next to fall in line was Mrs. Hoards;

The next one in this file  
Was Mrs. Bill Carlisle.  
Then all worked bravely on with one accord.

Then working like a beaver,  
Came Mrs. Lyman Weaver—  
Her workings for the cause would fill a barrel—

With her work and with her jest  
She inspired all the rest,  
And following in her trail came Mrs. Farrell.

Edna Weaver was the next  
To lead them in the text;  
Iva Pyear was present the following year—

Then trading with stately measure  
Came Mrs. Major Fraser—  
Little Brooks gets honorable mention right in here.

Now for the present form,  
If you listen you will learn  
Mabel Brooks is now the one called president.

Mrs. Hubble, now first Vice—  
Mrs. Holden, second choice,  
Maudama Pyear and Hoard with books are quite content.

And now then, just for fun,  
Let us size up what they've done  
And find their mission here upon the earth.

For if they have no cause  
Or do not help our laws,  
They may as well be home beside the hearth.

Well, first if there is grief  
They rush there with relief,  
And do their best the saddened heart to cheer.

For if there is no woe  
That is where they're sure to go—  
They smooth the path and make the way seem clear.

Now if the men seem slow  
In the raising of the dough  
"Look comes the Ladies' Aid in one wild rush—"

They to the cause give heed,  
And meet the urgent need  
And mortal man sits back and murmurs "Hush."

They helped to build the shed  
Then hopped in to paint it red,  
They bought our lights and carpet for the floor.

Choir chairs were then procured,  
Fishes also bought and stored—  
They pay sixty dollars cash, and often more.

Then at the present date  
The church they decorate,  
They paper, paint and chase away the dust—

They never do get tired doing—  
"Till the dirt has all been fired—  
They won't allow a single thing to rust."

And now before we close,  
Let us stand upon our toes,  
And to the Ladies' Aid give three glad cheers.

For many a time in life  
They've helped us in the strife,  
And many a time they've wiped away our tears.

We are sorry to hear of the serious illness of Miss Marjorie Sarles.

The June meeting of the River Valley Study Group of the W.M.S. will be held at the home of Mrs. Alex Carr on Thursday, June 2nd.

Mr. and Mrs. Roy Bush and children spent Sunday at the home of her mother, Mrs. Sarah Rosebush.

### WELLMANS

Mr. and Mrs. Frank Johnston and family, of Frankford were guests of Mr. and Mrs. T. W. Snarr on Sunday afternoon.

Mr. Jack Sharpe had the misfortune to fall from a ladder and injure his leg on Sunday evening at the home of Mr. Mowat Sine.

Mr. Merle Todd of Toronto spent the holiday and week-end at the home of his parents, Mr. and Mrs. E. Todd.

Mr. and Mrs. Arthur McAdam and Blake, of Toronto, were guests of Mr. John and Miss Emma Rainnie on Sunday.

Mr. Orno Sharpe of Mount Pleasant visited Mr. and Mrs. Will Johnston on Sunday.

Mr. and Mrs. Frank Dracup and family, of Peterboro spent Sunday with friends here.

Miss G. Dayman spent the holiday and week-end at her home near Colborne.

Master Burton Sharpe visited his grandparents, Mr. and Mrs. T. W. Snarr recently.

Miss Vera Watson, of Stirling, spent the week-end at her home here.

Mr. Percy Coutts, of Toronto, visited friends here recently.

### SPRINGBROOK

Mr. Dan Trumbell, of Belleville, and Mr. and Mrs. Will Kemp, of Spry's Settlement were guests of Mr. and Mrs. Jeremiah Wilson on Sunday.

Mr. and Mrs. Earl Scrimshaw and baby, of Stirling, spent Sunday at the home of Mrs. Mabel Andrews.

The teachers of Stirling Township Teachers' Association held their monthly meeting at the home of Miss Helen Bateman on Friday evening.

last. There were thirteen teachers present.

The trustees of S. S. No. 20 met last Friday night and arranged Miss Helen Chubb and Miss Jeanne Robinson again for another year.

Mrs. Norman Ray spent Wednesday in Stirling.

Hoards softball team paid a return visit to Springbrook on Monday evening. It was rather an exciting game.

Due to the careless throwing and the poor fielding of our boys, the visitors had 8 runs at the end of the second inning, while the locals had but 3.

But the boys tightened down and the final score was 18-16 in favour of Springbrook. Ritchie Mason made the first home run for the locals, although they all batted well.

Murphy Menon was rather injured in playing due to a hurt sustained in Hoards the week before. The visitors, however were exceptionally good at bat, and though their fielding was rather poor, they gave Springbrook a good run for the game. This win gave the locals 3 wins and 1 loss.

### WEST HUNTINGDON

Jack Frost paid us a slight visit on Tuesday evening. A rain would be much appreciated at present.

About thirty of our people attended the funeral of the late John Adams, of Thompsons, on Saturday.

Mr. Adams was well known here, having lived in this vicinity for over 80 years, on the farm now occupied by Mr. Jas. McGowan. The Orangemen of No. 300 had charge of the service at the graveside, as the deceased was an honorary member of the Lodge.

Mr. and Mrs. Sandy McCurdy and Mr. and Mrs. Harry Thompson and Mrs. Richard Haggerty attended the funeral of Mrs. Sale Clarke, of Morganston on Monday. Mrs. Sale Clarke was formerly Mrs. Gordon McCurdy.

The softball games are becoming more exciting as the games are played. Ivanhoe met her Waterloo on Tuesday evening when West Huntingdon trimmed that team 4-1-1. The league standing will be found elsewhere in this issue.

Miss Mildred Maynes, of Anson, was in town recently in the interests of the News-Argus contest.

Mr. and Mrs. Arthur Dunn and two boys, of Kendall were week-end visitors of Messrs Foster and Lorne Wilson. Mrs. Minnie Wilson accompanied them home.

A surprise was given us on Saturday when it was learned that Rev. W. H. Truscott is being transferred from this circuit to a circuit near Kingston. Rev. and Mrs. Truscott have been with us for seven years and we have learned to admire them very much and now that they are leaving a great number are beginning to sigh and wish they could have stayed a little longer. Our new minister is to be a Rev. C. A. Sales from Renfrew Township.

Mr. Wm. Bray had charge of the services in United Church on Sunday morning, and Arthur Wilson at Moira on Sunday evening.

Mr. George McCurdy was seriously ill last week, suffering from a severe attack of flu. Mr. Norman McGowan has been taking treatments from Dr. Ward, of Foxboro.

A large number of ladies attended the W. I. convention at Ivanhoe on Wednesday.

Mr. Thomas Emerson is making extensive repairs on his gravel mill. A steam shovel was unloaded at our station for work on the highway here.

Mrs. Ed. Pitman is visiting friends at Campbellford.

### MOUNT PLEASANT

#### Y. P. S.

Mr. Willie Jeffs opened Y.P.S. on Friday evening and after a hymn and prayer Mr. Elgie Joblin gave a brief and pointed devotional talk on the text found in the first part of the seventh chapter of Numbers, "But unto the sons of Kadesh shall be none, because of the service of the sanctuary, belonging unto them was that they should bear upon their shoulders the Altar of God." So in life we find some things which must be carried on the shoulders of people and each individual must face his own responsibility.

Mr. John Coggin then presided. "The light of the world is Jesus," and Mr. Clifford Holmes read the scripture found in St. John and Ephesians. Miss Marguerite White rendered a pleasing solo "Angry words, oh, let them never." Mr. David Bell gave a splendid outline, dealing with the subject "What does it mean to be a Christian?"

It was a very interesting and instructive hour and it behooves each one to make the very best use of every moment as it comes. The pastor then led in a helpful and interesting discussion, stressing Paul's influence to the world. Mr. Percy Melville sang a pleasing solo "Jesus is passing this way." Mrs. Percy MacMullen recited one of Edgar Guest's poems. A contest on flowers closed this helpful meeting. Next Friday evening the program will be in charge of Miss Olive McConnell.

On Sunday afternoon the pastor discoursed on the text "Blessed are they which are persecuted for righteousness sake: for theirs is the kingdom of Heaven" and the choir rendered an anthem "Without Thee, Saviour."

We received in the mail last week a copy of "The story of the year" which is a very fascinating write-up by Elsie Jamieson Day and Janet T. MacGillivray, giving an outline of the W.M.S. work since union, when the inaugural ceremony in Bloor St. United church took place in the autumn of 1925. We now have from coast to coast—Auxiliaries and associate societies, 2,883; membership, 81,199; Young Women's Auxiliaries, 267; membership, 8,950; Mission Circles, 4,45; membership, 8,129; Mission Bands, 1,784; membership, 43,754; Baby Bands, 430; membership, 9,625; Affiliated C. G. I. T. groups, 880; membership, 9,460; Associate Helpers, 16,384. There is surely a vast working force for missions. This little book outlines foreign and home work, of the various fields and is well worth the price of fifteen cents.

God's Angel, Faith, has come to me.

Theodora Horton  
Mrs. C. U. Clancy was a welcome visitor to Mount Pleasant on Sunday afternoon.

Mr. and Mrs. Blake Sharp and family were Sunday guests of Mr. and Mrs. J. B. Hagerman, Minto.

Mr. and Mrs. J. Douglas and Clarence of Fuller and Mr. and Mrs. Donald Sharp and baby, and Mr. Harold White enjoyed a fishing expedition at the Rapids on June 3rd.

We extend heartfelt congratulations to Miss Mildred Maynes and Mr. T. C. McConnell as they were fortunate in winning the two special prizes last Saturday evening.

Mr. and Mrs. Edgar McKeown and Mr. and Mrs. Thomas Andrews attended the graduation exercises at Nicholas Hospital, Peterborough, on Monday evening, June 6th, when Miss Emma Andrews received her diploma as a full-fledged nurse. Emma received her preliminary education at Stirling High School and her friends will be pleased to hear of her success.

Mr. Percy Coutts, of Toronto, spent the week-end with Mr. and Mrs. Geo. Maybee and other friends. Percy visited our burg via motor cycle.

Miss Betty Locke spent the holiday with her sister, Roberta, in Stirling.

Mrs. Stewart Brady and Margery were week-end guests of her parents, Mr. and Mrs. Wm. McMullen, Harcld.

We especially thank our friends at St. Eugene for their timely assistance last Saturday. It sure was appreciated.

Miss Frances McKeown visited at the home of Mr. and Mrs. Will Morrow, Peterborough on Monday evening.

We were delighted to receive a lovely long letter from "grandma, of Madoc Junction", who is now residing at Yarker. She gave us a vivid picture of her location and we were pleased to know that she was finding her new surroundings very congenial. She tells us she expects to be very busy settling in her new home this week, also that she can easily spare an extra room or two to anyone wishing to live in Yarker. We quote this paragraph from her letter, "Now if ever you and Sir Isaac, and the office boys and our beloved Editor ever think of making us a visit, don't worry that there will not be room for all of you." So folks, let's hike down some day after Grandma gets settled and pay her a visit; also some time in the future we shall be expecting to receive a message from her pen as we know her fingers are itching to write news when Monday evening arrives.

Mrs. Dick Post spent a few days last week with her sister, Mrs. B. Sharpe.

We welcome the new Madoc Junction scribe to our columns. We are glad to know someone is carrying on the work which grandma has faithfully presided over for so many years.

A large number of local Orangemen attended a special meeting at the lodgeroom, Wellmans, last Wednesday evening and plans were laid for the celebration of the Battle of the Boyne on July 12th at Wellmans. So folks, plan early to spend the day helping L.O.L. 172 celebrate.

A friend tells us that we missed a wonderful treat last Friday evening by not attending the Rural School Musical Festival, at Springbrook.

The youngsters excelled themselves and their music teacher, Mrs. Blanche Alexander, A.T.C.M., is certainly to be congratulated on her successful training. Unfortunately the schools need have not yet linked up with this department.

Mr. and Mrs. Thomas Andrews spent a couple of days at Deilor and attended the funeral of Mrs. Andrews' father, Mr. James Liddle, on Sunday.

The regular meeting of the W.M.S. has been postponed and will be held at the church on Thursday, June 16, at 2 p.m. The program is being prepared by Mrs. Thomas McKeown.

Mrs. Frank Smith was very pleasantly surprised on the evening of June 5th, the occasion of her birthday, when a number of her friends casually called, bringing several lovely gifts and a delicious lunch. The guests were Mr. and Mrs. Sanford Hubble and Mr. and Mrs. Lawrence Hubble, Belleville; Mr. and Mrs. Barton Hinchcliffe and Miss June, of Wallbridge; Mr. and Mrs. Vernon Curry, White Lake, Mr. and Mrs. Pat Lough, Foxboro, and Mr. and Mrs. Geo. Weaver. We also extend our birthday greetings and wish Mrs. Smith many more happy ones in the future.

Mrs. Frank Potts is in Ottawa visiting at the home of her daughter, Mrs. S. C. Craig.

The funeral of the late Mr. John Broad is being held at the home of Mrs. John Holmes on Thursday (today) at 1:30 p.m., with Rev. Joblin officiating. The interment will take place at Cooper.

The regular meeting of the W.M.S. has been postponed and will be held at the church on Thursday, June 16, at 2 p.m. The program is being prepared by Mrs. Thomas McKeown.

## WATERWORKS STARTED

At last work has commenced on the permanent waterworks project. On Tuesday morning twenty-two men started work on the trenches for the eight-inch line from the Presbyterian Church to the tank on the hill on Jas. Fitzpatrick's property, adjoining the cemetery, purchased by the Council for the same. The trenches are four feet eight inches deep and about three hundred feet was completed the first day. One thousand feet were completed last night. Yesterday morning and additional thirty-five men were taken on, making a total of fifty-eight men employed. It is expected that at least fifty men will be working throughout the installation. This will greatly aid the unemployment situation in the community as practically all the workmen reside in the district. Mr. Wallace Bradley, of the Roulley Construction Company is in charge of the work, with Engineer Fleming and F. A. Sprenkle looking after the interests of the corporation. The first pipe was laid yesterday morning and it is expected that the entire pipe in the area will be installed in ten to twelve weeks.

The Council will in the near future make arrangements for extensions to be made. Any resident outside the summer area, who desires the permanent waterworks, is requested to make same known to the Council at once, and thus eliminate delay or time of canvassing by Council. The work will prove a great boon to the village as practically all the money for the pipe-laying, etc., will go to labourers of the community—thus there will be more buying power. The laying of the six-inch main will be commenced as soon as the eight-inch is completed. Work on the foundation and tank will commence within the next couple of weeks.

## RAIN NEEDED

The general crop situation in Hastings County is satisfactory. Mr. J. Wilson, Provincial Agricultural Representative to be very favorable, with Spring and Fall wheat promising high yields. Although June's combination of heat and wind has absorbed all the surface moisture, and the seed planted this Spring is struggling against a light earth crust that requires rain at once to saturate the ground. Mr. Wilson remarked upon the need of rain which is felt by farmers, particularly in the central section of the County.

## ODDFELLOWS IN TORONTO

Past Chief Patriarchs Elgin Jackman and W. H. Patterson, of Stirling Encampment; P. G. J. M. Magee, of the Subordinate Lodge, Sisters Mrs. Thos. Spry and Mrs. E. G. Bailey, of Laurel Tebekah Lodge, are attending the Oddfellows' Convention being held in the Royal York Hotel, Toronto, this week. Mrs. Geo. Megginson and Mrs. Maj. Fraser are also in attendance.

**GLEN ROSS 18 - STIRLING 7**  
Well, the local softball outfit kinda got a slap on the muzzle on Tuesday evening when the Glen Rossers dropped in for a friendly visit and gathered up 18 runs while the other guys were waiting for theirs to grow. The team which has been leading the league didn't look so hot when they threw away a game that might have been stuffed into their own jeans if they had just played ball, instead of letting the squad from the canal town make them look dizzy with nice, snappy double plays, timely hits and good fielding. Rickman, on the mound for Stirling, was suffering from a finger which was in bad shape, and was in anything but his usual good form. Charley Smith, on the hill for the visitors, was in top form and the opposing batters didn't get any more than half a dozen hits out of the infield. The main factor in the loss for the home team was overconfidence and overthrowing. If a runner wanted to steal home from third base all that was necessary was to make a move in that direction and the ball would be forwarded to the catcher in such a manner that if he had been sitting in a Manitoba Maple he wouldn't have been quite high enough to stop it. Oh, well—there's always one after the last one, and it's a great thing for a team's own benefit, if they can just realize that even a squad that wins three in a row aren't too good to be taken down a notch at some time or other.

The line-ups were:  
Stirling—Hullin, c; Rickman, p; P. Gibson, 1b; G. Bailey, 2b; E. Cain, 3b; Tulloch, rf; Potts, cf; Ward, lf.  
Glen Ross—K. Holmes, c; C. Smith, p; C. Holmes, 1b; O. Fraser, 2b; K. Wickens, 3b; H. Brooks, f; A. Fraser, cf; G. Carlisle, lf.

## FRACTURED WRIST

A large plate glass in the 50 to 51 store was broken from some unknown cause, although it is thought a stone smashed it, a week ago. The glass was insured and has been replaced by a new one.

## PUPILS WILL EXHIBIT

A Manual Training and Household Science exhibit of work of the Stirling Public School pupils will be on display next Monday evening, June 20th, from 7.30 p.m. to 9.30 p.m. in the Public School, to which the public and all interested are invited. Admission is free.

## FRACTURES WRIST

Mr. Alton Hadley, son of Mr. and Mrs. Herb Hadley, had the misfortune to fracture his wrist on Saturday. He was about to crank a truck when it backed-fired, with the above results. "Bunc" as he is popularly known, had the ill luck to fracture his nose while cranking an orchard sprayer a few weeks ago.

## LEAVE DAM ALONE!

A report was made to the News-Argus this morning that someone was tampering with the logs at the pond dam. The only person permitted to move logs or do any alteration at the dam is Mr. Clifford Baker, and any other citizen caught tampering in any way with the dam will be penalized by the Council.

## AN OLD COIN

Mr. Neil Andrews, who resides in the Craig House, Mill Street, east, found an old coin, while digging in his garden recently. The coin was dated 1812, and had the picture of one of the generals, it looked like Brock, although the face is worn, on one side, and the scales of justice, maiden of peace, and other insignia on the other. No doubt this piece of currency would be considered valuable to old coin collectors.

## DEER SOUTH OF HERE

Mr. Wm. Simpson informed the News-Argus on Monday morning that he had seen a deer near Boardman's hill early that morning, when returning from a fishing expedition. It is unusual to find deer in the county and so far south in the county and apparently the countenance of the writer displayed doubt when the information was being related, but Mr. Simpson assured us that he could prove his statement. The deer was young and it became so frightened it could not navigate the fence a la jump, for which a deer is noted. It probably strayed away from its primitive home in the north, or perhaps it was accompanied by its mother. A report has also been made that deer have been sighted in Holloway district. Too bad hunters, but the deer season is closed!

## AN OLD NOTE FORM

The News-Argus has a copy of a note form issued by the Township of Rawdon in April 1865 which is owned by Mr. Leonard Sharp. In that year times were so hard and money so scarce in the Spring that the Township bought or supplied the farmers with grain, taking a promissory note for the same. The note fell due in the fall, when the taxes were due, and after the harvest. The note is well preserved, and the wording is as follows:

Rawdon ..... April, 1865  
Received from the Municipality of the Township of Rawdon ..... Bushels of Wheat, at .....; Bushels of Peas, at .....; Bushels of Barley at .....; amount of which ..... promise to pay the Reeve of said Municipality on or before the ..... day of ..... next, or in default to be collected as taxes by the Tax Collector, with costs and interest due after maturity.

N. HANNAH SURVIVES  
2,000 VOLTS

Mr. Nelson Hannah, son-in-law of Mr. Thomas Cranston, Stirling, received 2,000 volts of electricity through his body on Tuesday afternoon about four o'clock. Mr. Hannah, considered a valued employee of the Hydro for several years, was doing some line work with other workmen on the Madoc highway when the Hydro crew was working north on the road erecting some new poles and installing the ground letting out the guy wire, which was to be fastened to a Hydro pole to keep it in place, when the wire came in contact with one of the high tension wires which carried 2,000 volts. Immediately Hannah was knocked to the ground, but managed to get up and staggered away. His fellow workmen administered first aid, and the injured man was first taken to Belleville hospital. It is reported that serious scars or burns would result from the mishap which was purely accidental.

Mr. Jos. Whitehead is one of the pool jurors at the assizes being held at Belleville this week.

HERE IS OUR FINAL WORD TO CANDIDATES  
AND SUBSCRIBERS

After four weeks' strenuous campaigning and good weather, the News-Argus great Subscription Drive comes to a close on Saturday, June 25th, at 10 p.m. The last week has been the most exciting of the entire contest, again proving that time coupled with energy and perseverance brings results in almost all walks of life, but especially so in a Contest such as has been conducted by the News-Argus in the past few weeks. Now the only thing that remains unknown is just how the big prizes will be awarded to the candidates at the close of the contest on Saturday, June 25th at 10 p.m.

As the closing hour approaches, we would ask special consideration for the Candidates on the part of those who have not yet responded to their solicitations, in order that on Saturday, June 25th there will be no regrets and all may feel sure they have had their part in a successful undertaking. Don't let it occur that your favorite candidate fails in securing one of the big prizes through any neglect on your part. Send in another year's subscription, whether it be new or renewal. Now is the time. The race is close. The time is short. Your subscription may be the deciding one to put her in first place. The count of votes will be made immediately after the closing hour, at 10 p.m. on June 25th, and all are invited to be present.

## A BEAUTIFUL BOUQUET

On Friday morning the News-Argus was presented with a beautiful bouquet (branch) of yellow roses. The branch had been clipped from a bush on the farm of Mr. and Mrs. Alvan Bailey, Mount Pleasant. It was about a foot long and there was a cluster of about ten blooms with as many buds.

## THE CANADIAN LEGION

The regular meeting of the Stirling Branch of the Canadian Legion was held in the club rooms with twenty members present. The meeting opened in the regular way by observing two minutes' silence in memory of the fallen comrades. The regular routine of business was then carried on. There were eight new applications read for membership which were accepted, bringing the total up to forty-eight members. There were also several letters read concerning pensions and relief; also a letter from the Provincial President, re the organizing of a new branch in Marmora. The letter in part is as follows:

Mr. E. J. Dainard,  
Pres. Bch. No. 228, Can. Legion,  
Stirling, Ontario.

My most hearty thanks to you for your splendid work in organizing the new branch in Marmora. We have been trying to organize a branch there for some time and I think that it is a source of credit to you, as a new branch yourself, to have finally brought this into being. Will you please extend to the other members of your branch who helped you in connection with the formation of this branch my most hearty appreciation of their splendid action. Thanking you once again for your splendid work. I hope that this will be only the first of many new branches which you will succeed in establishing.

Yours sincerely,  
F. J. PICKING,  
President, Ontario Command  
It was decided that there would be only one meeting each month during July and August, the last Monday of each month being decided on as the meeting night. It was also decided that the Branch would go to Marmora again on the 30th inst. and install the officers of the Marmora Branch. The meeting was brought to a close by the National Anthem. After this games were played.

On Friday evening of last week a small detachment of the local Legion went to Marmora and assisted in the organizing of a branch of the Legion in Marmora, and report a favorable turnout of returned men from the district.

On Monday evening, June 20, the Stirling Branch is going to Marmora again to install the officers of the new branch. All the local members possible are invited to attend.

## WON PROFICIENCY PRIZE

Prizes for first year proficiency in banding have been won by Miss Jean Preston, of Harold; a former Stirling H. S. student and Miss Ellen Montgomery, of Colborne, both nurses-in-training in Nicholls Hospital, Peterboro. The presentation was made at the graduation exercises of the hospital held on June 6th.

## JOIN TENNIS CLUB NOW

The tennis courts at the High School campus are becoming more and more popular and many new members have been enrolled during the last week. The equipment for both courts is now in place and the grounds are gradually being levelled and filled until the surface is in good shape for playing. Now is the time to join the club and get acquainted with one of the fastest and best pastimes in existence. The following are the rules and regulations of the Club:

Fees: \$1.50 per year, paid in advance, with a probable assessment of 50 cents.

2. Outsiders: 25c an hour for one court; 25c an hour for rackets and tennis balls.

3. Guests playing with members pay half fee.

4. Stirling High School pupils to pay half fee in advance, per year.

5. Literary Society provides rackets: 25c a year for students; 50c a year for club members.

6. Anyone misusing any property of the Club will be under penalty, with probable forfeit of the right to play.

7. Caretaker has full charge with respect to fulfillment of Rules and Regulations.

8. User is responsible for rackets and balls.

9. During school term, Stirling High School Literary Society have the courts exclusively from 8 a.m. to 9 a.m.; 12 noon to 1.30 p.m., and from 4 p.m. to 6 p.m. during which time other members will be allowed to use the courts if the courts are unoccupied. BEFORE 8 a.m. and from 9 a.m. to 12 noon and from 1.30 p.m. to 4 p.m. other members may play with the usual rights.

10. During school hours members are expected to enter the courts from the East side of the school and to conduct themselves so as not to disturb the classes.

11. Members are allowed ONLY ONE SET if other members are waiting.

12. Non-members will be allowed to use the courts from 9 a.m. to 6 p.m. provided that they agree to take their turn with members. After 6 p.m. non-members are allowed to play ONLY if the courts are empty.

13. These rules and Regulations are subject to change, giving notice in advance at a meeting of the club.

## IS COUNTY CONSTABLE

Constable Harry Wickett received word from Crown Attorney B. C. Donnan, this morning, that he had been appointed a County Constable. He will take the oath of office at once.

## MOVE TO KINGSTON FARM

Mr. Angus Farrell, one of Rawdon's prominent farmers, who purchased the Fred Kingston farm, Hunt-Ingdon, recently, moved to that farm from his old farm in Rawdon on Saturday, where he will reside. Mr. Farrell will operate both farms.

## DOGS PROHIBITED

Mr. Thos. W. Solmes and Reeve W. C. W. attended a meeting of the Game and Fishes Dept. of Ontario, held in Belleville last night. The question of dogs used in deer hunting came up and it was emphatically stated that dogs were prohibited this year. The Department claimed that the preservation of the deer. Hunt-ers' chasers of footed animals claim it will make little difference. However "no dogs" is now law.

## BOWLING NEWS

On Wednesday, last week four rinks opened the season by bowling for the first time this year. Those playing were: Mrs. J. Butler, Mrs. W. Whitty, Mrs. C. Beacock, Mrs. R. Melkijohn, Mrs. E. Munro, Mrs. W. Wright, Mrs. R. Carleton, Mrs. J. S. Morton, W. Whitty, Dr. Carleton, Dr. Pedley, T. Solmes and J. O'Donnell. A lunch was served at the close of the game.

Two rinks of local bowlers journeyed to Belleville on Friday night and played two friendly games with the city's chasers that night. The rink composed of J. C. Butler, A. Hayworth, J. S. Morton and W. J. Whitty, skip, won the first game by 7 and lost the second by 1. The rink composed of Dr. E. A. Carleton, J. C. Beacock, C. R. Bastedo and Walter Wright skip, lost both games, the first by 3 and the second by two.

## CENTRE LEAGUE

Keen interest is being displayed in the Centre Sports League. In the games played on Tuesday night the scores were somewhat one-sided, but did not indicate the play.

West Huntingdon 32 - Evergreen 9  
Evergreen played at West Huntingdon, the latter winning by a score of 32 to 9. The game was clean and fast and a good crowd witnessed the contest. The line-ups were as follows:

Evergreen—C. A. James; p. A. Rogers; 1st, B. Stapley; 2nd, John Farrey; 3rd, D. Rogers; lf, C. Jamieson; ss, K. Stapley; cf, Jas. Mitts; rf, C. McGee.

W. Huntingdon—ss, E. Murray; 1b, L. Fraser; p, M. Wright; 3b, C. Wright; lf, John Kingston; cf, L. Wilson; rf, E. Post; c, R. Toddhunter; 2b, B. M. McGee.

Ivanhoe 17 - Evergreen 10  
Ivanhoe got back into the win column again and defeated Evergreen 17 to 10. A splendid crowd was present, and the game was speedy, with both teams playing errorless, practically throughout the game. The line-ups were:

Evergreen—C. H. Burrell; p. A. Rogers; 1b, B. Stapley; 2b, John Farrey; 3b, D. Rogers; ss, K. Stapley; lf, J. Mitts; cf, C. Jamieson; rf, A. James.

Ivanhoe—rf, McMullen; lf, Bayliss; cf, Shaw; 2b, Tomlinson; 1b, Henderson; c, McIntyre; ss, Stevenson; 3b, Broadworth; p, Benson.

J. E. O'Donnell, Secretary

## TO FARMERS

The undersigned would appreciate the settlement of all accounts owing him at once. The times are hard—we need the money—and have been most fair to those whom we have carried. We trust it has been appreciated and an early settlement will be made.

WALTER JEFFREY

NOTICE OF REGISTRATION  
OF BY-LAW

NOTICE is hereby given that a by-law was passed by the Village of Stirling on the 15th day of May, 1932, providing for the issue of debentures to the amount of \$28,200.00 to pay for a waterworks system in the Village, and that such by-law was registered in the Registry Office for the County of Hastings on the Second day of June, 1932.

Any motion to quash or set aside the same or any part thereof must be made within three months after the first publication of this notice, and cannot be made thereafter.

DATED the 14th day of June, 1932.

G. H. Luey, Clerk

GRAND SUPT. VISITS  
LOCAL CHAPTER

Rt. Ex. Comp. E. T. Cherry, of Belleville, Grand Superintendent of Prince Edward District, No. 11, R. A. M., paid his official visit to Keystone Chapter on Monday night, accompanied by his Scribe E. V. Ex. Comp. Hardon. There were about forty Royal Arch Masons present at the installation. The M.E.M. degree was conferred and at its completion the officers were congratulated for their work by the Grand Superintendent. At the close of the Chapter the companions adjourned to the dining hall where a tasty banquet had been prepared under the supervision of Mrs. Walter Wright, Mrs. (Dr.) E. A. Carleton and Mrs. J. McC. Potts.

When inner man was satisfied, Ex. Comp. Levason, First Principal, and toastmaster called the assembly to order, with the toast to the King, which was responded to in the usual manner. The following were on the toast list: To Grand Chapter—Proposed by Rt. Ex. Comp. Thos. W. Solmes, responded to by Rt. Ex. Comp. E. T. Cherry and V. Ex. Comp. Hardon. To the candidates—Proposed by V. Ex. Comp. G. B. Bedford, but there was no response, as the candidate, Bro. J. C. Beacock had been called away. To the visitors—Proposed by Rt. Ex. Comp. C. F. Walt, responded to by Ex. Comp. J. O. Herity and McIlvraith, of Moira Chapter, Belleville. To Keystone Chapter—Proposed by Comp. (Dr.) Ward, of Moira Chapter, responded to by the toastmaster. Short speeches were also given by Ex. Comp. E. A. Carleton and A. E. Dobbie.

During the fourth degree community singing was enjoyed, with Ex. Comp. R. A. Patterson as leader. The Junior Warden's toast and Auld Lang Syne brought the enjoyable event to a close.

## DECORATION SERVICE

L.O.L. No. 172, Wellmans, and visiting brethren will hold a Decoration Service at Wellmans Cemetery on Sunday, June 26th, at 2.30 p.m., with Orange sermon in adjoining grove. Members please bring flowers and meet at Orange Hall at 2 p.m. Relatives and friends cordially invited. Conger McConell, Fred E. Thain, D. M. W. M.

## CURRENT COMMENT

Lawn socials and garden parties will soon be in order.

Two weeks from to-morrow is July 1st, Dominion Day, and a public holiday throughout the British Empire.

In these times of depression the functions of our governments should be exercised to stimulate not "big business" or "little business", but all enterprise.

It should be remembered that if a man likes you little enough to permit you to risk a loss by signing his note, he does not care enough to justify you to sign it.

People looking for prosperity should keep their eyes on the prices shown in the grain exchange lists. Wheat is one of the keys to the situation in Canada.

A local wisecracker, name withheld at our discretion, said this on Monday: "The way some families keep up a front must impose a great strain on the stores with which they deal."

According to statistics more than half of the population is found in cities and towns. Motorists can tell you where to look for the other half, particularly on Sunday, when the highways are congested.

Several automobiles from the U.S. have passed through this village lately and from stickers on the glass in the cars, it is apparent that the people over there are not unanimous about their liquor law.

Goderich Star—The first man who mentions "Beauharnois" or "Bermuda" at a Liberal meeting is in danger of being read out of the party and being cast into "the valley of humiliation".

The predictions in a press despatch are that Canada will produce \$60,000,000 in gold in 1932. What affect will this vast amount of money have on next winter's relief problem?

Marmora Herald—Stirling's tax rate for 1932 is 48 mills, the same as last year. The school rate is only 11 mills compared with 28 mills for Marmora, and the rate for street lighting is only about half as much.

With work on the permanent waterworks system started on Tuesday morning, the unemployment situation is not so acute in Stirling now. Twenty-two men were taken on, with more to follow. Married men were given the preference, which is as it should be.

The plight of the farmer in these hard times is illustrated very well by a deal entered into the other day,

whereby a 200-acre farm near Lindsay was rented for a year for \$1 and taxes. Some of the land is under cultivation, too.

Ontario newspapers, including the News-Argus, are advocating the adoption in Ontario of Quebec's compulsory stop-before-crossing-railway-tracks policy by motorists and other vehicle drivers. It is to be hoped the Ontario Government will deem it worthy of consideration.

With the much "tooted" depression here it seems out of order for the Department of Education to impose higher fees for examinations this year. Many parents will find the increase difficult to meet and it may check a son's or daughter's education.

Ontario farmers are sending a large delegation to Ottawa on July 16th to impress on the government the necessity of furthering Empire trade in agricultural products. The manufacturers have already presented their side of the case, so the government should be well primed for the Imperial Conference.

In England many cities are using Canadian Douglas fir paving blocks, creosoted, for its roadways. Why don't Canadian cities or town experiment with this material for streets? If such were successful it would be a boon to the country's lumber industry and no doubt prove less expensive than cement, and no doubt it would last as long.

A drive around the country now, particularly in this district, shows the crops to be in good condition, and a bountiful yield is anticipated. We wonder how many people realize that Hastings County is reputed by other districts, to be the most beautiful and in a better condition financially—this may seem odd to many—than any other county in the province.

Again the season for family reunions and home-comings approaches. It is to be hoped that our people will not let present strenuous economic conditions result in any deminution in the number or size of such events this summer. On the other hand there should be more of them. They strengthen family ties and other friendships. They are creators of a sentiment that needs strengthening in the present day—the home loving sentiment that exerts a great influence on our lives.

The old picnic basket has come into its own once more. No longer is it buried in the pantry beneath a pile of pots and pans and other accessories of the culinary department. Food which we have grown weary of during the long indoor period, takes on a new zest when the contents of the picnic hamper are spread under some shady tree. Perhaps we drive some five to thirty miles, or walk out to the woods, it matters not, for it is picnic time, and the great outdoors is calling. Let's go!

The swimming season is here. We again call attention to the dangers that lurk in unknown streams and lakes, and urge parents to prohibit their children from swimming or wading in unfamiliar water, or going to lakes and streams unattended. Children who cannot swim should not be allowed to go wading in streams alone, because of the possibility of stepping into a deep hole and drowning, and even those who can swim are not immune to the danger. There is perhaps no more lamentable death than one that comes from drowning. They are so easily preventable. Let's be more careful this year than ever before.

## Logic and Truth in This

There is a good deal of logic and truth in the comment of the Winchester Press, which says: "It's the loafer at the corner who criticizes the man at work with a shovel on the street. It's the man who refused to attend school in his youth who talks about the airs of the educated. It's the man who knows nothing about economic conditions that is loudest in expressing his views on the causes of depression, and lack of employment. It's the farmer who leaves his machinery exposed who spends most of his time talking about the hardships of the farmer, and who would sooner attend a public meeting of grumblers than stay home helping his wife, who fails to make farming pay. Some men find plenty of time to galivant about the country finding fault with the way public affairs are managed, who could make a comfortable living and have a contented home if they would attend to their own business, and give the same amount of attention to the wife and family. These fault-finders, grumblers and public regulators may have a place in our public life, but they are a terrible nuisance."

## BRITISH FILMS POPULAR

It is very gratifying to find that in recent weeks British talking films have taken the people of Ontario by storm. One outstanding British picture, "Sunshine Susie", which will be shown in Stirling Theatre this week, has broken all records for its run in Toronto, and is being received with equal acclaim all over Ontario. Another, "Michael and Mary", has been an outstanding success, and still another "Lady Pannford's Folly" is winning equal praise from the motion picture lovers generally. This is encouraging. It used to be quite the common thing for motion picture theatre owners to say that the public did not want British films, that the theatres could not show them profitably. Recent experiences have absolutely disproven these theories, just because these films have been able to compete very successfully with the products of Hollywood. We hope British producers have learned the lesson that Canada wants only the best, and will give support to British films so long as they are up to the standard of those mentioned. There is a wholesomeness of atmosphere, a refinement of sentiment, a delightful quality about these pictures which cannot be found in Hollywood productions, and Canadian theatre owners will readily patronize the British product which can measure up to the requirements of Canadian standards.

Cleveland—May I kiss you?  
Christine—What do you think I'm waiting for, a street car?

## JAS. LIDDLE PASSES AWAY

Mr. James Liddle, of Dunganston Township, one of North Hastings' most respected citizens, passed away on Sunday, June 5th. He was born at Dunkirk Village, Orkney Islands, Scotland, the 16th of August, 1855 and came to Canada with his parents when eleven years of age. They settled at Bass Lake, Limerick Twp., and endured the hardships of the pioneer. He married Janet McGregor, of the Ridge in Wollaston Twp., on the sixth of July, 1882. His widow and their seven children survive. They are: Charles, of Delhi; Edward of Powassan; Jessie (Mrs. T. Andrews), Stirling; Alice (Mrs. J. Rapson) of Belleville; Irene, Amy and Hazel at home.

In 1900 Mr. Liddle moved from Bass Lake to the Asa Long farm in Dunganston. There, by hard work, careful management and rugged honesty he became one of the most respected and prosperous farmers in the district and surrounding townships.

seventeen years ago. He was President of the Walkerville Cheese Co., and in politics was a staunch Liberal.

Twenty-five years ago he was ordained an elder of the Presbyterian Church. A faithful member and a liberal supporter, he exercised the office with rare fidelity.

The funeral was held on Tuesday afternoon from the home to Old Limerick. The spacious church was simply filled by a large company of friends and relatives. Rev. J. M. Fraser spoke from Rev. 21, on the blessing of final victory. The hymns were "The Lord is My Shepherd" and "Lead Kindly Light." "Abide with me".

The pall-bearers were Messrs Lorne Reid, Chas. Curry, Alex. Moore, David Moore, Robert Henderson and Edward Diamond.

A large community sympathizes with the bereaved. Mr. Liddle was a faithful husband, a kind father, a good neighbor and an honest man, widely known and highly respected. He has left a worthy place and left an honoured name.

Twenty Years Ago (Issue June 13, 1912)

Miss Kathleen Moore, The Rectory, is visiting friends in Trenton. Mrs. Doak and Miss Kathleen Doak attended the Military Ball at Naplane on June 12th.

Misses M. E. Currie, Daisy Hayford are attending the Branch meeting of the W.M.S. in Belleville.

Mr. and Mrs. Wm. Knox, of Madoc, are visiting their daughter, Mrs. Bert Corrigan, and other friends, in town.

Mrs. Fred Hards (nee Alice M. Vandervoort) has returned to her home in Buffalo after spending a few days with her parents and brother at Glen View Farm, River Valley. She was accompanied by Miss A. Hards, who was greatly impressed with the farms in Canada and with our little burg, Stirling, on May 24th.

We have just had installed a telephone in The News-Argus office, and any local items from outside parties, or business matters will receive prompt attention.

There were 32 boxes of cheese offered at the Stirling Cheese Board on Tuesday last. The sales were \$1,400.25 at 13 1/2c; Kerr 255, and

Cook 290 at 13 1/4c. The balance was unsold.

Rev. Dr. Moore, of Marmora, has been stationed at Wilfrid, and Rev. W. H. Clarke, formerly of the Rawdon circuit, has been stationed at Marmora, by the Bay of Quinte Conference.

## When TEETHING makes HIM FUSSY

One of the most important things you can do to make a teething baby comfortable is to see that little bowels do their work of carrying off waste matter promptly and regularly. For this nothing is better than Castoria, a pure vegetable preparation specially made for babies and children. Castoria acts so gently you can give it to young infants to relieve colic. Yet it is always effective, for older children, too. Remember, Castoria contains no harsh drugs, no narcotics, is absolutely harmless. When your baby is fretful with teething or a food upset, give a cleansing dose of Castoria. Be sure you get genuine Castoria with the name:

## Hints for the Household

### For the Month of June

#### A Sewing Hint

To avoid puckering sheer material, with some material such as muslin or crepe de chine it is almost impossible to stitch it without puckering it. This can be avoided by placing a piece of paper under material while stitching and sew seam. When finished it is a very simple matter to tear paper away from seam.

#### Hints for Women While Travelling

1. Do not worry about your dress.
2. Dress as naturally as you can in order to feel comfortable.
3. A little hat is better than a large one.
4. For hot days—a thin dark dress can be worn anywhere at almost any time and is preferable to the heavy suit, motor coat and veil of the old days.

#### COOKING HINTS

**Don't Forget Watercress**  
Crisp watercress is made so by keeping it in ice water. It is an appetizing garnish for salad, fish or cold meat.

#### Fancy Luncheon Dish For Summer Luncheon

Toast.  
Fried tomato.  
Sweet breads.  
Mushroom gravy.  
Bacon.  
Method: Parboil sweet breads. Then broil or fry according to taste. Toast rounds of bread. Fry slices of tomato—red or green. Make a mushroom gravy. Serve on a hot platter. Place fried tomato on each round of toast. Place fried sweet bread on top of tomato. Pour mushroom gravy over this. Top with crisp bacon and garnish with green.

**Asparagus Salad**  
1 large bunch of asparagus.  
1 tablespoon of gelatin.  
2 tablespoons of cold water.  
1 cup of hot water (use water as

paragus was cooked in).  
1 tablespoon of vinegar.  
Little salt.  
Mayonnaise dressing.  
Method: Boil and drain asparagus. Cut up in 2-inch lengths. Soak gelatin in cold water. Add hot water, vinegar and salt. Add hot water, vinegar and salt. Arrange tips in circle around mold. Fill centre with plain pieces. Pour over gelatin mixture and chill. Serve with mayonnaise dressing. Peas are a nice addition. Parsley and radish roses also make a pretty trim.

#### BAKING HINTS

##### Strawberry Short Cake

The most tempting dessert for this time of year. Individual drop strawberry short cakes are delicious and no trouble to make.

Recipe for 4 individual short cakes:  
1 cup of sifted flour.  
1 tablespoon of butter.  
2 teaspoons of baking powder.  
1 scant tablespoon of sugar.  
Little salt.  
Milk enough to make drop batter.  
Method: Put together flour, butter, baking powder, sugar and salt. This can be done any time ahead in morning or afternoon. Also pan floured. Then just before ready to bake have oven hot. Add milk enough so that batter may be dropped from spoon on to floured pan and not be running. Bake in a hot oven. Split cakes—put butter between and crushed and the sweetened berries between and on top. Serve with either plain or whipped cream.

**Prune Charlotte Russe**  
This is delicious for any meal. The recipe:

- Sponge cake.
- Simple icing.
- 2 cups of prune pulp (cooked).
- ½ cup of chopped nuts.
- 1 teaspoon of vanilla.
- 1 bottle whipping cream.

Sugar.  
Method: Hollow out centre of cake. Mix prune pulp, sugar, whipped cream nuts and flavoring. Pile lightly in center of cake. Decorate with prunes and cream. If cake is large this will serve 10 to 12 people. Use smaller cake and ½ recipe for fewer people.

### REV. TRUSCOTT HAS NEW CHARGE

A change has taken place in the pastorate of West Huntingdon circuit. The Rev. W. H. Truscott has been appointed to the important charge at Lansdowne, which he commences on July 1st. Mr. Truscott has been a minister in this county for nearly 20 years, during which time he has held only three charges. First at Oshawa, where he spent over 8 years, then on Bay Circuit, Napance, 4 years, and here 7 years. This is considered quite a record and on each he met with a large measure of success. His many friends both of his own and other churches congratulate him and wish him continued success in his new field.

Tyendinaga — Friday night one more lamb fell victim to the gray killer of Tyendinaga, whose activities among the sheep flocks on the farm of Mr. Alex Goodfellow of the second concession, has thrown consternation into the farmers of the district who have time and again attempted to track the wolf to its lair, only to be disappointed as the trail ran out among the rocks. Traps have been set for him and elaborate plans, which have been made for his capture have availed the farmers nothing. The phantom shape still continues to live up to the name bestowed.

## MOUNT PLEASANT

Mr. and Mrs. Wm. Harvie and daughter, Frances, of Brighton, spent Sunday with Mr. and Mrs. Wm. Reid.

Miss Edna Thrasher visited her cousin, Miss Lela Johnston, Sine, over the weekend.

Miss Lela Potts is spending this week under the parental roof before returning to Ottawa to finish her nursing course. Her many friends were delighted to see her on Sunday and extend congratulations.

Mrs. Percy MacMullen was a supper guest at the home of Mr. and Mrs. Ernest White on Friday evening.

Mrs. Jack Tyan arrived home last Tuesday from Belleville hospital and is recuperating slowly.

We extend congratulations to Mr. and Mrs. John Heagle, Wellmans. A new girlie arrived at their home on Tuesday, June 7th.

In last week's items we inadvertently omitted the name of Miss Irene Liddle, another daughter of the late James Liddle.

Friends here were very sorry to hear of the illness of Councillor Carl Clancy, of Wellmans, and hope he may speedily recover.

Miss Marguerite White was a weekend guest of Miss M. McKeown.

Miss Mary Montgomery of Murray spent the week-end with Mr. and Mrs. Ed. Montgomery.

Mr. and Mrs. L. Diamond, of Campbellford were supper guests on Sunday evening of Mr. and Mrs. Frank Spencer and were welcome visitors at the evening service here.

Mr. John Coggins spent Sunday with Mr. Herbert Higgs at the home of Mr. and Mrs. Edgar McKeown.

Mrs. Emma Summers spent last week at the home of Mr. and Mrs. Roy Thrasher.

Mr. and Mrs. James Sharp and Gladys Summers were dinner guests on Sunday of Mr. and Mrs. Hamilton Dounan.

Mr. Kenneth Holmes is preparing the program for Y.P.S. on Friday evening.

The W. M. S. are holding their postponed meeting today (Thursday).

Last week at the graduation exercises held in the auditorium of the Collegiate Institute in connection with the Training School for nurses of Nicholas Hospital, Peterborough, prizes for first year proficiency in Bandaging were won by Miss Ellen Montgomery, daughter of Mr. and Mrs. Robert Montgomery, of Colbourne, and Miss Jean Preston, daughter of Mr. and Mrs. W. J. Preston, fifth line of Rawdon. Miss Montgomery is a niece of Mr. Edward Montgomery.

On Sunday evening a very pretty

duet "God's way is the best way" was rendered by Miss Olive McConnell and Mr. John Coggins. The pastor spoke from the text "Ye are the salt of the earth", eulogizing the churches for what they have prevented during the years. The church is one of our great necessities of life, the same as salt is a great necessity to each individual. Salt is a wonderful preventative, being the enemy of decay and the foe of impurities and disease.

Mrs. Roy Thrasher spent a few days last week with Mrs. Paul Sharp at Wellmans.

Miss Elva Andrews spent the weekend with Miss Helen Spencer and Miss Faye Andrews was also a guest on Sunday.

Mrs. J. Richardson, of River Valley is holidaying this week with her daughter, Mrs. Ray Cooney.

Rev. Dr. T. E. Holling, Lindsay was elected president of the Bay of Quinte Conference, United Church of Canada, at Lindsay on Wednesday.

Mrs. Frank Smith visited Mrs. Edgar McKeown on Friday.

The President opened Y.P.S. on Friday evening with Hymn "Jesus shall reign" and prayer by the pastor. Plans were made to accept the invitation to visit Wellmans on June 24th and provide the program. Mrs. J. Sharp gave a splendid devotional talk and said missions should be our greatest concern. We need a revival of honesty, truthfulness, uprightness and temperance. We should lay aside

stones of prejudice, grumbling, etc. and when we think we have a grievance, just lay it at the feet of the Master and then we will see how really insignificant it is. The Missionary Vice-President, Miss Olive McConnell, opened with "We've a story to tell to the nations" and Mrs. T. McKeown offered prayer. Miss Myrtle McKeown read the scripture lesson, Leviticus 19: 33-34 and Deut. 31: 12-13.

Miss Frances McKeown rendered a piano solo. Mrs. Elwood Johnson outlined the topic on the subject "New Canadians". She said these people come as perfect strangers to our land and they need true friends to interpret our laws, and no one can be better trusted than the missionary.

They also need education, protection and recreation, as well as spiritual strength. She told of the work of the "Church of all nations", Toronto, and also outlined a mission field near Winnipeg, where it is said Communism is rapidly spreading. She left the following question for discussion "That the Board of Home Missions is justified in spending twenty per cent. of its income to employ two hundred and seventy-three missionaries among new Canadians". The pastor led in the discussion period. A dialogue—

"Why we should read a missionary magazine" was impersonated as follows. Mrs. John Anderson, who does not have time to read, Mrs. Percy MacMullen; her sister, Miss Mary Bell, an ardent reader of the Missionary Monthly, Miss Elva White; a neighbor, Miss B. Clark, who is soliciting subscription to help the Ladies Aid, Miss Marguerite White. This dialogue proved that a missionary magazine broadens your mind and gives you a world tour sitting beside your own fire. Miss Betty Locke sang "Arise, the Master's Call Obey".

Mr. Carleton Potts gathered the offering for the missions and after a hymn a "Cake" contest, which proved of

interest was given. Mrs. Sarah McKeown returned to her home here last week from a holiday with relatives near Allan's Mill. Mr. and Mrs. Frank Smith and Rev. John were supper guests of Mr. and Mrs. Vernon Curry, White Lake, on Monday evening.

Another week has rolled by and to those who gave us a boost, we extend a hearty thank-you, and especially do we thank our Hamilton friends for their kindness. We will just have a few more days after you read this and then the big race will be over, so here's hoping you will continue to give us your effort. To those at a distance, saving coupons, we ask that you mail them to us as soon as possible after you receive this copy so they will reach us in time. If you have a renewal it will be appreciated.

Relatives and friends from here were very sorry to hear of the death of the late Arthur Wescott, oldest son of Mr. and Mrs. Elam Wescott, of Oshawa on Friday, June 10th at Weston Hospital, Toronto. Deceased had been ill since February when he contracted a heavy cold and pneumonia. He was in his twentieth year. Beside his parents he leaves to mourn two sisters and one brother—Lottie, Mrs. E. J. Wescott, and Elsie, Mrs. Kenneth Massey, Sidney; and Ralph. The funeral was held on Monday afternoon at Oshawa, interment being made in the new garden cemetery, outside the city. Deepest sympathy is extended to the bereaved by a host of friends in this locality.

Those in bereavement were Mr. and Mrs. Donald Sharp and Douglas, Mr. and Mrs. Ross Hoard, Mrs. June Hoard, Mount Pleasant; Mr. F. Bailey, Carmel; Mrs. George White and Mildred, Stirling; Mr. and Mrs. Alex Sharp, Frankford.

There is a land of pure delight, Where saints immortal reign, Infinite day excludes the night—And pleasures banish pain.

There everlasting spring abides, And never-withering flowers—Death like a narrow sea divides, This heavenly land from ours.

Mrs. M. Park, of Stirling spent Monday at the home of Mr. and Mrs. R. Hoard and stayed with Master Bobbie.

Rain is badly needed in our section for gardens and crops, and it is hoped it will arrive at a very early date.

## JOHN BROAD

Following a long illness borne with great Christian fortitude, there passed away in Orange, Cal., on May 22nd, Mr. John Broad, who for the past thirteen years had followed the fruit-growing business of that locality. Mr. Broad was born in the Allan Settlement, Madoc Township, on Nov. 16, 1859. Early in life he was converted to God in the McCoy Church, now removed. The warmth and geniality of his spirit thus quickened by Divine grace was manifest in the active part he took in church work, both in his native township and in the land of his adoption. On April 29th, 1914 he was married to Miss Nina Wood, of Sydney, Ont. After farming for five years near Cooper, Mr. and Mrs. Broad moved to California, where they conducted a successful fruit ranch. They took great interest in the work of the local church at Orange, especially among the young people by whom they were greatly loved. For some time Mr. Broad was Superintendent of the Sunday School, a position in which the persuasive power of his personality found ample scope for successful church leadership. This service to the Kingdom was, however, cut short by illness in July of last year. In spite of all that tender nursing and loving devotion could do, after several months of suffering he fell asleep in Jesus. After an impressive funeral service conducted by his pastor in Orange, the body was cremated and the remains brought to the home of his sister, Mrs. John Holmes. Here a large gathering of sympathetic friends and neighbors assembled on the afternoon of June 9th, and a memorial service was held. The deceased leaves to mourn his loss, his wife, two sisters, Mrs. John Holmes, of Anson, and Mrs. Frank Fitzgerald, of Belleville, and a brother, Harper, also of Belleville. One brother, Thomas, was killed in action overseas. Mr. Broad was an active member of L.O.L. 1133 Hazard's Corners, and maintained his connection with his brethren during his sojourn across the border. They took charge of the burial service at Cooper where the remains of a greatly beloved brother were laid beside his parents. Mr. Broad was a man who, frank and engaging in his approach to others, walked the "Friendly Road" where those who met him rejoiced in his companionship. As a friend, comrade, fellow-worker, he served his day and generation and the world is the richer for his fine service.

## FRANKFORD

The supper held by the Girl Guides in the Parish Hall on Saturday was a huge success. The proceeds amounted to \$25.75, which will be used toward the expenses of the Divisional Camp to be held at Coneseon in July. About fifteen local Guides intend being in attendance.

The local I.O.O.F., No. 352, attended Trinity Church on Sunday for divine worship. The service was in charge of Rev. B. F. Byers, and the sermon was very appropriate for the occasion. After the church service, the lodge marched to the Frankford cemetery, where graves of departed members were decorated. The Frankford Citizens Band which led the parade to and from the church, also played fitting music at the cemetery while the decoration ceremonies were being executed. There were over a hundred Oddfellows in the procession, among them being about twenty-five Cantons who came from Belleville, Trenton and Brighton.

The Glenford lodge of Rebekah also attended divine worship along with the I.O.O.F. on Sunday. At the cemetery the graves of departed lodge

## ANNOUNCING

# A New Low Price on TIP TOP CLOTHES

For twenty-one years the welfare of Tip Top Tailors has been closely interwoven with the condition of Canadian men.

As you have prospered and your numbers have increased, we have been able to build up a great tailoring organization on the policy of giving finer tailored to measure clothes for \$24 than you could buy anywhere else.

Due to present economic conditions we believe that great numbers of men are now finding it difficult to pay even this price of \$24. Yet they need more than ever the good appearance and long wear of Tip Top Clothes.

Millions of Canadian men have helped us build up Tip Top Tailors. Now, when you need it, we show our appreciation of your help in a practical way and ask your support in return. Effective June 10th, the price of Tip Top Clothes is reduced to \$22.50 for any Suit, Topcoat or Overcoat, tailored to your measure.

There will be absolutely no lowering in quality in any way. The same fine fabrics, the same skillful tailoring. The same smartness and style will be maintained without exception.

We depend on Canadian men to extend us the increased volume of business that will be needed to continue this price. You will benefit as well as us. For Tip Top Clothes at the new price will be a still better buy than they have been before.

See the wonderful range of Tip Top Samples at your dealer's. You couldn't go wrong in buying Tip Top Clothes before — your money spent with your Tip Top dealer will buy still more now. But act today.

The following is the poetry given by Mrs. Hubel on the program of the 20th anniversary of the Ladies' Aid last week. Printed by request.

## The Ladies' Aid

Oh, yes, We love the Ladies' Aid! For twenty years it has toiled and saved—

To help the Parsonage, the pulpit and true.

The Ladies' Aid, so brave, earnest and true.

Well, it has helped in more ways than one.

They bought those blinds, and the minister's chair,

And the Bible and Hymn Books that lie right there.

The chairs for the choir, they bought them too;

Lamps, carpets, and other things, not a few.

The Ladies' Aid makes dollars and dimes,

And does it over hundreds of times.

They piece and quilt, sew, embroider and bake—

Till their eyes and limbs are tired and ache.

Oh, yes, I love it, and so should you—

The Ladies' Aid, so faithful and true.

The Ladies' Aid fixes walls that are bare,

Buys china and silver and aluminum ware.

They put out the old stove that five cents would buy,

And put in a new one without half a try.

And truly, I tell you, the Church is not made,

That can easily scout the Ladies' Aid!

The Ladies' Aid fixed up the dining hall—

And had no trouble in doing it all—

With tables and cupboards and dishes galore—

They even bought the cement for the floor.

The men put the floor in to be sure—

But the Ladies' Aid painted the shed years before.

The Ladies' Aid plans receptions and teas

The Church must be kept social by means of all these.

The men haven't time for such things—

Oh! no!

Though sometimes to supper and banquet they go.

But not by them are plans ever made,

'Tis always the work of the Ladies' Aid.

Then that hole in the budget at the end of the year—

When the men go about with a sigh and a tear—

Ah! Now 'tis the Ladies to the rescue who come—

They look not blue, and they act not glum.

A little more planning and the preacher is paid—

Rejoicing at Conference for the dear Ladies' Aid.

So we should all love it for what it has done—

The Ladies' Aid is not working for fun!

It stands by the men—their hands on the beam—

Then up go the rafters much quicker 'twould seem.

They give time and talent until debts are paid—

So cheer them and praise them—the brave Ladies' Aid.

And now dear friends, the last thing of all—

When about to proceed to the dining hall—

Just notice the new steps the men have made—

But!—They handed the bill to the Ladies' Aid!

But when the dear Lord of the harvest shall come

He will say to these workers—the blessed—"Well done!"

Then they will be glad they did more than their share.

For the joys that are theirs in the home over there—

For those who've been helped, and the stars that are made,

And they shall deserve them, the true Ladies' Aid.

## MADOC JUNCTION

Mr. George Gay was taken ill on Sunday, but under the doctor's care he is reported to be gaining nicely.

Friends here were sorry to learn of the death of Mrs. Annie Hamilton, of Stirling. The funeral was held on Saturday. Interment was made in the Clarke cemetery.

The monthly meeting of the W. M. S. was held at the home of Mrs. Harry Clarke on Thursday. Mrs. Raymond Chambers took charge of the Baby Band program. Nine little tots were present. Little Marcella and Vera Stanley sang a duet "You in your corner and I in mine", accompanied on the ukulele by their sister,

Lenora. The next meeting will be held at the home of Mrs. George Clarke.

Mr. and Mrs. Howard Juby were in Belleville on Wednesday night, attending the Kiwanis Street Carnival.

Mary Louise Lanigan is much better, but her little brother, John is ill now with the fever.

Mr. and Mrs. Clarence Fitchett and Rosella, Mr. and Mrs. Oliver Stapley and Miss Ruby Eggleton of Stirling motored to Yarker on Sunday and spent the day with Mr. and Mrs. A. W. Andrews.

Mr. Ken Broadworth left on Monday for Lindsay where he has secured a position with the Hydro Power Co.

Mr. Phil Beaudrie and Mr. Wm. Stapley gave a party to a number of friends on Friday night.

Mr. and Mrs. George Eggleton were visitors at the home of Mr. Ambrose Wright on Sunday. Mrs. Wright is still quite ill.

Several young people from here were in Belleville on Saturday evening.

## WEST HUNTINGDON

Our community is looking its best right now, but we are greatly in need of rain as hay and grain are showing the effects of frost and dry winds.

The Standard Church people held a cottage prayer meeting at Mr. Jas. McGowan's home on Friday evening.

There was a good attendance, some being present from Frankford, Stirling and West Huntingdon. Rev. Mr. Scamborn, Stockdale, was the leader of the meeting.

Some of our Huntingdon farmers are doing their statute labor. The Rawdon lads seem to have more money, however, and they hire theirs done in the new up-to-date method.

The softball games are still providing much excitement. Large crowds of both young and old witness games each evening.

Mr. and Mrs. Sandy McCurdy and children spent Wednesday visiting at Mr. Earl Umphry's, Concession.

Rev. and Mrs. Caffey, of Plainfield Circuit had charge of the service in the United Church on Sunday evening.

Mrs. Caffey was the speaker for the service and gave a most inspiring and helpful address on the Golden Rule: "Whatsoever ye would that men should do to you, do ye even so to them." She divided her talk into three parts, namely how the Golden Rule is applied in our Social, Church and Home lives. Mrs. Caffey made it very plain that we are not living up to the Golden Rule, as we should. Mr. Caffey has been very ill for a number of weeks and his good wife is doing the preaching for him. He says he thinks he is very fortunate in having such a capable wife. But, if he lived in our community he would find out that he wasn't the only one who had a wife who could "preach".

Messrs Herb. Burke, Wm. Bray, Phillip Carr and Arthur Wilson have volunteered to take Mr. Caffey's work for him in the month of July.

The two-months-old baby girl of Mr. and Mrs. Lewis Reid passed away on Monday morning. The funeral service was held on Tuesday, conducted by Rev. W. H. Truscott.

Mrs. Peter McIntyre and Miss Evelyn visited Miss Winnie McIntyre at Stella, on Saturday.

Mrs. Mills and daughter, of Napanea, were visitors at the Parsonage on Friday.

Mr. and Mrs. Jas. McGowan attended a camp meeting at Yarker on Sunday.

Mr. and Mrs. Earl Fox, of Centre, spent a couple of days at Mr. Geo. McCurdy's recently.

A quilting and an old-fashioned talking bee was held at the parsonage on Friday of last week. Some ladies from Moira were present.

A few of our people have started picking strawberries.

Some of the ladies who belong to the W. I. attended a meeting of the Branch on Tuesday.

Mr. George Post spent a day visiting his daughter at Belleville.

Mr. and Mrs. Jas. S. Wilson are visiting Mr. and Mrs. Hugh McFee, of Keene, this week.

A fine baby boy has come to stay with Mr. and Mrs. Clinton Bird.

## FULLER

The much-needed rain still hangs off which is very much in evidence as one looks at the various hay fields.

Mr. and Mrs. Frank Craig, of Tweed visited at Mr. McCauley's on Sunday, also attended Church and heard Mrs. (Rev.) Caffey of Plainfield preach. Her address was greatly enjoyed by all who had the privilege of hearing her.

The regular meeting of the W.M.S. was held at Mrs. Rutter's on Wednesday afternoon, June 8th, with nine members present and three visitors.

Opening hymn "Yield not to temptation", followed by the Lord's Prayer in unison. Scripture lesson was taken from the various temperance passages in the Bible. Mrs. Vane Mitts gave a reading "Crippled Tom" which was much enjoyed by all. The watchtower as follows: Temperance, by Mrs. Keller; China, Mrs. Ben Brough; Korea, Mrs. Mitts; India, Mrs. I. J. Prough. The roll call was answered by the keyword "Holy". The Study Book was splendidly given by Miss Bessie Hollinger. A musical duet by Miss Post and Miss Chambers. Splendid readings were given by Mrs. Brough, Mr. and Mrs. Palmer; also a couple of selection on the phonograph. Collection \$1.07. Closing prayer by Mrs. Ben Brough. Next meeting at Mrs. Jones'.

Mr. and Mrs. William Dean spent Monday in Belleville.

Miss Post and Miss Eva Chambers of Queensboro are holidaying with Mrs. Alger Post.

## BONARLAW

Hoards - Bonarlaw

On Thursday evening of last week the Hoards softball team visited Bonarlaw and played a league game.

The Bonarlaw team came to 9, and the Hoards lads started out well and at the end of the third innings they had five runs to Hoards' six.

They appeared weak, however, in batting, although Baker made a home run in the second and Reid in the sixth. Good work was done by both teams.

Bristol twirled the whole route for Bonarlaw and Hoard for the visitors. Both were in good form and despite the one-sided score the game was very interesting.

The line-ups were:

Bonarlaw—G. Bristol, p; C. O. Reid, c; C. A. Baker, 1b; R. Neal, 2b; C. Wellman, 3b; C. Barrons, ss; C. Beattie, rf; W. J. Barlow, cf; W. Prest, lf.

Hoards—Hoard, p; Jeffs, c; Cogburn, 1b; Eggleston, 2b; Oddie, 3b; O. Rennie, ss; J. Rennie, cf; Gunning, rf; Hume, lf.

Score by innings:

Hoards ..... 4 2 0 2 4 5 5-22  
Bonarlaw ..... 1 1 3 0 0 2 1-9

Umpires — Plate, George Donald; Bases, Thos. McConnell.

Preneveau - Bonarlaw

On Tuesday last week, the Preneveau Bruins played softball at Bonarlaw with the Bonarlaw ball team, the score being 32 to 10 in favor of the homesters.

Manion pitched a good game for the visitors and deserved better support. The game was watched with great interest by a fair-sized crowd from Bonarlaw, Springbrook and the surrounding territory.

Bristol twirled for Bonarlaw for four innings and then C. Barrons took the mound. Eight home runs were made by Bonarlaw. The lineups were as follows:

Preneveau—Manion, p; Harten, c; Elmhurst, 1b; Binstead, 2b; Youmans, 3b; Houten, ss; Kennedy, rf; Anderson, lf; Gamble, cf.

Bonarlaw—Bristol, p; Reid, c; Barlow, 1b; Neal, 2b; Wellman, 3b; Barrons, ss; Prest, cf; Baker, lf; Beattie, rf.

Score by innings:

Bonarlaw ..... 8 3 14 2 5 - 32  
Preneveau ..... 2 1 2 2 3 - 10

On the Rifle Ranges at Bonarlaw on Wednesday, June 8th, a goodly number of the Rawdon Rifle Association held their second official shoot for the D.C.R.A. prize.

The shooting of the 200 yard range was not up to average, even the best shots making a very poor showing, but on the 500 yard range things were evened up.

John Wellman put on the amazing score of 33 out of a possible 35 on this higher range, while Walter Foley made 31, and several members 30. The special prizes for the day were, Walter Foley, first; W. A. Bateman, second; and J. A. Shannon third. The tie between Jas. Gordon-

and Fred Mack for first prize at June 1st shoot, was decided, Jas. Gordonier carrying off first money by 3 points.

An invitation has been received from the Lakefield Rifle Association to a team from the Rawdon Rifle Association to shoot in competition with them at Lakefield near the end of June. It is hoped that the invitation will be accepted as in former years, and the next few shoots will decide who will compose the team from this Association.

Bonarlaw 17 - Preneveau 8

The Bonarlaw Softball team were again victorious in their return game with the Preneveau team at Preneveau Tuesday night, score being 17 to 8. Manion on the mound for Preneveau pitched a good game and held the visitors with nothing to their credit until the fourth frame when they broke away with four runs. Bristol, the Bonarlaw southpaw twirler, was in good form and the homesters were unable to get over two runs in any one inning. Manager W. Prest and Capt. W. J. Barlow were both with the Bonarlaw team, ready to assist, but decided they would be onlookers only. A good sized crowd of fans watched the game and were well pleased. The line-ups were the same as the previous game.

Score by innings:

Bonarlaw ..... 0 0 0 4 3 2 0 8 17  
Preneveau ..... 2 0 1 1 0 2 2 0 8

Umpires Thos. Neal, Jr., and base-umpire Gamble handled the game very satisfactorily.

# Only Three More Days FOR THE BIG VOTES

## 5000 ADDITIONAL VOTES Added

Good only to  
Sat., June 18

Here is a chance for the late starters to catch up on those candidates who started the first day. To SATURDAY, JUNE 18th, each year's subscription turned in will count 5,000 EXTRA VOTES

A 3-YEAR SUBSCRIPTION WOULD THUS COUNT 15,000 EXTRA VOTES

Remember these votes are over and above the regular vote schedule. This is positively the only time extra votes will be added in this way. So everybody get busy and turn in as many subscriptions as you can this coming week. They count most votes and most votes win.

## Now is the time to boost your favorite Contestant

Subscribers wishing to help their favorites are advised to do so now as the subscription votes count more than any time during the contest.

### Where to Work

Club members will not be restricted in any way as to the locality in which they may get subscriptions, and collecting arrearage or advance payments from old subscribers earns credit as well as securing entirely new ones.

### One in Every Home

So there is a subscription waiting in every home, and distance does not prevent you from getting subscriptions from relatives or friends, no matter where they reside. Under our "district" plan the harder it is to get to the prospective subscriber the more credits you receive, so club members living in thinly populated districts have an equal opportunity to win the big prize.

Here is the opportunity to crystallize the dreams of a lifetime—to realize in a few short weeks what most people could not ordinarily hope to accomplish without years of striving, saving and sacrifice—and all in exchange for your spare-time effort. No matter how busy you are you have spare time enough to get in and win.

### RULES AND REGULATIONS

1. Any man, woman, or child is eligible to join the club, but the management reserves the right to reject objectionable entrants.
2. No employee of this newspaper, or member of an employee's immediate family, may become a member of the club. This does not apply to carrier boys, news dealers or correspondents.
3. This club is for individuals—not organizations.
4. Winners will be decided by their credits, said credits being represented by certificates issued for subscriptions.
5. Club members may work where they please, collecting for back subscriptions and renewals as well as new subscriptions, and credits will be issued on all.
6. Cash must accompany all orders where credits are desired. Each club member is an authorized agent for this newspaper and it is distinctly understood that each member will be responsible for money and remit amounts in full to the campaign department.
7. Credits are not transferrable. One member cannot withdraw in favor of another. Subscriptions cannot be transferred from one member to another, and any such transferred business will be subject to disqualification at the discretion of the campaign manager.
8. Credits may be held in reserve or pooled, at the discretion of the club member, up to and including the last day of the campaign; except at the discretion of the club manager.
9. In the event of a tie for any one of the prizes a prize identical in value will be awarded to each tying Club member. The prize will not be divided.
10. Any collusion on the part of club members to the detriment of other club members will not be tolerated. Any club member entering into or taking part in such combination will forfeit all right to either a prize or cash commission.
11. There will be several prizes awarded beside cash commissions to ACTIVE non-prize winners but is distinctly understood that ANY club member, failing to make a cash report at least once a week, shall be declared INACTIVE and he or she will be disqualified and forfeit all right to either a prize or cash commission. However, missed reports may be made up when the member desires to do so.
12. This newspaper reserves the right to add one or more awards to the list as published and to correct typographical errors that may occur in any of its announcements.
13. No statement or promise either written or verbal, made by anyone varying from the rules as set forth will be recognized. Any questions or controversies which may arise concerning the club will be settled by the campaign manager according to the rules and his decision will be final and conclusive.
14. In becoming a member or participating in this campaign club members agree to abide by the above conditions. The campaign manager reserves the right to offer Special Club Votes.

### Schedule of Votes for Subscriptions

1 YEAR	10,000 VOTES
2 YEARS	25,000 VOTES
3 YEARS	40,000 VOTES

#### MRS. WATTS PASSES IN HER NINETY-SIXTH YEAR

(Walkerton Telescope)  
Mrs. Elizabeth Watts, Walkerton's oldest resident, widow of the Rev. T. H. Watts, who was one of the earliest missionaries in the Queen's Bush, passed into her reward between seven and eight o'clock on Wednesday morning. She had been sleeping since last Friday.  
Mrs. Watts long since passed the allotted span of life, for this motherly old lady lived until she was but four years short of the century. Until about a year ago she was interested in everything transpiring about her, always pleased to welcome friends, who found it hard to realize that over 75 years before she shared with her husband the hardships of a circuit-riding minister.  
The first settlers of this district were having a hard struggle for existence when she and her late husband, with two small children, went to the Kincardine mission in 1856. There was no "parsonage" awaiting the new minister, but one of the settlers divided the bedroom in his shanty with a wooden partition and there the parson, his wife and two small children had their home. The small larder was sometimes pretty bare, and on one occasion Mr. Watts decided to give up temporarily and go into Kincardine and work at his trade as a carpenter to provide food for his little family. On his way in to the settlement, he came across a good woman of his flock, who offered him some flour and encouraged him to return to his work. In those days the preachers received their small salaries, largely in provisions, such as flour and pork.  
The following year Rev. Mr. Watts was transferred to Hanover for a two years' term. The reverend gentleman

with hammer and saw, erected a parsonage himself at what is known as Campbell's Corners, this side of Hanover. The parsonage had a living room and two bedrooms, being considered quite a commodious affair in those days. From Hanover Rev. and Mrs. Watts were transferred to Garafraxa, then to Orangeville, to Listowel and then, after 6 years absence, back to Hanover for a second term. Other appointments held by Rev. Mr. Watts were at Mount Forest, Creemore, Meaford, Markham, Stirling, Frankford, Haldimand, Coburne, Garafraxa (living first year at Black Horse, second and third years at Enniskillen), Eugenia Falls, Cedarville, Henfryn.

#### Came Here in 1894

This Methodist minister, an earnest evangelistic preacher, with a reputation for great devotion to his calling, was superannuated in 1894, and he and Mrs. Watts, who always was deeply sympathetic with her husband's work, came, with their family to Walkerton, to reside. In 1910 he died, after being a helpless invalid for seven and a half years.  
In the twilight of her life Mrs. Watts continued to demonstrate those qualities of heart and mind that endeared her to so many, and she was considered one of the "grand old ladies" of this district. Each year her birthday was the occasion for relatives, including those living at distant points, remembering her in person or by telegrams and gifts, as did her local circle of friends. She resided on this earth, as she will in the next world, the blessings promised in the Scriptures to those whose lives are spent unselfishly for others. Mrs. Watts did not suffer from any physical ailment, her constitution just was weakening with the advance of old age. On January 25th last, the 95th anniversary of her natal day, the deceased was remarkable as she ac-

knowledgeed the felicitations of those who called.

During her last years Mrs. Watts was tenderly cared for by Miss Watts and during the past year and a half by her and Mrs. Girdwood; another daughter.

95 and 11 Children Living  
Mr. and Mrs. Watts made a fine contribution to their country in raising a family of 12 children, and considering the early training they received under such parents, it is not surprising that they grew up to be the most desirable type of citizens. The eldest son, having followed his father in the Methodist ministry, passed away seven years after he was ordained, but the others are living. They are Mr. T. J. Watts, Winnipeg; Mr. William Watts, Vancouver, B.C.; Mr. Bert Watts, Edmonton; Mrs. J. R. Dickson, Guelph; Mrs. W. R. Girdwood, at home, formerly of Stirling; Mrs. W. N. Lapp, Guelph; Mrs. G. E. Speiran, Brussels; Mrs. J. E. Bickel, Edmonton; Mrs. A. Jeckell, Toronto, and Miss Samantha, at home.

Besides those there survive 43 grandchildren and some 40 great grandchildren, and the deceased took a deep interest in them. The deceased had living two brothers and one sister, all over 80.  
Mrs. Watts' own family were the Norworthys of Widdowcombe Hill, Devonshire, England, who came to Canada in 1862, settling at Thamesford, Oxford County. The family became leaders in business and good citizenship and the name of Norworthy was prominent in the Canadian Expeditionary Force during the Great War. Major S. C. Norworthy, one of the Assistant General Managers of the Bank of Montreal, was a nephew of the late Mrs. Watts.  
Since coming to Walkerton Mrs. Watts was a member in a very real sense of St. Paul's Church, and from the time it became a Union congrega-

tion, though her attendance at services had not been regular, she followed with old-time interest the work in its different departments. Three years ago she was there on Mothers' Day and, that fall, on Communion Sunday.

The funeral was held on Friday afternoon from St. Paul's Church. The service was at 2:30 o'clock and burial of her remains took place in the family plot in Walkerton cemetery.

#### MINTO

(Too late for last week)

Mr. and Mrs. Blake Sharpe and family spent Sunday with Mr. and Mrs. John B. Hagerman.

Mrs. A. Heath visited her daughter, Mrs. C. Morgan, last week.

We are sorry to report that Miss Eileen Farrell is ill in Kingston Hospital. We wish her a speedy recovery.

Master Earl McMaster is visiting friends at Corbyville.

Miss Bernice Hogle spent a few days with Miss Edna Reid.

The Minto Girls and Boys were successful in winning the ball games last week.

Twined—Five young men, all residents of Tweed vicinity, were arraigned before Magistrate Casement in the County police court held in Belleville on Saturday and all pleaded guilty to various charges of breaking, entering and theft from the residence of Miss Molecroft, and the barber shop of Mr. W. Grier, in Tweed. The five youths, who had been arrested by Provincial Officers Hill and Kelly, were Edward Sinclair, Walter Vilneft, Osborne Woodcock, Grant Simmons and Carson Moon. All five pleaded guilty and three of the accused boys were given jail sentences as they had been convicted on previous occasions on various charges.

**When PAIN Comes**

WHAT many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sours. The corrective is an alkali, which neutralizes the acids instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia.

One spoonful of this harmless, tasteless alkali in water neutralizes instantly many times that much acid, and the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go, get a small bottle to try.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 50c a bottle—any drug store. (Made in Canada.)

Frankford—After serving the congregation of Frankford United Church for the past four years, the Rev. A. S. Doggett will exchange pulpits with Rev. J. F. Lane, of Canton, Ont. Mr. Doggett and family will move to the new charge about the end of June. They will be missed not only by their congregation, but by the entire community in which they have taken active interest during Mr. Doggett's pastorate.

Deseronto—Beginning July 1st, the office of the customs department in Deseronto will be closed after having been in service for over thirty years. Mr. Maloney, customs officer in charge of the office, has been advised of the closing, but so far has received no communication affecting his transfer. Lack of business is the reason for closing. The business will largely go to Napanee and some will probably pass through the Belleville office.

Campbellford—Honour has been brought to the Peterborough Diocese and to Campbellford in the announcement made by the Catholic Women's League, now in session at their annual convention in Toronto, that Gerard Black, son of Mr. and Mrs. Chas. Black, of Campbellford, and a pupil of St. Mary's Separate school, gained first honors in the Provincial Scholarship Contest, in the class sponsored by the Catholic Women's League. Second place went to a contestant in Kingston Diocese and third place to the Toronto Arch Diocese. First place in this contest carries with it a cash prize of \$25.

Belleville—His Honor Judge Maden, of Napanee, opened the General Session of the County Court here on Tuesday. Twelve cases were to be heard with only one criminal charge being on the list. Following the opening His Honor called the following Grand Jurymen to assume their duties: Wm. J. Bowen, Deseronto; Robt. Campbell, Coe Hill; Charles Keene, Madoc; Bert Livingstone, Wollaston; Conger McConnell, Rawdon; W. J. Moraw, Hungerford; Wm. H. Moorhead, Thurlow; Garrett, Morton; Tweed; Joseph O'Brien, Wollaston; Douglas Row, Belleville; Frank Smith, Madoc; Samuel Wickens, Huntingdon; Robt. Wright, Marmora. Forty-seven of the 48 Petit Jurymen called answered to their names, one jurymen having a doctor's certificate of release from duty.

White Plains, N.Y.—The arrest of Ernest Brinkert and the declaration of White Plains police that Dr. John F. (Jafse) Condon had identified a picture of him as a representative of the Lindbergh kidnapers followed quickly last Friday night upon the suicide of Violet Sharpe, maid in the Dwight W. Morrow home at Englewood, N.J. Brinkert, a taxi driver, was arrested at New Rochelle and was being brought here for safekeeping, police said. Meanwhile, it was learned that Dr. Condon had looked at a picture of Brinkert and declared: "That's the man." This was taken to mean that the "Jafse" of the Lindbergh kidnaping negotiations saw a resemblance between Brinkert and the man to whom he paid \$50,000 of Colonel's Lindbergh's money as a ransom for the return of Baby Charles Augustus, Jr. Condon knew the man as "Jafse" and though he was a Scandinavian.

Belleville—W. J. Campbell, acting principal of the Ontario School for the Deaf until the appointment of H. B. Fetterly as superintendent, is retiring from teaching at the school after 38½ years. He was presented with a walnut smoking cabinet by the staff and senior students.

Toronto—Any chance that an inmate of a Wisconsin mental institution describing himself as Ambrose

J. Small might be the missing theatrical magnate vanished Monday when Miss Florence Small viewed a photograph of the man. "There is not the slightest resemblance," Miss Small said when shown the picture by Philip Morris, Hamilton lawyer.

Frankford—After serving the congregation of Frankford United Church for the past four years, the Rev. A. S. Doggett will exchange pulpits with Rev. J. F. Lane, of Canton, Ont. ### CAMPBELLFORD

Miss Hazel LeBrash and Miss Mabel Mitchell, both of Rochester, N. Y., have spent the past week in town prior to their leaving on July 1 for California. They will return by way of Vancouver, the Canadian Rockies and Great Lakes, and expect to be two months on the trip.

Mr. and Mrs. Robert Innes, Geymour, had as their recent guests their daughter, Mrs. R. W. Oliver and Mr. Oliver, of Thomasburg. Miss Esther Innes returned home with them.

Mr. and Mrs. T. S. Baker and Morley are in Toronto this week attending the graduation exercises at which Mr. Ward Baker will receive the degree of Doctor of Medicine. Arrangements are under way to hold a three-day field event for Scouts of the Campbellford district on Saturday, Sunday, Monday, July 30, 31, and August 1, and Scoutmaster M. H. Sergeant and Assistant Scoutmaster V. Newcourt of the First Campbellford Troop are in communication with troops of the district to ascertain their willingness to participate in this affair. It is estimated that about 200 boys will take part in the event and will go under canvas in a camp which will be established on the Fair Grounds.

Breaking out in the roof of a frame summer kitchen at the residence of Arthur Donald, Campbellford, Thursday afternoon, fire caused the loss of approximately \$800 and gave a difficult task to the local fire brigade, which after a hard fight with the assistance of neighbors and two streams of water were able to save the brick house and contents. The fire which is thought to have started from an overheated stove pipe, was fanned by a strong wind, and it was not until extra water supply was brought to bear on the building that it was eventually stayed from spreading to the main portion of the house and extinguished. The kitchen, with some contents, however, was wrecked. Insurance was carried on the building. One casualty was sustained when fireman John Massie sprained his ankle descending from the fire truck and was taken away for medical treatment.

Mrs. H. Mason Canrobert Street, has received the news of the death of her brother, Mr. Stewart Jamieson, who died at Grace Hospital, Toronto, on Friday.

Miss Mary McGregor, of Peterboro, spent the week-end the guest of her parents, Mr. and Mrs. J. F. McGregor,

Mr. and Mrs. William Sweet, of Trenton, were visitors to town on Friday.

Miss Annie McKenzie, nurse-in-training at the Nicholas Hospital, Peterborough, is visiting friends and relatives in town and district.

The Russells estate on Oliver Street was sold, by public auction, on Saturday, for \$1,000, the purchaser being A. G. Thompson. Furniture and effects sold good. J. R. Battisby was the auctioneer. A large crowd attended the sale.

Mr. and Mrs. Lambert Paffy, with Miss Maybelle and Master George, of Toronto, visited Mr. and Mrs. E. C. Dolman over Sunday.

Miss Nellie Davidson, of Toronto, spent the week-end with her parents, Mr. and Mrs. C. H. Davidson.

Mr. Sam Dudley, of Colborne, was a Saturday visitor in town. Election of officers featured the June meeting of the Stanwood Sewing Circle held at the home of Mrs. George Dunham last Wednesday, when the following slate was chosen for the current term: President, Mrs. John Laid; Vice-President, Mrs. C. Stephens; Secretary-Treasurer, Mrs. Murray Petherick; Press Secretary, Miss Iva Rowe; Organist, Miss Vera Rowe.

Campbellford, June 14—Incendiarism is believed to have been the factor in the fire which destroyed a house owned by Bernard George. In Campbellford early Tuesday morning on April 29 fire was discovered in the rear of the house and was extinguished with only the loss of the kitchen. When the flames were beyond control and the brigade organized its efforts on protecting the adjacent buildings. While at work a fire broke out in the centre of the barn which is about 100 feet from the house. The house was empty and the fire is the third one in that district in two weeks.

### HUNTINGDON COUNCIL

Ivanhoe—Huntingdon Council met on Monday, last week.

A Forrestal and J. Laffin presented bills for sheep killed by dogs. Ash-Mitz that bills be paid.

Woods-Wright, that road divisions Nos. 72 and 77 be put in one division, with John Lahey as pathmaster. A Hagerman and R. Reid interviewed Council about repairing hole on Rawdon boundary on 6th concession.

Woods-Ash, that road overseer repair the hill on boundary as soon as possible.

Council adjourned until 1 o'clock, when the reeve took the chair and opened Court of Revision for the hearing of appeals and errors against the assessment roll of 1932. Each member was duly sworn.

Murray Hamilton interviewed the Council about closing road between Concessions 6 and 7 at lot 18.

Ash-Woods, that by-law No. 576, closing road between concessions 6 and 7 at lot 18 be given its 1st, 2nd and 3rd reading, signed, sealed and numbered.

Ash-Wright, that Council adjourn to meet July 4 at 1 o'clock, p.m.

### SIDNEY COUNCIL

The June session of Sidney Council was held at Wallbridge on the 6th inst, with all the members present. The minutes of the May meeting were read and adopted. The Council issued a bond for the payment of a lost cheque issued in 1919 by the Treasury Dept. re Distribution of Railway Tax.

The request of Mr. Jos. Wilson, District Agricultural Representative, for the use of the Town Hall on June 28th, was granted.

The Council then went into Court of Revision for hearing and determining appeals against the 1932 assessment.

Several appeals were brought before the Court, seven of which were granted in part. The appeal of Herbert White, was presented by Mrs. White and the assessment reduced by \$750 owing to the removal of wood from the land assessed.

Mr. Frank Spafford's assessment was reduced by \$200 on his buildings. The assessment on Mr. G. Sinclair's lot and cottage appeared to be excessive and was accordingly reduced to \$500 on the cottage and \$100 on the land. The assessment on Mr. Lot's and Mr. Dawson's buildings were reduced by \$50.00 and \$400.00 respectively.

A representative of the C.N.R. Co. was present and asked that the assessment on the unused right of way in Sidney be reduced 50 per cent, or to an amount of \$6500. The Court reduced this assessment, namely \$13,000, by \$1400 on buildings and \$1,600 on the land.

There being no building on the Hydro Power Commission's property in Sidney the assessment of \$300 on buildings being an error was struck off, the assessment on the land remaining the same. The other assessment appeals brought before the Court failed.

Appeals for corrections on assessments on dogs were granted with the exception of the appeals of Wm. Jackson, Wm. Titterton and A. D. Holton.

The work of the Court of Revision being finished, the Council resumed. A Committee composed of the Reeve, Deputy-Reeve and Road Superintendent was named to meet a committee

from Trenton Council re opening a roadway from the property of Mr. Geo. Frost, said property being a part of Bay View Gardens.

The following accounts were ordered to be paid: Geo. W. Ketcheson, \$5.48; Ont-Intelligence, \$4.50; Pat-tenick's Store, Trenton, \$26.96; Mrs. P. A. Twiddy, \$12.00; Maxwell Hold-en, \$4.00; H. C. Armstrong, \$3.00.

A grant of \$50.00 was made to Sidney Twp. School Fair and the road expenditure for May, under Voucher No. 4, was ordered to be paid. The

Clerk was instructed to write the Dept. of Public Welfare re Township sharing the Relief Work money to be as well as on Township money to be spent on Relief Work in the future. By-Laws authorizing the tax Collector to accept partial payments where necessary in collecting taxes and to borrow money for current expenditure were passed and numbered 967 and 968 respectively.

The Council was adjourned to meet on Monday, July 4th, at 10 o'clock, a.m. W. H. Nobes, Clerk

**More people are buying CHEVROLET SIXES than ANY other car**

because Chevrolet gives more for the money

The new Chevrolet became Canada's largest selling automobile because it offered the public outstanding value in a low priced car. Today, Chevrolet is maintaining its lead in sales—because, with prices reduced and quality unchanged, Chevrolet has increased its lead in value. For the first four months of 1932, Chevrolet has outsold the next leading car more than two-to-one.

Drive a Chevrolet—how much more it offers than you can find elsewhere in the lowest price field. Smarter styling—Chevrolet emulates the modern lines and modish fittings of expensive custom cars. Finer coachwork—for Chevrolet, alone in its field, has bodies by Fisher, with their lasting, quiet hardwood-and-steel construction. More advanced features—because of Chevrolet's Free Wheeling, silent Synchro-Mesh gear shifting and many other up-to-date advantages. A more economical engine—because with its built-in smoothness, its speed and acceleration, the Chevrolet six-cylinder power plant costs less to operate than any other automobile engine of comparable size and power. A more thoroughly proved product—because no other 1932 motor car is backed by the satisfactory road-experience of so many thousands of owners.

A Greater Value than Ever—because you can enjoy all these advantages today in any of thirteen big, quality models—at reduced prices—and on small payments spread over a period of months.

## A Great War! A Great Pestilence! A Great Depression!

ALL within twenty years. Could there be a more gruelling test?

Yet life insurance stands invincible. During that whole period it paid every obligation promptly and fully—as it has ever since the Dominion was formed.

The Sun Life Assurance Company of Canada itself paid to policyholders and beneficiaries in cash during these periods—

The War (1914-1918)

The Flu (1919)

The Depression (1930-1931)

—over \$226,000,000. It has paid to its policyholders and beneficiaries since formation nearly \$600,000,000.

In prosperity, life insurance is valuable; in adversity it is indispensable. The protection of your home, the security of your business, the comfort of your old age, depend first on adequate life insurance.

### ROAD HOGS CAUSED 1,069 AUTO ACCIDENTS IN ONTARIO IN 1931

Records of the Motor Vehicles Branch of the Ontario Department of Highways show that in 1931 the most common cause of accidents in which the automobile was involved, was in the middle-of-the-road driving.

Limbs and property are at the mercy of the driver, who through ignorance, selfishness or just common carelessness, will not keep to the

right of the road.

Accidents cannot be blamed upon amateur drivers, as records show that considerably more than half of the drivers concerned in auto accidents last year were between 25 and 54 years old, and more than ninety per cent. of them had been driving for a year or more.

Work on filling the Stirling-Foxboro highway commenced this morning.

### ST. ANDREW'S W.M.S.

The W.M.S. of St. Paul's Church held their monthly meeting on Tuesday afternoon at 3 o'clock, at which the mothers and young children of the congregation were entertained. The S. S. room decorated with pennants and flags made a very beautiful setting for their delightful occasion. There were about six children present including the Baby Band and Primary Department. The meeting opened with singing of "When Motherhood is in prayer," after which Mrs. Rowland led in prayer. The President, Mrs. MacKinn, extended a hearty welcome to

the Mothers and Babies and expressed pleasure at having so many present. The Treasurer's report was accepted and the minutes of last meeting read and approved. Mrs. Shaw and Mrs. Jones were chosen representatives of the W.M.S. for the Mission Band meeting of June. Miss Hume, secretary of the Associate Helpers gave a very encouraging report and she spoke of being well received at the homes where she called. A call for second hand clothing or materials to be used in sewing for the September bazaar was issued by Mrs. Sine, the Supply Secretary. Mrs. H. C. Martin, the Finance Secretary, urged the members to use the envelopes and give as regularly and as liberally as possible so the allocation may be met at the end of each quarter. The Mission Band Supp. Mrs. Lucy, gave a synopsis of the work of the Band and asked for donations for the bazaar to be packed in September. The roll call was answered by a verse of scripture emphasizing the word "Child or Children." The children's hymn "When He cometh" was sung and Mrs. Jeffrey read the Scripture lesson from the 18th chapter of Matthew. Miss Mildred White then recited "Two Little Babies," which was well received. A reading was given by Mrs. E. Munro, entitled "A Woman to Women" and was much appreciated. The remainder of the program was given by the Primary children and their first number was a chorus "God sees the little sparrow fall." David Duffin then recited the piece entitled "The Value of twenty-five cents." A quartette by Ivy Lumis, Helen Jeffrey, Marie McKee and Irene Bronson was well rendered and was followed by a recitation by Isabelle Dobbie and Shirley Morse sang a welcome song to the Baby Band, bringing the program to an end. Mrs. Bell, a former member of the Society, was a welcome visitor and spoke a few words of encouragement to the members. Mr. Rowland, the pastor, was also present during the afternoon and expressed his pleasure at seeing so many mothers and babies present. The meeting was closed with prayer by Mrs. MacKinn after which a dainty lunch was served by the W.M.S. members. Small tables were arranged for the children and other tables were conveniently placed through the room for the ladies.

### I. O. O. F. GRAND OFFICERS

Toronto—Charles Plumb, of Prescott, was elected Grand Patriarch of the Ontario Encampment, Independent Order of Oddfellows, on Tuesday. Other officers are as follows: Grand Senior Warden, H. M. Schooley, Welland; Grand High Priest, F. I. Warrum, North Bay; Grand Scribe, S. C. Parks, Toronto; Grand Treasurer, E. C. Garbutt, Picton; Grand Junior Warden, A. M. Johnston, Niagara Falls; Grand Auditor, J. L. Leary, Toronto. Closed meetings of the Ontario Encampment and the Rebekah Assembly of the I.O.O.F. were held on Tuesday. Internal organization was discussed at the former.

### STIRLING W. I.

The Stirling Women's Institute met in the Community Hall on June 10th with a large attendance of visitors from River Valley, Wellmans and Carmel. The speaker for the afternoon was Mrs. J. M. Percival, Addison, Ont. The meeting opened in regular form, with the Institute Ode and Institute Tally song. After reading of communications and business, program followed. A selection by Mr. C. Allen, piano and Maurice Bell, banjo, "Roll on Mississippi, Roll on." River Valley Institute furnished a duet towards the program. Mrs. Norman Rosebush and Mrs. A. Pyear sang "For Home and Country." Mrs. Percival then gave a splendid talk and demonstration along the following:

1. Sideline to farm. One is poultry raising. Poultry should be culled once a year at least. Proper feeding and feeding is important. In killing, a killing knife should be used when killed properly will shed feathers dry.

2. Economy. Mrs. Percival showed samples of many things that can be made in our homes from our wool. The different articles made from paper, such as baskets, hats, purses. Old pottery is often made beautiful with scaling wax, plaster paris and lime touched up with a little paint, and by pasting on coloured paper. The value of sugar-making on the farm and of increasing use of maple butter made from the syrup.

Mrs. Clifford Galt, in her splendid way played a piano solo.

Mrs. Percival then spoke on the essentials of an Institute. Kindness, the gift of the greatest and "You and I" working for the community, not "I and you". A very enjoyable evening closed with the singing of God Save the King. A dainty lunch of cake,

### BONARLAW WOMAN FOUND DEAD

Mrs. J. F. Beswick, age 76, lifelong resident of Bonarlaw, was found by her husband on Tuesday morning lying beside her bed on the floor. Dr. Hamilton Crawford, of Marmora, was called and found that she had been dead for several hours. Mrs. Beswick seemed in good health on Monday night. Mr. Beswick states he heard a slight sound in the night, but thought it was animals, however, and Mrs. Beswick was in an upstairs room. She is survived by her husband and one daughter, Mrs. H. Boy.

### THE LATE MRS. A. J. HAMILTON

After an illness of four months, Mrs. Annie J. Hamilton passed away last Wednesday evening at her home here. Mrs. Hamilton was a daughter of the late Mr. and Mrs. James Dickson, and was born 66 years ago on the ninth concession of Sidney. She was a devoted member of St. Paul's United Church, Stirling, and a faithful member of the Ladies' Adult Bible Class as long as she was able. Mourning her demise are two sons, Ernest and John, both at home; two sisters, Mrs. Herbert Eggleton, Stirling; Mrs. A. Juby, of Stirling; one half-brother and one half-sister, James Dickson, Stirling, and Mrs. Turner, Sidney. The funeral was held on Saturday afternoon at 2.30 o'clock. The service was held in St. Paul's United Church, of which the deceased was a devoted member. Her pastor, Rev. E. W. Rowland spoke from the text, "He that overcometh shall inherit all things and I will be his God and he shall be my son." He said it was hard to believe in God when troublous times were upon us, that many feared death, pain and suffering and what is the antidote? Faith and simple trust will overcome all things and spoke of the wonderful triumph of faith in Christ over pain and suffering. Yeal even death by the departed mother. Mrs. J. Butler sang very feelingly "In the Garden" a great favorite of the departed. The floral tributes bore silent testimony of the love and esteem in which the departed one was held. The pallbearers were Messrs. Robt. Eggleton, Geo. Eggleton, James Stout, R. H. Williams, H. C. Martin, Fred Hulbert. Interment was made in Eggleton cemetery, Sidney.

### RYLSTONE

On Wednesday last week quite a number of the members of the Rylstone Women's Institute motored to Ivanhoe to the Annual convention of the North Hastings Branch of the Women's Institute. The officers elected for the coming year are as follows: President, Mrs. James Bailey; 1st Vice-President, Mrs. Whitlock; 2nd Vice-Pres., Mrs. Harris; Sec-Treas., Mrs. Nickle; Federation Representative, Mrs. Clements; Auditors, Mrs. Ross and Mrs. Hill. Convenors of the different departments were re-elected by the Ivanhoe Institute for the small sum of 25c, and was much enjoyed by the ladies. With the election of officers over, the test of the afternoon was given over to the following program—piano duet, by two Ivanhoe ladies, greetings from West Hastings, by Mrs. Shaw; piano solo, Miss A. McCoy, Cooper; demonstration on handicraft, Mrs. Allan, Toronto, (Mrs. Allan has been conducting a handicraft class at Cooper); address, Mrs. Chas. McCowan, Campbellford; piano solo, Miss L. West; "God be with you till we meet again," Mrs. Shaw in her remarks pointed out that if the first, second and eighth letters were removed from "Depress-

ion" the result would be "Press On." The ladies who attended the convention from Rylstone were "Mrs. John Simpson, Mrs. Fred Barnum and Evelyn, Mrs. Sanford McKeljohn, Mrs. Charles Stewart, Mrs. Wm. Stewart, Mrs. Mark Morton, Miss Jean Stewart, Mrs. Robert Mumby, Mrs. Herbert Spencer and Winnie, Mrs. Wilfred Spencer, Mrs. James F. Finch and Vera. The next annual meeting will be held at Wellmans Corners, where Wellmans and Rylstone ladies will entertain together.

Mr. Alex Fargy, township road boss and a few of the men in our community are repairing the roads on the 9th and 10th lines. Part of the hill which is known as "Sandy" Subland's hill, is being removed to make more room for cars to pass. This has always been a dangerous corner.

## CURRENT COMMENT

The first instalment of Stirling taxes falls due on July 1st.

We have heard no predictions as to the extent of the mosquito crop this year, but don't worry, there will be enough to go around.

Last Sunday was Father's Day. Did you notice that very little was said about it? Poor Old Dad always is kept in the background, Bless him.

Bancroft Times—The ancients believed the four elements of the universe to be air, fire, earth and water; the moderns maintain them to be air, water, gas and oil.

Gasoline is being stolen from cars in Belleville. Just another reason why rural residents should do their shopping in Stirling where the gas is safe and money will be well spent.

Four men died in Toronto from drinking wood alcohol and this in the face of the fact that they could have secured the other kind at government stores which is not quite as deadly.

The habit of paying one's debts promptly should be cultivated, says the St. Thomas Times-Journal. Another good habit is that of never incurring debts that cannot be paid promptly.

Neither the Department of Game and Fisheries nor the Ontario attorney general's department has any intention of prosecuting anglers for fishing on Sunday, both stated recently.

School days are ended for this term, except for those who still have to face examinations. The public schools close next Wednesday and then for the daily "trek" to the old swimmin' hole.

From time to time the News-Argus has advocated and urged rural residents to buy in Stirling. This is fine as far as it goes, but the question is, are the local merchants co-operating with the rural citizens, particularly the farmer, in every way he can? You know, co-operation is not one-sided. Some farmers have complained to this office in the negative.

### FARM FIRES CAUSE HEAVY LOSSES

The heavy losses sustained by the farmers of Ontario by fire during the past seven years, should cause every individual to carefully review conditions on his premises to convince himself that through no oversight of his, and his dependents, he becomes a victim of the fire demon.

The following gives an idea of some of the fires during this period:

Sparks from threshing machines—235.  
Spontaneous Combustion—448.  
Lanterns—332.  
Lightning, "unrodded"—739.  
These may be considerably reduced by careful attention and installation of good lightning rods.

Unknown losses provide a large percentage of the fires in the province—no doubt many of these could be properly classed, but time of origin of the fire makes it difficult to do this. Spontaneous combustion is being given serious consideration—a case in Peterboro County last year gives concrete evidence that it is no mere supposition, as the entire mow was emptied on notice of smoke, and the fire was found smoldering in the bottom. The solution is to be careful of curing crops, use plenty of salt. This is good for the stock and tends to prevent the type of fermentation that leads to spontaneous combustion. Care alone can reduce this serious class of fire.

Many dwellings throughout the district have shingles which are in such a condition that a spark from a chimney would cause certain fire. Chimneys passing through attics have taken a heavy toll. The small timble becomes clogged and the wood adjacent to it is dried in time that a little extra heat may easily, and does, cause an outbreak at most inopportune times.

### USE NEWS-ARGUS CLASSIFIED ADVERTISEMENTS

A PEN PICTURE OF COUNTY COUNCILS

(Bowmanville Statesman)  
There is much discussion going on in the press and here and there in public gatherings respecting the merits, demerits of the system of county councils. The Winchester Press is one that sees the usefulness of these municipal bodies long since passed. Getting down to "brass tacks" as the boys say, the Press continues, "there is very little real justification for the perpetuation of the County Council. Their deliberations, outside of road construction and collecting taxes to distribute to educational institutions, are practically nil and could be done just as easily, just as efficiently by two or three capable men either at the county town or at session of the County Council is from a business point of view a picnic for those who enjoy it, and a farce, so far as any real benefit to the County is concerned. As a matter of fact, most of a dozen clever wire pullers who know when to slacken and when to tighten their hold. The man who goes to County Council with independent and progressive views has as much chance of being successful in carrying out his ideals as Agnes McPhail has of upsetting the government. Keep in touch with the "bunch" if you want to get anything through, and don't grouse if you find that the "bunch" have put one over

A Toronto paper recording a recent death says that the deceased "started in life as a newspaper reporter." Either a tough assignment for an infant, we should say, or the Forest Free Press.

Financial Post—Those who expect a business boom to follow LaSalle and Ottawa should modify their hopes. Neither conference can do more than lay down acceptable principles upon which plans for recovery can be laid.

Kitchener Record—The worst thing about these school and college examinations is that the pupils have to learn so much in order to answer a few questions; and examiners have the nasty habit of asking something about the one thing the pupil didn't learn.

Premier Bracken, of Manitoba, must feel happy over his recent triumph in returning to power again, in last week's elections, thus showing it is possible for a government to be victorious in the face of hard times. We wonder how the Ontario government would fare in an election now?

Now is the time to begin swatting the fly. The death of one fly now means the elimination of possible millions later in the season. Not only is it important to kill those that gain entrance into the sacred precincts of your home, but destroy all breeding places. Fewer flies will mean less disease in Hastings County this summer.

"It ain't gonna rain no more" seems to be a reality in place of a great song hit, in this district. There was a little shower early Tuesday morning and also in the afternoon, but the district is in need of a heavy rain. The hay crop is light, and grain is also affected by the drought. "Oh, for a good rain" is on the lips of every farmer in this vicinity.

Many comments have been made by the weekly press regarding County Councils. Some claim they should be eliminated and the affairs carried on by the Province, while others maintain the present system the best for all concerned. There are arguments in favor of both views, but our opinion is that although the County Council may not be perfect, it is nearer the people than any government at Queen's Park would be.

If milk and butter were as extensively advertised as cigarettes and autos, no producer would complain of the price, says an exchange. It's easy on the throat, it satisfies, and a person would walk a mile to get it and take some. It has abundant power, pep and the perfume of health. It is the best food for the weak, and the best reducer on the market for the over-fat. It's cheap now, but price alone is a poor seller; it needs advertising.

We noticed in Monday's press notices where a man in New York put a telephone call to a friend in Vienna, that country, and in a few minutes central informed him "We are ready to Vienna". To his surprise it was Vienna, Austria. This shows that long distance calls to foreign countries are a common thing these days. Outside residents calling friends in Stirling had better add "Ontario" after, or they may be greeted by a Bonnie Scott's voice from Stirling, Scotland, after which our village is named. The telephone companies have certainly advanced to a high mark of efficiency in world-wide service.

If Stirling merchants expect to retain the business of farmers, it is up to them to buy as much farm produce from the district as possible—this includes beef, lamb, pork, butter, eggs, vegetables, etc. Even if a cent or two higher than the market price was paid the merchant would be well paid in his effort to make Stirling a market place. According to many farmers they complain that they do not get the accommodation from merchants regarding their produce that they should and are compelled to go elsewhere. The News-Argus passes this along, and trusts every effort will be made to make Stirling a good market place for the farmer at all times, but particularly in these hard times. We have been told that it is not always the farmer's fault that he does his buying out-of-Stirling.

on you when you were away." Our friend, the editor of the Press evidently is in the know respecting the practice and procedure in County Councils, "Stand in" it says, which, under the circumstances seems to be good advice, though contra to the theory that public business is disposed of according to the best interest of a concerned. Down east is evidently much like other parts of Ontario.

## COMFORT for COLICKY BABIES

### ... THROUGH CASTORIA'S GENTLE REGULATION

The best way to prevent colic, doctors say, is to avoid gas in stomach and bowels by keeping the entire intestinal tract open, free from waste. But remember this: a tiny baby's tender little organs cannot stand harsh treatment. They must be gently urged. This is just the time Castoria can help most. Castoria, you know, is made especially for babies and children. It is a pure vegetable preparation, perfectly harmless. It contains no harsh drugs, no narcotics. For years it has helped mothers through trying times with colicky babies and children suffering with digestive upsets, colds and fever. Give Castoria on hand, with

### STICK

Suppose the world's not using you as it should. Till you're tempted to believe that nothing's good. And no use to try again if you could. Other folks have felt the same now and then. Slumped a bit—then found their courage once again. Faced about and squared their shoulders, being men. Clung awhile when even clinging seemed in vain. Trusting skies would somehow brighten after rain. And went onward—whistling, too, with might and main. Are you hopeless? Know success and failure never mix. Hold your ground! Think more of winning! Flout the pricks! Man! A postage stamp's no good unless it sticks!

The man who says Ignace Paderewski has the lightest touch in the world evidently has never seen a boy of twelve washing behind his ears.

Young Mrs. Green—I wish to open an account here. Bank Teller—Very well, madam. How much do you wish to deposit? Mrs. Green—Oh, I didn't want to deposit anything. I want to draw out twenty dollars.

Doctor—You are undernourished. You should eat more substantial food. Patient—The spirit is willing, but the grocer's confidence is weak.

An idea is a microscopic germ. A slender, parasitic worm. That feeds on human minds—And starves on what it finds.

Dolly—But you wouldn't marry a man just because he's a good dancer? Polly—Oh, no, Jack is clever at bridge, too.

Missouri Money — Holdup men, please take notice: This is to notify you that I do not carry on my person the receipts of my various theatres. They are locked in time lock.

safes and taken to the bank in an armored car. I am tired of being held up. (Signed) Fred Wehrenberg—Advertisement in the St. Louis, Missouri Globe-Democrat.

Pratt — Thankful? What have I got to be thankful for? I can't even pay my bills. Snappy — Why man, be thankful that you are not one of your creditors.

What has become of the old-fashioned man who used to drink a lot of Porina just to get his picture in the paper?

First Artist (at Luncheon Club) — The hanging committee has ruined my picture by putting it next to the first dumb in the Exhibition.

Second Artist—I've got the same complaint. I looked in yesterday and found they'd hung my painting beside an absolutely frightful thing. Don't know what the place is coming to.

Third Artist (just joining them)—How do you do, fellows. I see they've hung your pictures side by side this year.

A woman was taking her small boy around the Louvre in Paris. When she came to Venus she said severely: "Now do you see what happens to people who go biting their nails?"

Doctor (to small boy)—Sit down, sonny. You have shown good manners long enough. Small Boy—It isn't good manners, Doctor—it's a boil.

"What do you do with you old suit?" asks a woman novelist, and many Stirling men will agree with us. "Take it off at night and put it on again in the morning."

About the time you begin to get a little gray you realize that jealousy, envy and hate are the berries of the poison vine of the rail fence of life.

Nanette — I caught my husband flirting. Jeanette — That's how I got mine, too.

Pretty Young Thing: "Are you sure these curtains won't shrink. I want them for my bedroom windows." Candid Clerk: "Lady, with your figure, you should worry whether they do or not."

## STIRLING VISITORS AT TWEED

(Tweed News) Mr. and Mrs. J. B. Bolshaw and Mr. and Mrs. Harper Rollins of Stirling attended the lecture given by Mr. F. J. Clarke, lecturer for the Department of Agriculture, Toronto, in the Guild Rooms on Thursday evening. Mr. Bolshaw referred to the work of Stirling Society, which boasts a membership of over 100 members. For the past two years they have been engaged in a project involving the construction of a wall along the side of the pond on the eastern side of the village. Shrubs and perennials donated by the local members of the Society have been planted and already there is a marked improvement in the appearance of a wall along the side of the pond on the eastern side of the village. The project is being carried out by the Horticultural Society.

## A LETTER OF CONDOLENCE

Stirling, June 13, 1932

Mrs. E. G. Reid,

On behalf of Stirling L.O.B.A. No. 655 we wish to extend to you our very sincere sympathy in the loss of your very dear father. We feel that while death comes to us all sooner or later, we always know that it leaves a vacant chair which no other can fill.

We are grateful that he was one of our true and loyal Orange members, and you will always have cause to remember, and to still carry on the principles of love and justice for which he stood.

Again wishing to express to you through the medium of this letter our sincere sympathy, we are yours in F. H. & C. Margaret Saries, Jennie Shaw, W. M. R. S.

## For the Month of June

### Mah Jong Luncheon

When a woman entertains she always likes to have something different. Many times cards are tabooed as a pastime, as all the guests do not care to play. But everyone enjoys a mah jong party once in a while.

So serve: Chop suey. Rice. Parker house rolls. Pickles. Ice Cream. Meringues. Sauce over (if desired). Tea.

Play mah jong. Have marshmallows mah jong candles at each table. Give Japanese or Chinese articles for prizes. Some suitable awards would be:

Japanese umbrella. Japanese bell. Mah jong pencil. Mah jong pad. Tea pot. Box of tea or tea balls.

Cleaning Suggestions There are now many handy styles of brushes which simplify cleaning. Get as many as possible. Like a—Bannister brush.

Wall brush. Refrigerator brush. Toilet brush. Bowl brush. Scrub brush. New paint brush (fine for cleaning window sills).

### COOKING HINTS

Home Made Chop Suey (Serves 16) 1½ pounds of veal (cut up). 1½ pounds of pork (cut up). 6 stalks of celery. 2 pounds of onions. 2 tablespoons of Fugi blend molasses. 3 tablespoons of chop suey sauce.

Method: Brown meat well. Cover with water and cook a long while. Add the vegetables and cook still longer. Add seasoning and thicken a little. This is better the longer it is allowed to cook.

### How to Prepare Strawberries

Always wash strawberries before hulling them. This prevents juice escaping after top is removed.

Cornflakes Cantaloupe This makes a delightful breakfast dish. Also a delightful dessert. Cantaloupe. Cornflakes. Sugar. Whipped cream.

Method: Chilli melon. Remove seeds from halved cantaloupes. Fill cavity with crisp cornflakes or toasties. Sprinkle with sugar. Cover top with whipped cream.

### BAKING HINTS

Orange Cream Pie — Try it! 1 cup of sugar. 3 tablespoons of flour. 3 tablespoons of cornstarch. ¼ teaspoon of salt. 1 cup of water. 3 eggs (use 2 of these egg whites for meringue).

Juice of 1 lemon. ¼ cup of orange juice. Grated rind of half an orange. Method: Bake pie shell. Then sift dry ingredients of filling. Put in top of double boiler. Pour boiling water over (slowly) Cook 15 minutes. Now separate eggs. Add the egg yolks, beaten slightly, slowly to the mixture. Cook 1 minute longer. When cool, add orange, lemon and 1 white of egg—beaten stiff. Put with meringue and brown in oven.

Meringue: 2 egg whites. ¼ teaspoon of baking powder. 4 tablespoons of sugar. (Copyright, 1932)

## GRADUATED WITH HIGHEST HONORS

K. A. Roberts, of Actinolite, a former student of Tweed High School, has graduated from Queen's University with particularly high honors. Dr. Roberts captured no less than five scholarships and secured high rating in all subjects. Following his graduation he again joined the staff at Rockwood Hospital, Kingston, where he will remain for some time. Following are the scholarships which he captured:

New York Alumni Association Scholarship (\$50) for the highest number of marks in embryology and histology in the second year award. David Mundell Scholarship (\$50.00) awarded to the student making the highest marks in the surgical applied anatomy and final examinations of Fifth and Sixth years.

Professor's Prize in medicine and clinical medicine. Medal in surgery. Canadian National Committee for Mental Hygiene Scholarship of \$50 awarded to student making the highest marks in psychiatry.

Mr. Roberts is a brother-in-law of Mrs. Harry Roberts, Stirling.

## \$65,000,000 FOR PENSIONS

What do governments do with all money? To people who constantly ask this question we suggest an examination of a return table in Parliament. What it shows is that for pensions alone, Canada last year paid out \$65,636,263. More than a million and a quarter dollars each week. War pensions alone are taking over \$46,000,000 annually. And on top of that there are Old Age Pensions, pension for retired civil servants, pensions for retired judges, pensions for others.

### SOW THISTLE

Sow Thistle with its creeping root stalks and thousands of seeds equipped so that they are blown long distances by the winds is the world's worst weed. Sow Thistle is found in every County and District in Ontario. In fact, in almost every township. This weed known as the Yellow Persic, is a real menace to the Agricultural industry of Ontario. For years farmers generally did not know the weed Sow Thistle. It did not know its life history and habit of growth, and therefore, it did not realize its importance until it had become well established.

Sow Thistle is perennial in nature. It spreads rapidly by roots and the seeds are carried long distances by the wind. The stems are from 1 to 5 feet in height, with few leaves and filled with a bitter, milky juice. The flowers are bright yellow, about 1 1/2 inches across and are found closed in bright sunlight.

Fay fields known to be infested with Sow Thistle should be cut on the green side and plowed immediately after the hay has been removed. If the weather is hot and dry, allow the plowed land to dry out for two weeks then cultivate thoroughly as a Summer fallow, and sow Fall Wheat, or plow again in the Fall and sow Barley or mixed grain the following Spring.

Such crops as Sweet Clover and late sown Buckwheat are excellent for controlling this weed. A hard summerfallow is also excellent for controlling all kinds of weeds. Early summer plowing destroys many of the roots and where this system is consistently followed in the rotation, Sow Thistle is kept under control. Many farmers have found early oats to be preferable to late oats for controlling Sow Thistle.

Due to the spreading habits of Sow Thistle, this weed is classified as noxious under the Ontario Weed Control Act which states that all noxious weeds under the Act must be cut down and destroyed. Weed inspectors are vigorously enforcing the Weed Act as far as Sow Thistle is concerned and are doing everything possible to protect the clean farms against the inroads of the world's worst weed.

Men's Section: President, A. G. Thompson; vice-president, C. W. Palmer; secretary-treasurer, A. J. May; executive, with officers, Mr. J. May, Mr. J. Brunelle, Joseph Pennele, and C. P. Sheppard.

Ladies' Section: President, Mrs. E. Pennele; vice-president, Mrs. W. McLaren; secretary-treasurer, Mrs. W. McLaren; executive, including officers, Mrs. A. G. Thompson, Mrs. W. S. Wigg, Mrs. L. B. Glover, Mrs. John Linton, Mrs. J. P. Archer and Mrs. M. O'Reilly.

A very large attendance of Masons featured the annual attendance at divine worship of Golden Rule Lodge, P. M., Campbellford, held on Sunday evening at St. John's United

Church, and at which the special preacher was the Rev. Bro. F. G. MacTavish, of the Seymour charge.

Special music was rendered by the choir under the leadership of Bro. Albert Hazel.

To resignations were received at a special meeting of the Campbellford Board of Education, one from Miss Jean Moore, B.A., of the High School staff, and the other from Miss Mary Watson of the Public School. Both resignations were accepted. It was decided that owing to the intention of the Board to cut expenditures, the position of Miss Moore would not be

filled, but the Board will advertise for the vacancy on the public school staff.

Major J. M. Bygott has been appointed Police Magistrate of Campbellford to succeed the late G. A. Layne.

Appearing before Mayor J. M. Bygott, in Campbellford Police Court Tuesday, James Hedger, 24, of this town pleaded guilty to a charge of speeding and was fined \$11.85, including costs. The offence was committed on June 17 in Campbellford, Chief G. C. Bromley laying the charge under the Highway Traffic Act.

## MOUNT PLEASANT

Mr. and Mrs. Manson McConnell visited friends in Campbellford one day last week.

Mrs. Ellen Sharp celebrated her birthday at the home of Mr. and Mrs. Will Johnson, Wellman, on Sunday, June 19th. Her family planned to spend part of the day with her, some for the dinner hour and others for the evening. We also join in extending birthday greetings.

Mrs. Herbert Miller, of Picton, is holidaying with her parents, Mr. and Mrs. Chas. Sharp.

Messrs. Conger McConnell and Will Potts were called to Belleville last week as jurors.

Mr. Theodore Reid, Weed Inspector, paid the farmers here a call one day last week.

Mr. James Linn treated the pupils of Allan school to a bag of candy on Wednesday evening as the youngsters had previously piled the wood. Needless to say they were loud in their praise of Mr. Linn's generosity.

Mr. and Mrs. Kenneth Weaver and Lole were guests on Sunday of Mr. and Mrs. Allan Reid.

The Y.P.S. are holding their annual picnic at Crowe Lake on July 1st. Miss Erma Andrews, R.N., of Nichols Hospital, Peterborough, is spending two weeks' vacation at the home of her parents, Mr. and Mrs. Thomas Andrews.

Mr. and Mrs. Charley Bailey and Miss Marguerite, of Elgin, Manitoba, Mrs. Garnet Bailey and Barbara, of Toronto, are holidaying at the home of Mr. and Mrs. Allan Bailey.

Messrs. George Stone and Lorne White and Miss Elda White spent Sunday in Kingston guests of Mr. and Mrs. H. P. McNevin.

On Sunday the choir rendered a pleasing anthem "O Love that will not let me go." Miss Olive McCornell and Mrs. E. McKeown took the duet and Mrs. L. C. Locke the solo parts. The pastor spoke from St. Matthew, 5:14 "Ye are the light of the world."

The June meeting of the Mission Band will be held Saturday afternoon at the church.

Mr. Ernest Sharp, of Frankford, spent the weekend with Mr. and Mrs. Donald Sharp.

Mr. Harry Montgomery, Frankford, and Miss Edna Rowley, of Toronto, and Maggie Rose of Murray, visited

relatives here on Sunday evening. Next Sunday, June 28th, L.O.L. No. 172, Wellman are holding their decoration service in the afternoon, and therefore Sunday School will be held at Mount Pleasant at 10 a.m. and church in the evening.

Y. P. S.

The President opened Y.P.S. on Friday evening with "The Lord of the Harvest" and after prayer by Mrs. Thomas McKeown a splendid devotional talk was given by Mr. Dave Bell. The third vice, Mr. Kenneth Holmes then presided, using "Ye hosts of Christians young and strong" and Miss Marguerite White read the lesson after which Mr. Clifford Holmes read a selection entitled "Courage." Mrs. Frank Smith outlined the topic "How a Christian should spend their vacation." The pastor conducted discussion period. A pretty duet was rendered by Miss Edna Thrasher and Mr. John Coggins. An "Age" contest was then enjoyed. The closing exercises will be held on Friday evening when we are planning to journey to Wellman and unite with them. It is hoped a large delegation will be able to accept the invitation of our kind friends.

Quarterly service will be held at Bethel on July 3rd.

Mrs. John Johnson spent a couple of days last week visiting at the home of her daughter, Mr. and Mrs. Jay Weaver, Belleville.

Mr. and Mrs. Blake, Sharp entertained Mr. and Mrs. George Weaver one Sunday recently.

W.M.S.

The W.M.S. met at the church on Thursday afternoon and the first vice president, Mrs. Ross Hoard opened with prayer and the hymn "Stand up for Jesus," after which all repeated the Lord's Prayer in unison. After the reading of minutes the members responded to roll call by a proverb. It was decided to answer roll call with a verse of the Scripture the keyword being "Thanksgiving." Plans were made to entertain the members of the mission Band on Thursday, July 21st, the visitors to supply the program. The program, based on temperance, was then given and a selection of proverbs was read, followed by singing of "Soldiers of Christ Arise." Mrs. G. Weaver read a leaflet entitled "Our Stewardship of Personality," urging us not to let our talents become rusty. Watch-

tower was given by Mrs. P. Smith. "A Text," Mrs. H. Thompson, "Importance," Mrs. T. McKowen, "Dance," Mrs. M. E. Smith, "At Thy Hand," The Studybook on Korea was given by Mrs. M. E. Smith, and Religion of Korea, "Mrs. McKowen; The challenge made by Youth, Mrs. Thrasher; Problems of relationships, Mrs. Smith; The church and Korean youth, Mrs. MacMullen. Several reports and all present offered prayer. Closing hymn "Come my soul, thy suit prepare." As the young men and young women in Korea face the new day they need the light of the knowledge of God as reflected in the face of Jesus Christ. Think God for the thousands of young people in the land of the dawn who are reflecting this glory in their pure faces as they walk with Christ along the Korean road.

Mrs. Will Potts and Miss Lelia Potts, Thursday with relatives in Prince Edward.

Several of the men were busy cutting hay on Monday. All enjoyed the hum of the mower was heard.

Miss Lelia Potts, R.N. returned to Ottawa on Saturday to finish her nursing course.

The little shower of rain on Monday evening was greatly appreciated but it is to be hoped we get more soon.

Miss Hazel Liddle, of Detlor, and Mr. John Fraser, of Bancroft, spent Sunday with the former's sister, Mrs. Thomas Andrews.

Miss Maggie Guernsey has returned home after a week's holiday with friends at Campbellford and Peterborough.

Mr. and Mrs. Ray Cooney, Howard and Lloyd were guests on Sunday evening of Mr. and Mrs. Dave Lamb, Stirling.

Miss Bernice Booth, of Hamilton visiting at the home of Mr. and Mrs. Charles Sharp.

The lawn social on Tuesday evening was a decided success. The proceeds at the gate amounted to over forty-three dollars. The slight rain in the afternoon cooled the air and ward off the mosquitoes. Several guests were present from Bethel, Leno, Burnbrae, Carmel and other points. Early in the evening a ball game was staged between Hoards and Carmel, with Hoards the winners.

During the evening the orchestra rendered several selections. Those in the orchestra were Mrs. Arthur Pyear, Messrs. Harry Brown, Tom Furnival, Morris Rose and Russell Pitman. A good lunch was served which included a dish of strawberries.

The church lawn was suitably decorated for the occasion.

The family of Mrs. Erion Sharp gathered at the home of Mr. and Mrs. Will Johnston on Sunday, June 19th, and celebrated her seventy-fourth birthday. Her daughter, Maggie, contributed a lovely cake for the occasion and it looked gorgeous with its seventy-four candles. The guests were Mr. and Mrs. James Sharp, Mr. and Mrs. Leonard Sharp and Burton, Mr. and Mrs. Claude Sharp, Mildred Orno, Gladys and Mack, Mr. and Mrs. Frank Young and George of Mount Pleasant, Mr. and Mrs. George Watson and sons, Mrs. Paul Sharp, Jack and Aletha, of Wellman. The many friends here join in wishing Mrs. Sharp many more such happy occasions.

## RYLSTONE

On Monday afternoon, June 13, Miss Dorothy Barnum and her pupils from the Rylstone Corners motored over to Rylstone and played a game of softball, with Miss Bateman's school. The score was 8-7 in favor of Rylstone.

Miss Helen Bateman visited at the home of Mr. and Mrs. Tom Reid on Monday evening.

On Wednesday afternoon, June 15, an open meeting of the Women's Institute was held in the Orange Hall, Springbrook. Mrs. Wm. Barlow, president of the Springbrook Institute acted as chair-lady for the occasion.

The hall was beautifully decorated with cut flowers and potted plants, crepe paper hangings, etc. Mrs. Barlow opened the meeting with a short address of welcome to the ladies from the neighboring Institutes. The following program was then given: Report of the year's work in the Springbrook Institute by Kathleen McComb, secretary; Community singing "Maple Leaf," led by Mrs. Gordon Webb, pianist; reading "Mother's Day," by Mrs. Isaac Brown, Bonarlaw; vocal solo, Mrs. Art Smith, Marjorie; address and demonstration on "Home Beautification, Inside and Out" by Mrs. Percival.

Many beautiful and useful things were shown in miniature such as rugs, quilts, comforters made from natural wool or cotton; paper rope work such as baskets, purses, etc.; poultry decoration, scissors painting, etc. Mrs. Percival then gave a short cunning and poultry raising talk. The next item on the program was a guitar solo by Miss Gladys Simpson, of Rylstone. Another short talk on "Essentials of an Institute" was given by Mrs. Percival. An "Ant" contest by Miss Kathleen McComb. God Save the King. A delectable lunch was served at the close of the meeting by the members of the Springbrook Institute.

On Thursday evening of last week the June meeting of the Rylstone Woman's Missionary Society was held at the home of Mrs. Will Allan. There were 16 ladies present. The meeting opened in the usual way, with the Doxology and prayer by the president. Hymn 191 was then sung. Roll call was answered with a scriptural verse, the topic was "Quiet." Minutes of the last meeting were read and approved. Hymn 196 was then sung. "Tell me the old story," followed by prayer by Mrs. H. A. Bunt. A reading "A Chat with young people" was then given by Mrs. John S. McKeown, and another reading "Victory of Faith" by Mrs. Hazel Barnum followed by a piano solo by Winnie Spencer "Country Gardens." A report of the Dominion Council of the W.M.S. was given by

Mrs. Hunt. Mrs. Harold Barnum and Mrs. Will Russell, then gave a duet, "A little talk with Jesus, middle of the night," accompanied by Mrs. Ruth Clifford on the guitar. The meeting closed with hymn 85, "A better day is coming," and the Lord's Prayer. Miss Ruth Gibson of Stirling spent the week-end with her brother, Mr. George Gibson.

Mr. and Mrs. Melville Finch and Evelyn spent Sunday with Mrs. Finch's parents, Mr. and Mrs. Bowin, in Stirling.

Mr. John Russell, of Buffalo, and Mrs. Bob Maybee, Campbellford, were Friday visitors of Mr. and Mrs. John Wilson, Sr.

Misses Jean Stewart and Vera Finch were visitors of Miss Ruby Morton on Friday.

The Rylstone Sunday School will hold their garden party at the home of Mr. Herbert Spencer on Friday evening, June 24th. A ball game will be played by two local teams. A program of sports and music will be given.

The Women's Missionary Society will hold their annual quilting dinner at the home of Mrs. Sanford Melkie-John on Tuesday, June 28th.

The July meeting of the Rylstone Women's Institute will be held on Wednesday, July 6th, at the home of Mrs. Hiram Barnum. The topic, "Home Economics" will be given by Winnie Spencer. Program Committee—Mrs. Ernest Irwin, Mrs. Roger Iath and Gladys Petherick.

## WEST HUNTINGDON

A miscellaneous shower was given to Mr. and Mrs. Earl Fox (nee Berne McCurdy) on Monday evening.

The shower of rain which came on Tuesday was also much appreciated.

A number of farmers are cutting their hay.

Mr. and Mrs. Ed. Bowen, of Toronto, and Miss Jean Fargey, of Belleville spent a couple of days at Mrs. Sarah Fargey's.

Miss Olive McGowan, of Belleville is home for a two-months' holiday.

The ball game on Tuesday evening was intensely interesting. Miss McCurdy carried off the honours. The score was 16-6. A number from Ivanhoe attended.

Mr. W. Hammond, who resides on the Ridge Road, reported a fine deer he had shot one day recently.

Endeavorers' Sunday School Class held a picnic at Oak Lake on Tuesday.

Those attending were: Rev. and Mrs. Truscott, Mr. and Mrs. W. Fitchett, Mr. and Mrs. Elmer Post, Mr. and Mrs. Melville Reid, Mr. and Mrs. Clifford Elliott, Mr. and Mrs. Thos. Elliott, Mr. and Mrs. Clayton Wright, Mr. and Mrs. Howard Cook, Mr. and Mrs. Peter Wilson, Mr. and Mrs. Philip Carr, Mr. and Mrs. Thos. Emmonson, Mr. and Mrs. Sandy McCurdy and Mr. and Mrs. Melville Donnan.

A good program of races, etc., was enjoyed by all. Mrs. Sandy McCurdy and Mrs. Rev. Truscott were winners of the older women's race. During the afternoon, Mrs. Truscott, the teacher, was presented with a fernery, as a token of esteem, by the members.

Miss Annie Ray, of Zion's Hill spent a couple of days with Miss Olive McGowan.

A representative of the Bell telephone Company was in town on Monday. Some new regulations were being made over our lines and a number of our subscribers are trying it out for a month. Phone rates are cut in half. The subscriber can call anyone he likes, but no one can call him. We believe, perhaps, this is a very good idea.

Mr. Fred W. B. Story, who is on Deputation work for the Evangelical Union of South America, paid a visit to the United Church on Wednesday evening. His talk was most interesting and 100 lantern slides were shown. There is certainly a great need of the Gospel in this neglected continent of South America.

Mr. and Mrs. Luther Fox, of Glen Miller were visitors in town on Monday evening.

Mr. Walter Mitts, Ridge Road, called on a number of his friends here on Tuesday.

## MADOC JUNCTION

On Thursday evening a number of neighbors and friends gathered at the home of Mr. and Mrs. Harry Clarke and presented Mr. and Mrs. Lyons. Hazel Danford with a handsome mantel clock and cut glass bowl. Mr. George McMullen called the gathering to order and Miss Annie Maloney read the address, which will be found under the Oak Hills correspondence. Both the bride and groom replied in a pleasing manner and invited their friends to visit them in their new home in Frankford. After lunch was served dancing was indulged in for a short time.

Mrs. Hannah Clarke and Mrs. Roy Wilson attended a W.M.S. dinner at the home of Mrs. Ernest Wilson at Holloway on Friday. Mrs. Hiram Ashley spent Tuesday at Roslin visiting her father on his birthday.

Mr. and Mrs. Phil Beaudrie were guests on Sunday of Mr. and Mrs. Andrews, of Yarker.

Rev. W. H. Truscott preached his farewell sermon at the church here on Sunday. He took as his text Luke 7, 37, and stressed the need of more earnest, kindly feelings toward people. His message was most timely.

Rev. and Mrs. Truscott will be greatly missed. They have been on our circuit seven years and have won many friends here.

Misses Dorothy and Helen McCulley, Mrs. Oliver Stanley and Mrs. Orvil Casement were among those who attended the funeral of Miss Ellen Farrell on Monday.

Mr. and Mrs. Geo. Eggleston visited the latter's brother, Mr. Egbert Hough, at Holloway on Sunday.

Pickled strawberries is the order of the day. Rain is badly needed just now.

Miss Alice Clarke and friends, of Belleville, were visitors on Thursday of Mr. and Mrs. Howard Juby.

Road Grants to North Meet Opposition

Hastings County Council had Friday morning made some progress on the question of allowing northern sections of the county their annual road grants which, although a yearly grant, this year met with some opposition from several members of the County Council. The Poor School Grant also met with equal difference of opinion.

Declaring themselves opposed to the resolution of allowing the grant to proceed, Mr. Geo. Arnott, Reeve of Frankford Village, Wm. Morton, Reeve of Huntingdon, Mr. A. L. Burke, Reeve of Sidney, W. H. Sayers, Reeve of Tweed Village and Mr. G. Jordan, Reeve of Hungerford wished to go on record as opposing the grants and also intimated to the Council that they would, next year, apply for equal grants to the territory they represented.

Assessments Unchanged

Members of the Hastings County Council appointed by Warden R. M. Mitchell for the purpose of equalizing the assessment of the local municipalities within the County of Hastings for the year 1932, composed of Reeves Frank Reynolds, R. M. Mitchell, Henry Larkin, Jas. Sprackett, Ernest Brown, Wm. Morton, W. J. Davis, Judson Gunter and Mr. W. H. Nugent, county clerk, recommended that the equalization of assessment for the year 1932 be the same as arrived at after taking into consideration the recognition of the unsettled condition of values at the present time. The resolution was concurred with by the councillors present, and was carried without any dissenting vote.

The figures are:

Elzvir	\$2,909,600
Thurlow	\$3,402,800
Tyendinaga	1,724,900
Rawdon	1,223,200
Huntingdon	914,900
Hungerford	1,912,800
Marmora and Lake	622,200

Stirling Village	373,700
Madoc Village	384,100

Tweed Village	493,700
Marmora Village	239,200
Bancroft	139,700
Deloro Village	170,100
Frankford Village	295,900
Carlou	82,800
Total	18,354,800

Marmora H. S. Sayers of the grant of \$3,000 to the Village of Marmora for the erection of a High School, some discussion took place among councillors during the Thursday session of the County Council.

Reeve W. H. Sayers of the Village of Tweed was of the opinion that the whole matter should be discussed thoroughly before the grant was passed. "Tweed" he declared, "built a school some time ago, with the expectation of receiving a grant from the government for the purpose of erection, but no grant was received. If this grant was passed, I'm not sure that the school in Marmora is built how many children from that village will attend it." "Twenty-seven of them."

The grant is small, and most of the cost of the erection will have to be sustained by the Village of Marmora which will issue debentures," declared Reeve S. B. Wright of Deloro village. "Mr. Sayers yesterday explained very clearly how the school would in time actually save this county this money they are now granting it. With that school there will be no necessity of having to transport the children to other ones."

Mr. Sayers said he did not misunderstand Mr. Wright's statement. "I'm not against the school—I'm just wondering if this is the regular procedure."

"From an economical standpoint," stated Mr. West, Reeve of Stirling village, "it is very difficult to hold the estimates down this year to former levels. To my mind, while I am not opposed to the school, still it seems a bad time to pass such a large grant."

A. L. Burke, Reeve of Sidney: "I'd like to see Marmora get this school, but we are passing through a very strenuous time. If the council feels they can afford it I have no particular objections, but I agree with Mr. West. It seems a bad time for us to pass such a grant."

"As I see it," declared D'Alton Clark, Deputy Reeve of Hungerford, "the council will, in time, make up the amount."

The motion for the grant, made by Mr. F. N. Marret, Reeve of Marmora Village and seconded by Mr. S. B. Wright, Reeve of Deloro village, when put to a vote, was carried.

A grant of \$150 made to the Central Ontario Cheesemakers' Association last year, but which was never called for, was again granted the same association, with a rider attached to the resolution, that such money will be expended in prizes and other ways in Hastings County only.

Set Same Rate As Last Year

Carefully paring estimates for the year 1932 in the interests of rigid economy by the committee named, is responsible for a stationary tax rate for the coming year duplicating the 14 1/2 mills which is the same figure as last year, in the completed estimates brought down to the County Council late Thursday afternoon.

This assessment further duplicates in both roads and provincial highways the same rate as last year, and is lower by one mill on both counts than the rate of 1930. The committee responsible for the rate set, which were named by Warden R. M. Mitchell, to prepare the estimates, were composed of C. W. Malley, Reeve of Town of Deseronto; Wm. West, Reeve of Stirling Village; James A. Moore, Reeve of Elzvir and Grimsthorpe; Ernest Brown, Reeve of Rawdon; J. B. Bronson, Reeve of Mayo; R. C. Brett, Reeve of Limerick; John Anderson, Reeve of Montegale and Herschel; George Arnott, Reeve of Frankford Village; County Treasurer Jas. W. Haggerty and County Clerk Mr. W. H. Nugent.

Both general rate and rate for debenture by-laws also remain the same as the figures set by the 1931 council.

The report of the committee on estimates is here appended:

On the motion of Reeve C. W. Malley and seconded by Mr. Geo. Arnott this report was carried without further discussion.

Oppose Use of Trucks

A letter from ratepayers of Tudor and Cashel opposing the use of trucks for road building which is being carried on in that district was read at Wednesday's session. Reeve Sprackett drew the attention of the Council to the fact that the work was nearly all done now, however, and was mostly intended for the "Hole in the Wall" work, which was being done some time ago. The letter was filed.

An acknowledgment from the firm of Porter, Payne and Arnott of their appointment of county solicitors was received.

A communication from Hon. Leopold MacAuley respecting county road No. 2 stated that the recommendation of the council some time ago that the road be given a permanent top would be given serious consideration.

Department of Game and Fisheries acknowledged the suggested amendment of the Game and Fisheries Act which was sent by Council some time ago regarding the use of dogs for hunting deer and the new time limit thereof.

Some discussion was aroused over the communication regarding the Earl Reid case, who has been attempting unsuccessfully to gain some recognition and recompense from the Compensation Board for injuries received when a stone fell over him while at work on a county road.

After some discussion the letter was filed, on the motion of Mr. Geo. Arnott, Reeve of Frankford and seconded by D'Alton Clark, deputy reeve of Hungerford.

Indigent Costs Up

The cost of indigents in the County has increased. The following are the total of expenditure for Indigent Accounts for year since 1927:

1927	\$1,186.25
1928	\$2,201.50
1929	\$5,543.55
1930	\$8,539.57
1931	\$9,153.85

A list of all accounts since the January session of the County Council was made available to members of the council.

MacAdam Is Decision of Board

Following report submitted to the members of the County Council late Thursday afternoon shows expenditures of the Roads and Bridges Committee up to June 1st, 1932. A great drop in expenditures is noted over the current costs of the year 1931.

His Honour the Warden, and Members of the County Council—

Gentlemen:

Your committee on Roads and Bridges herewith submit for your consideration and approval our report on the Expenditures up to June 1st, 1932, and a distribution of the appropriations for the year. The winter and spring conditions were very unfavorable for the roads but we were successful in keeping the roads so as the public were not inconvenienced to any great extent at a very reasonable cost. We are of the opinion that greater consideration should be given by the truckmen during the season when the roadbed is weakened by the effects of the frost by not overloading and complying with the regulations governing the use of trucks on highways.

The total expended up to June 1st was \$35,115.50 as compared with \$53,135.51 for June 1st, 1931. 317 laborers were employed for the month of May, 1931. While we may not be getting the unit cost of the work as low as 1931, we feel that the increased cost is justified by the greater number who are employed on short periods. The bridge painting for the season is about completed, which was done by local day labour at a reduction in cost of preceding years.

One concrete bridge will be constructed this year over the Moira river in Marmora Township. This also will be done with local day labor. Our policy this year is to spread the labour among as many families as can possibly be done.

In the Report submitted to the Council of last January, you were asked to consider the advisability of lowering the road tax rate one mill or leaving the same as former years. After a full discussion in the report it was adopted at the four mill rate as last year for the purpose of commencing a paving program on the Madoc-Belleville road.

At the April meeting of the Committee which was attended by the Chief Engineer—R. C. Muir and District Engineer A. N. Fellows, it was decided to ask for tenders for six miles of concrete and mixed macadam pavement also grading, etc. Mr. Robert Burnside, Madoc, formerly with the engineering firm of James Proctor & Redfern, was appointed Engineer to make a survey of the road and to be on the work in the interest of the County during the progress of the work of the contractor.

On April 19th, the time set for receiving the tenders—the Committee again met with Mr. Muir present and tenders were received from six companies for mixed macadam and five for concrete pavement. Bids in mixed macadam varied from \$74,327.35 to \$99,655.65 and in concrete from \$99,824.15 to \$124,710.00.

The Raynor Construction Company were the lowest bidders on each class of pavement and were awarded the contract on mixed macadam pavement. As there are two companies named the Canada Cement Co., of Point Ann and Fuller Gravel Co., of Huntingdon Township, both paying a large amount of taxes and employing county labour, your committee were of the opinion that special consideration should be given them in the use of their product, but as the cost of a concrete road was greater, as you can note above, we decided to accept the bid of the Raynor Construction Co. for mixed macadam, using Fuller gravel. This was changed later on the advice of the Minister and Deputy Minister of Highways to crushed stone, and the contract was prepared and signed accordingly.

Appropriations are recommended for various roads as follows:

Road 1, Sec. 1, Foxboro to Bannockburn \$35,000.00

Road 1, Sec. 2, Bannockburn to Maynooth \$18,000.00

Road 2, Actinolite to Kaldor Boundary \$1,500.00

Road 3, Marmora Village to Cordova \$2,500.00

Road 4, Trenton to Glen Miller and Farnford St. \$800.00

Road 5, Murray Boundary to Prov. Highway via Foxboro \$3,500.00

Road 6, Corbyville to Marlbank via Read \$3,200.00

Road 7, Shannonville to Roslin \$5,000.00

Road 8, Seymour Boundary to Tweed, via Stirling \$4,000.00

Road 9, (via Tweed) Harrow to Subside \$3,000.00

Road 11, Deloro to Eldorado Road, via Malone \$1,200.00

Road 12, Madoc to Cooper and Hazards to Actinolite \$3,300.00

Road 13, Chapman's Corner to Marlbank \$3,500.00

Road 14, Millbridge to Purdyville via Gilmour and Coe Hill \$4,000.00

Road 15, Marysville north to 6th Concession and East to Boundary and Deseronto \$1,500.00

General Account \$12,500.00

Miscellaneous or Emergency and Bridges \$5,500.04

Total \$158,000.00

(Signed)—Jas. A. Moore, Chairman; R. M. Mitchell, Henry Larkin, E. Brown, J. A. Gunter, W. A. Morton.

On the motion of Reeve Jas. A. Moore and seconded by Reeve L. E. Neal, this report was adopted without discussion.

SPRINGBROOK W. I.

A combined meeting of the Springbrook, Rylestone and Marmora branches of the Women's Institute was held in the Springbrook Orange Hall on Wednesday, June 15th. Mrs. J. M. Percival, of the Ontario Department of Agriculture was the special speaker of the day. Mrs. W. J. Barlow, president of Springbrook W. I., presided. The meeting opened with the singing of "The Maple Leaf" and the "Institute Ode", followed by the Lord's Prayer in unison. The minutes of the previous meeting were read and approved. The following program was then given. Community singing was enjoyed by all. Mrs. Isaac Brown gave a reading on "Moths". Mrs. Smith of the Marmora Branch rendered a pleasing solo, with Mrs. Thompson acting as accompanist. Mrs. Percival then gave a splendid talk and also some demonstrating along the following lines—Home Economics—She had with her samples of many things that can be made from our wool, such as mats, comforters, hats, etc.; also articles made from paper rope such as baskets and purses. The samples of pottery which had been made beautiful with sealing wax, plaster paris and lime, touched with paint and also by the pasting on of coloured paper, were very interesting. Mrs. Percival spoke briefly on canning, gardening and poultry raising. Miss Gladys Simpson, of Rylestone branch gave a splendid guitar solo "Paul Muley's March."

Mrs. Percival then spoke on the essentials of an Institute, stressing the points of unity, progressiveness and kindness. An "Art" contest was put on by Miss K. McComb, the winners being awarded a suitable prize.

Lunch was then served by the Springbrook W. I. and a social half hour was enjoyed by all.

West Huntingdon—Frank Humphries, the hired man at Mr. P. McIntyre's is leaving for England shortly where he will permanently reside with his parents who are not in good health.

## COUNTY BUILDINGS ON CROWN LAND

Nearly one hundred years ago, in the year 1836, construction of some buildings on county property, where administration buildings now stand, was authorized by members of the Hastings County Council of that period. Several buildings were constructed, authorization for payments was granted and occupancy commenced.

Today a solid block of imposing stone and brick structures house the offices and executive, who control the destinies of Hastings County. Friday afternoon at the June session of the County Council, a communication from the Minister of Lands and Forests of Ontario was received through the county solicitor. In the communication was contained a request for copy of patent of lands on property now occupied by the mentioned buildings.

"Didn't the county ever have a deed to this land?" enquired Mr. L. E. Neal, Reeve of Marmora and Lake. The question seemed to be obscured by a haze of doubt on the part of the councillors and the county clerk.

"How many years have we been going on like this?" "I took the trouble to look up some of the old records of the county," stated Mr. W. H. Nugent, county clerk, "and I find that in the years 1836 and 1837, some of the buildings on this property were paid for then."

The communication was laid over to the December session.

## General News of Interest

**Marmora**—The wedding took place at the United Church Parsonage, on Saturday, of Edward, son of Mr. and Mrs. William Wright, of Marmora, and Eva, daughter of Mr. William Haughton, of Cordova. Rev. F. H. Howard officiated.

**Ivanhoe**—The people of Ivanhoe are pleased with the appointment of their new pastor, Rev. H. Mellow, and all unite in expressing appreciation of the faithful and devoted services and splendid Christian character of Rev. J. N. Lovelace, who is leaving here for Manila.

**Norwood**—Among the many students taking part in the graduation exercises, on June 9th at Toronto University, was H. Keco McLaughlin, who has successfully passed his final year at the College of Pharmacy, and has been admitted to the degree of Pharm. B. Keco has secured a position in a drug store in Toronto.

**Belleville**—Driving with five in a coupe proved quite costly to a Holway motorist on Friday evening. Constable Taylor noticed the coupe in question being driven up Front St. with five passengers in it. He later gave chase and was fortunate enough to catch up with the car in question at the upper end of Station street where he ascertained that the driver

did not even possess an operator's license. The driver admitted to the officer that he was at fault and will be called upon to pay the usual fine meted out for such an offence.

**Marmora**—Injuries believed to be of a serious nature were sustained by Arthur, 13-year-old son of Mr. and Mrs. James Nobles, Sr., of Marmora in the noon hour on Thursday. The young lad, who was accustomed to riding mounted a horse belonging to Louis Green, which chanced to be grazing in the Pearce Company's mill yard and went for a short gallop. He apparently had ridden but a few minutes before in some unaccountable way he fell to the ground receiving injuries to his right leg and left side. Everett Gray, who was swimming with some other lads in the mill pond near by, carried the unconscious lad to his home a few yards away, where Dr. D. Thomson rendered first aid. Dr. H. Crawford was later in attendance. When the lad later recovered consciousness he was unable to tell how his injuries were caused, whether by the horse or by the fall. It is likely that he will be taken to Belleville for an x-ray.

**Burleigh Falls**—There's an old black cat here that is bent on being a mother. For some days now she has been doing her best to hatch out three eggs. To add further to the tangle the eggs are: duck, goose and turkey. The cat is said to come off the eggs occasionally to give them aid and gently moves them about in the nest. Mr. Stevens, one of the proprietors of the hotel at Burleigh owns the cat and a large flock of hens, ducks and turkeys. It was he who arranged the "setting" for the patient cat and he is anxiously awaiting results.

**West Huntingdon**—The people in this section will be sorry to hear of the untimely death of a boy who worked on the farm in this neighborhood for some years. John Hughes came from the Old Country and was engaged by Mr. Aaron Ashley with whom he stayed for some years. He then went to work for Mr. P. McIntyre and stayed only a year or so and went to Toronto with his brother. Of late he was working with Mr. Chas. Vysc, of Cambridge, and after his day's work went for a swim in a nearby pond and failing to return to his home, a search was made and his body recovered from the pond. John was a very quiet boy, beloved by all, and was a member of the United Church here.

### C. P. R. ENGINEER TO APPEAL CASE

**Belleville**—James Sinclair, C. P. R. engineer, who was convicted on a charge of criminal negligence heard before Judge Madden in the County Court here last week, will appeal the case, it is said. After deliberating more than eleven hours, the jury sitting on the Sinclair case rendered a verdict of guilty at 1.05 a.m. on Saturday last. Judge Madden sentenced the engineer to three months' detention and not more than two years less on day, indeterminate, in the Ontario Reformatory. Sinclair took

the sentence calmly and his counsel at once laid plans for appeal.

**Toronto**—Pending his appeal to a higher court, James Sinclair, Canadian Pacific railway engineer of Belleville, was granted freedom Monday on \$5000 bail. Chief Justice Ross set the bail at Osgoode Hall on Monday.

### OAK HILLS

Mrs. George Clark, Mrs. Roy Wilson and Lawrence attended a W. M. S. dinner and meeting at Holloway on Friday and report a bountiful dinner and enjoyable time.

Mr. P. Maloney and daughters entertained Mrs. Clayton Darrach and family, of Rawdon, on Sunday. Mr. and Mrs. George Cooke, West Huntingdon, visited the latter's parents, Mr. and Mrs. Wm. McMullen, on Sunday evening.

Mr. and Mrs. Ernest Wilson and children at Mr. Jas. Stapley's.

Mr. Murn Stapley saw a deer, he claims it to be a yearling buck, on Sunday, on the north end of his father's farm. The animal did not notice him and was quietly browsing around, and as he continued to watch it walked away out of sight and into the bushes. There are so many reports of deer seen around here lately we are wondering if there are not more than just one of them. However, we must protect these young visitors and maybe we can coax them to stay with us.

Mr. and Mrs. George Hamilton, Holloway, visited Mr. and Mrs. Nelson Stapley and family on Sunday.

We extend sympathy to the parents and family of the late Eileen Farrell whose funeral took place on Monday morning.

Mr. Jas. Stapley and daughter, Mrs. Roy Wilson, and Lawrence, visited the former's son, Mr. Harry Stapley and family at Carmel, on Sunday. Friends will be glad to know that Mr. and Mrs. George Towes' little daughter, Dorothy, is much better this last few days.

Mrs. Robert Chambers and Harold spent Thursday visiting relatives and friends at Frankford.

Misses Annie and Bernadette Maloney and Mrs. R. Wilson had dinner on Thursday with Mr. and Mrs. Earl Scrimshaw, in Stirling.

Some of the farmers are beginning to cut their hay and some are reporting none to cut, after so much dry weather. We certainly need rain.

A large number of friends and neighbors gathered at the home of Mr. and Mrs. Harry Clark on Thursday evening, June 16 and gave a party for Mr. and Mrs. George Lyons, (nee Hazel Danford) in honour of their marriage and prior to their removal to their home in Frankford. Mr. George McMullen called the gathering to order and Miss Annie Maloney read the following address:

Mr. and Mrs. George Lyons, Dear Hazel and George—

On this occasion we must permit our kindly trespass. We come as friends to acquaint your marriage. Hazel, we have known you for long years as a neighbor and pal and have found you faithful, loyal and true. It was here you began life and spent the sunny hours of childhood. As your life goes on in memory you will live again the happy occasions such as this one tonight, and we want to be your chums in these memory dreams. George, we have known you for several years as a jolly, good-natured chap, and we wish you to accept our hearty congratulations on your choice of a life partner. Though you are not to live in our midst you will not be many miles away and we hope to see you both often. We wish for you a happy and prosperous voyage on the matrimonial sea and in token of our sincerity we ask you to accept this clock and dial. May this clock, like the sun dial of old only record the sunny hours. Signed on behalf of the community—Annie and Bernadette Maloney.

Mr. and Mrs. Lyons in a few well-chosen words thanked their friends and neighbors and invited one and all to visit them in Frankford, after which lunch was served and the remainder of the evening was spent in cards and dancing.

### TWELVE DROWNED AND THREE KILLED IN ONTARIO'S WEEK-END DEATH TOLL

Jessie Conboy, Maberly, drowned in Fall River, east of Perth. George Varklan, road-camp cook drowned in effort to rescue Miss Conboy.

Earl Wilson, Wabash, drowned at Rondeau Government Park.

Arnold Free, Peterboro, drowned in Ottonabee River, Peterboro.

Warren Warrick, formerly of Corn wall, England, drowned in Mattagami River, Timmins.

Zelino Cacchetto, Sudbury, drowned in Richard Lake, near Sudbury.

Percy Hyde, Ottawa, drowned at New Orchard Beach, near Ottawa.

Howard Bulder, Dundas, drowned at Dundas.

Clarence Thompson, of Nanawee drowned in Nanawee River.

Russell Rankin, Hamilton, drowned in creek at Hamilton.

Teddy Westfield, Hamilton, companion of Russell Rankin.

Joseph Guilmond, Sudbury, drowned at Vermillion River, near Sudbury.

**Accident Victims**  
Neil Mattalin, Fergus, killed in motor-car collision on Fergus-Guelph Highway.

John Paul Gaudreau, of Opazatika near Kapuskasing, killed by motor car.

Camille Shauwaert, aged 21, Eighth Concession, Barb Township, in automobile collision.

Early summer's loveliest week-end produced no fewer than fifteen Ontario fatalities.

Twelve of the deaths recorded in last Monday's news despatches were drownings. Three persons lost their lives in automobile accidents.

Double drownings, in which heroic efforts to rescue cost an additional life, account for four of the list of

water tragedies.

At Maberly, Ontario, George Varklan, 38 years old, road construction camp cook, rushed fully clothed, into the water to try to save Miss Jessie Conboy, 22, but both met their death.

J. McGregor, who went to their rescue, was saved with difficulty.

The other double drowning—apparently another instance of a would-be rescuer giving his life in vain—occurred at Hamilton, where the bodies of 16-year-old Russell Rankin, 776 King Street West and Teddy Westfield, 15 750 King Street West, were recovered from a deep hole in a creek at the rear of the west end plant of the Canadian Westinghouse Company.

The details of this tragedy will never be known. Small boys found clothing on the bank and brought one body to the surface with a long pole. Apparently one of the two lads got into difficulties, and the other gave his life in an attempt to save him.

### MEN AT SEVENTY OUTNUMBER THOSE OF TWENTY AS EMPLOYED WORKERS

Ottawa—More men of 70 are at work in Canada than youths of 19. The septuagenarian of today is occupying the job that a generation ago his grandson would have secured.

The young Canadian does not really become a man until he is 28 years of age. At least half have to wait until that time before they are in men's jobs.

These are figures gleaned from the last census and just announced by the Dominion Bureau of Statistics.

At 28 the bureau points out, the Canadian's expectation of life is 42 years. Censuses show that of those who have reached the 70 mark only 41 per cent. were unemployed or on pension.

Of those who had reached the age of 19 there were 44 per cent. who had not found jobs.

The maximum proportion at any age in men's jobs is during the 40's whence it steadily recedes until the 60's when only half remain, just as only half had arrived at 28.

Records of the bureau show that the years spent in school by Canadian youth are lengthening.

### FARMER'S DELEGATION TO OTTAWA JULY 16

A big farmers' demonstration to Ottawa, to interview the government will take place on Saturday, July 16th. Special excursion rates on the Canadian National Railway have been arranged, the fare being \$4.50 return from Toronto. The farm people from one end of the province to the other have suddenly decided that they are going to Ottawa, en masse to present their views to the government on matters pertaining to agriculture which will be dealt with during the course of the Empire Economic Conference.

Taking up the lead on behalf of the farm people of the province, the United Farmers of Ontario have arranged the delegation. They secured the special excursion rates from the railroad and arranged the interview with the government. Having done that, they throw the delegation open and invite all rural people to make the "voice of the farm" heard so distinctly and forcefully that its echo will resound throughout the session of the Empire Conference. Talk it over with your neighbors. Club together with them to motor to a point where you can board the "Farmers' Special" or, if more convenient, motor directly to Ottawa. In any case, write a letter or postcard saying how many will be in your party and whether you plan to go by motor or by train. Address it, or inquiry for further particulars to The United Farmers of Ontario, Duke and George Streets, Toronto.

**EXCESS** acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained a standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless, and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts. Be sure to get the genuine.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth. (Made in Canada.)

### A RAW DECISION

On Tuesday night, in New York, Jack Sharkey, the gabby Yankee, was handed the World's Championship in a fight against Max Baer, a German, and the former champion. According to press and radio reports, the Teuton won the scrap, but the referee and one of the judges gave the "raw" decision to Sharkey. It is such maneuvers in sport across the line, that has given the U.S.A. a black eye in the sport sphere—and in many circles the decision is still (schmiedling), especially according to Canadian sports writers.

### DOG ATTACKS GIRL

Marcella Farrell, youngest daughter of Mr. and Mrs. Angus Farrell, Huntingdon township, was attacked by a neighbor's dog on Saturday night, when she went to pet it. The canine seemed to resent the petting and jumped at the young girl, sinking its teeth in her chest. Fortunately the dog was pulled away before Marcella was seriously injured. Her sister, Miss Mary Farrell, a graduate nurse, who had been called home to attend the funeral of her sister, the late Eileen Farrell, who was buried on Monday, administered first aid. The young girl is none the worse for the attack.

### CENTRE LEAGUE

One of the keenest games of softball was played between Evergreen and Minto on Friday night, the latter winning by the score of 6 to 3. Both pitchers were in top form, Gibson allowing only 5 hits and Burrell 8. Great interest has been created in this league and the teams are evenly matched. The following is the lineup:

Evergreen—Burrell, c; O. Rodgers, p; K. Stapley, 1b; B. Stapley, 2b; D. Rodgers, ss; O. Stapley, 2b; A. James, rf; C. Jamieson, cf; J. Mitts, lf. Minto—K. Cook, ss; T. Hagerman, 3b; J. Jeffrey, 1b; J. Gibson, 2b; A. Taylor, c; K. Munby, rf; G. Gibson, p; L. Tanner, lf; Reid, cf.

West Huntingdon defeated Ivanhoe at the latter place, but no report has been received of this or any of the other games played.

June 24—West H. at Evergreen.

June 24—Ivanhoe at Minto.

June 28—Minto at Evergreen.

June 28—Ivanhoe at West H.

### RAWDON LEAGUE

	W.	L.
Springbrook	5	1
Stirling	3	2
Glen Ross	2	2
Hoards	1	3
Bonarlaw	0	3

Last night Stirling took a step backwards when they dropped another game to Springbrook by the score of 1 to 7. The locals certainly aren't the team they were at the beginning of the season, and instead of improving are developing into a more or less "raggy" organization. The plays in last night's game were erratic, overthrows and fumbles being a feature. It looks as if Springbrook and Glen Ross intend to fight it out for the league championship.

Games played since last issue:  
Thursday night—Springbrook 36, Bonarlaw 5.

Monday night—Glen Ross 10, Hoards 8.

Last night—Springbrook 11, Stirling 7.

June 24—Bonarlaw vs. Hoards.

June 27—Stirling vs. Bonarlaw.

June 30—Hoards vs. Stirling.

July 1—Springbrook vs. Glen Ross.

July 4—Hoards vs. Glen Ross.

July 6—Bonarlaw vs. Springbrook.

July 6—Stirling vs. Hoards.

July 8—Glen Ross vs. Bonarlaw.

### DISTRICT CHEESEMAKERS MEET

The regular monthly meeting of the Stirling district cheesemakers was held at Anson factory on Wednesday evening with over 50 makers and patrons of the factory in attendance. Mr. Hiram Rogers occupied the chair. Short addresses were given by Bert Burford, E. J. Pyear and J. Wilson. Mr. Fred Mallory acting Secretary for the Ontario Cheese Factory Patrons' Association spoke in favour of each factory joining the association. In his remarks he spoke on the method of handling cheese on the Belleville Cheese Board and also referred to grading and marketing conditions as they existed today. The development of the organization was outlined from its origin at Belleville to the present, which now includes seven counties.

Mr. Zinfelt of the Kingston dairy address he referred to advantages of organization of Patrons and congratulated Mr. Rose, maker at the factory for his splendid work there. Mr. Zinfelt further dealt with future prospects in the cheese and butter business from the export standpoint and urged the patrons to support their local factories. C. F. Linn brought the meeting to a close and spoke briefly on difficulties experienced by makers in the production of high quality cheese. Girls' Conching classes are being conducted through the County and with few exceptions are being well attended by the girls of the district. Miss Helen Garbut, of Peterboro is giving the girls instruction in sewing, food values and table setting and the girls are quite interested in the demonstration and lectures. A judging competition will be conducted for these girls early in July at Belleville and the prizes offered include two scholarships to the high girls' school at North Hastings. The scholarships are donated by the women's institutes of these districts and the winning will be given two weeks' training at the McDonald Institute, Quebec.

### RIVER VALLEY W. I.

The River Valley Women's Institute met at the home of Mrs. Frank Taylor for their June meeting, with the President, Mrs. N. Rosebush, presiding, on June 2nd. The attendance was good and included a number of visitors. The usual opening exercises were dealt with and minutes of the May meeting were read and adopted. The roll call of "Printed Verse" on various intellectual subjects, prepared by Mrs. P. Utman, proved interesting. Correspondence was read and appreciation voiced for letters of sympathy received to hereafter during the month. A quilting was arranged for the 1st inst, Mrs. Conley kindly volunteering to prepare for same at her home. It was decided to continue the annual custom of devoting the July meeting to a "Children's Day". Mrs. Alec Bush again kindly offered her home for the lawn for the event. The girls members were asked to take charge of the entertaining and each member to contribute towards the refreshments. Mrs. M. Vandervoort conducted the enjoyable program which followed. Community singing, with various leaders. Reading of "Wit and Wisdom" from the clipping book of Mrs. G. Rosebush. General discussions on pastry making, with cake and other recipes volunteered. Reading, "All Mothers". Soap Contest prepared and given by Mrs. Vandervoort. At the close the hostess served home made candy and the National Anthem concluded the meeting.

### THE LATE EILEEN FARRELL

Residents of this district were greatly shocked when they learned of the passing of Miss Eileen Farrell, second daughter of Mr. and Mrs. Angus Farrell, Huntingdon township, in Hotel Dieu, Kingston, last Thursday. The deceased had been operated on for appendicitis two weeks previous. The operation was successful, but at that time it was discovered she was suffering from leukaemia, an incurable blood disease, and the attending surgeons gave up all hope of recovery. It was the third case in the history of the hospital. Although realizing that she was in the shadow of death, Miss Farrell did not fear the Grim Reaper, her only lament voiced was "I am sorry to leave so many of my pals and friends." Such displays the true character of the deceased. Miss Farrell was eighteen years of age and was one of the most popular students in Stirling high school, being in the fifth form. She had a ready smile in greeting and endeared herself to all who knew her. She was a keen student and clever in her studies, taking an interest in all school activities, and aided the younger students when possible.

She was a member of St. James' R. C. Church, and the funeral service was held there on Monday morning at 9.30 o'clock. The church could not accommodate the relatives and friends who had assembled to pay tribute to this highly esteemed young lady. Rev. Father Callaghan sang the High Requiem Mass and the Very Reverend Monsignor J. S. Nicholson, V.G., of St. Michael's Church, Belleville, assisted at the grave. Rev. Father Baker, also of Belleville, was present. The remains were interred in the R. C. cemetery. The Mass Cards and flowers were very numerous, silently showing the sympathy for the sorely bereaved ones. Friends were present from Tweed, Belleville, Marmora, Madoc, Campbellford and Frankford, as well as other places. The pall bearers were Messrs Tom Ward, Ivan Martin, Clinton Magee, Bob Bibby, Stirling, Jim Mummy, Springbrook, and Leo Forestell, Marmora.

She is survived by her parents, and three sisters and two brothers, Mary, nurse, who recently graduated from Hotel Dieu, Kingston; Rita, Regina, and Marcella and Vincent and Gerald, at home; also her two grandmothers, Mrs. Farrell and Mrs. Collins.

The News-Argus joins with the residents of the district in extending deepest sympathy to the bereaved family.

### ARTHUR FRANKLIN WESCOTT

Just when his life was brightest,  
Just when his years were best—  
He was called from this world of sorrow  
To a home of eternal rest.

After six months' illness there passed peacefully away on Friday, June 10th, at 6 p.m., in the Weston Hospital, Arthur Franklin Wescott, 20 years, beloved son of Mr. and Mrs. Elam, J. Wescott, 20 College Ave., Oshawa. Four years ago he confessed faith in his Saviour and united with St. Andrew's Church, his pastor being Rev. F. J. Maxwell, who conducted the service at the Armstrong Parlours, Oshawa, on Monday, June 13th. The number of friends present and the floral tributes contributed to the esteem in which Arthur was held. Beside his sorrowing mother and father, he leaves to mourn his loss a younger brother, Ralph, at home, and two sisters, Mrs. Kenneth Massey, Foxboro, and Mrs. Frederick Ashby, Oshawa.

The pall-bearers were Messrs Jim and Will Young, Fred Gilmore, Harold Sproule, Harold Barclay, Frank Britton, all members of St. Andrew's Young People's Society.

Tuesday was the longest day of the year, and the starting of the summer season.

### BORN

FRESTON—To Mr. and Mrs. Jas. H. Preston, 5th concession of Rawdon, on Saturday, June 18th, a daughter, Myrtle Bernice.

VANDELLEN—In Cleveland, O., on Wednesday, June 22, to Mr. and Mrs. Bert Vandenlen (nee Mary-belle Morton) a daughter.

### IVANHOE

The members of Beulah United Church gathered at the parsonage on Friday evening to spend a social hour with Rev. J. and Mrs. Lovelace, prior to their departure for a new charge. An appropriate address was read by Miss Myrtle Reid and Mrs. Lovelace was presented with an electric iron and toaster, while Rev. Mr. Lovelace received an electric reading lamp. Rev. and Mrs. Lovelace thanked those present in a few well-chosen words, after which speeches and recitations were given, followed by the serving of lunch.

### AYRSHIRE BREEDERS' FIELD DAY AT CROOKSTON

The Central Ontario Ayrshire Breeders' Club held their annual field day Wednesday, last week, at "Ivanhoe Farm", the home of Mector M. Wood, between Ivanhoe and Crookston, in Hastings County, with an attendance estimated at four hundred men and women, representing the dairy industry in the counties of Hastings, Northumberland and Peterborough.

As a social gathering and especially as an encouragement to the breeders of Ayrshire cattle, the event was a complete success. The visitors were welcomed by Joseph Wilson, Stirling, representative in Hastings County of the Ontario Department of Agriculture, and the after-dinner program included an address of special interest by Dr. E. S. Archibald, director of Dominion Experimental Farms, Ottawa, on the subject, "Feeding and Breeding of Better Livestock"; and other addresses by L. O. O'Neill of the livestock branch of the Ontario Department of Agriculture; W. E. Tummon, M.P., Tweed, member for South Hastings; Frank Napier, Ottawa, secretary of the Canadian Ayrshire Breeders' Association; David Hunter, Grimsby Beach, field man for the Canadian Ayrshire Breeders' Association, who also conducted a judging demonstration and sale of listed cattle, and others.

### NOTICE OF REGISTRATION OF BY-LAW

NOTICE is hereby given that a by-law was passed by the Village of Stirling on the 26th day of May, 1932, providing for the issue of debentures to the amount of \$28,500.00 to pay for a waterworks system in the Village, and that such by-law was registered in the Registry Office for the County of Hastings on the Second day of June, 1932.

Any motion to quash or set aside the same or any part thereof must be made within three months after the first publication of this notice, and cannot be made thereafter.

DATED the 14th day of June, 1932.

G. H. Luey, Clerk

(French, Latin); Wright, Monna.

The promotions of the other students of Form II. depends on their success at the Departmental Examinations.

## LEAVE LANTERNS ALONE

Someone has been tampering with the lanterns, which are left burning at night along the waterworks trenches to guard the public. The News-Argus desires to warn that anyone found tampering with, or moving such lanterns, will be penalized.

## OLD COINS

Since publishing an article on old coins, several other old pieces of currency have been unearthed. Mr. F. McKee displayed a collection to the Editor on Friday and among them were a Bank of Montreal penny of 1844, and an United States two-cent piece of 1866. Other coin dates were 1855, 1862, 1870 and 1887.

Mr. Karl I. Sine submitted an old English piece with the year of 1807 engraved on it. On one side is the picture of Britannia, and on the other side a picture of George III, along with his name. Who has an older coin than this?

## GOES TO NORWOOD

At the meeting of the local Legion, held on Monday, Mr. E. J. Spinks, who resigned as principal of Stirling H. S. and has accepted the principalship of Norwood high school, was presented by his comrades, with a fishing kit and the following address:

Stirling, June 27th, 1932.  
To: Lt. and Cde. E. J. Spinks, Retiring Charter Secretary,  
Dear Comrade Spinks,—

It is with deep regret on our part that you have to sever connections from us, since our association, after our Branch was formed, which was of such a sociable and congenial nature.

Your worth to us in organizing and promoting this branch, in every way where anything of work or worry was concerned, has been inestimable.

We trust that wherever you go, you and yours shall have every success, and that you will not be so great a distance from us that you will be unable to visit us from time to time.

Before leaving us, we take great pleasure in presenting you with this fishing kit and trust that when you are hauling in the big ones you will retain fond memories of Stirling and J. G. No. 228.

(Signed)—E. J. Dainard President;  
J. G. Butler, 2nd vice-President, and Comrades.

The News-Argus joins the many friends of both Mr. and Mrs. Spinks in extending them best wishes in their new home. They can truly be termed "ideal" citizens, and their departure is regretted. Mr. Spinks was ever ready to assist in the promoting of an organization for the welfare of the village and community, and it was really through his efforts that the local Tennis Club was organized.

## BUYS SIDNEY FARM

Mr. George Hammond has sold his farm in Sidney township to Mr. Jas. Dunkley, of Seymour, who takes possession in the near future.

## P. O. Hours To-morrow

The general wicket at the local post Office will be open from 8 a.m. to 9:30 a.m. only tomorrow, Dominion Day, and there will be no delivery on the rural routes.

## HAYING TIME

What has so sweet an aroma as newly-mowed hay? Cutting of hay is now in full swing in this district. The crop is reported to be fair in this section. However, the recent rains, although light, will aid greatly the second growth of alfalfa as well as grain crops.

## HURTS FOOT

The first accident since the work on the permanent waterworks started occurred on Monday morning, when Mr. Eric Lovell, engaged in unloading pipe, had his right foot jammed between two pipes. The injury was painful but an X-ray showed that no bones were fractured. He is again on the job, but is compelled to walk with a limp.

## Transferred to Montreal

Mr. Harold Dingman, who has been connected with a Lithographing Co. in Cleveland, O., for the past six years, has been transferred to Montreal, where he will assume the duties as manager for his Company's Canadian Branch there. Along with Mrs. Dingman (nee Irene Barker) he moved to the Quebec Metropolis yesterday and will take over his new duties today.

## BOWLERS AT BRIGHTON

One rink of local bowlers, composed of Dr. E. A. Carleton, C. R. Bastedo, J. E. O'Donnell and W. J. Whitely, skip, took part in a tournament held in Brighton yesterday. The local team won the first game 19 to 3, and in the second game were tied to the last end, but lost by one point. Only two games were played owing to the rain, which made the greens unsuitable for play.

## SOFTBALL TROPHY

Ward's Clothing Store has donated a suitably engraved silver trophy, sixteen inches high, to the championship team of the Centre and Rawdon Softball Leagues. The "Mug" is now on display in that store's window. The winner is to be decided after the schedule of each league is completed; the two leading teams to play off. The cup will be the permanent property of the team holding it for three successive years.

## SUMMER WATER COSTS

There are some citizens who have a mistaken impression regarding the charge for the summer water system this year. The News-Argus explained this in a past issue, but apparently it has been forgotten, or was misunderstood. It was thought that the permanent waterworks would be in place before the summer system was disconnected, and with this in view the Council set the charge at \$1.67 per month from the time it was turned on, which was about the first of May, until turned off, or \$10 per season. Therefore, if a citizen does not start to use the water until June, or July or August, and continues to do so until the water is turned off in November, if it operates the full season, he is compelled to pay the full \$10. If the water is turned off in September, for example, he will pay \$1.67 per month from May 1st, when water was first turned on. Some citizens think they only pay \$1.67 per month, and if they only use for June, and then shut it off, they only have to pay for one month. This is not so as the charge is \$10.00 per season, even if the tap is only turned once. One citizen has made himself liable to a penalty for taking a plug out of a line. He is now liable for one season's water, or \$14.67 per month from May 1st, when water is turned off, whether he wants to pay for it or not. It would be a fine state of affairs if anyone could tap a line whenever he so desired, without the knowledge of the Council.

Miss Mildred Maynes Wins  
First Prize in Sub. Contest

Good Will Subscription Campaign Is Concluded — A Number of New Subscribers Added — Prize Awards Made to All Contestants

The News-Argus "Good Will" Subscription Campaign closed last Saturday night, with approximately three hundred new, paid-in-advance subscribers added to our lists, along with hundreds of renewals. Although "Old Man Depression" was present, it made no difference to the success of the campaign. The publisher is highly gratified at the success attained and the results have fulfilled our highest expectations. The zeal and energy of the candidates and the good-will of subscribers, both old and new, have been beyond all praise and gives us a feeling of encouragement and assurance for the future.

We wish to express our sincere thanks and appreciation to all who took part in the campaign, particularly to Mr. R. L. Williams, the Campaign Manager, who came to us highly recommended by outstanding weekly newspaper publishers for his ability and fair and square dealing with the public and candidates, and through his efforts nothing but a feeling of good-will remains. Especially do we wish to thank every candidate who worked throughout the contest, and extend our gratitude to all subscribers, both old and new, who responded to the solicitations of the candidates in such a favourable manner. We appreciate the fact that many actually extended every effort to help their favourite contestant. Also we thank the judges, Bank Managers A. S. Murdoff and W. H. Moise, who assisted in counting the last week's returns and awarded the prizes.

Miss Mildred Maynes, of R.R. No. 2, Stirling, the winner of the contest, worked diligently throughout the entire campaign, and receives our congratulations in winning the first grand prize.

## AN OLD PAPER

The News-Argus is indebted to Mr. Walter Barker for a copy of the Canington Gleaner dated July 11th, 1872. At that time the late Jas. Curry, who published the News-Argus for over forty years, was editor. The late Mr. Currie started the Gleaner and it was in its third year in 1872. The paper was composed of four pages, twenty-four inches deep, seven columns, all home print, and the news was mostly short stories. Steamship lines also considered the weekly a good advertising medium in those days; and organs, melodeons and sewing machines were also displayed prominently in the columns. We take the following article:

A farmer recently advertised for a run-away wife, and called particular attention to the meanness of her desertion, just as the spring work was coming on, after he had the expense of wintering her.

## Masonic Officers Installed

On Friday evening (St. John's night) the officers of Stirling Lodge A.F. & A.M. were installed by Wor. Bro. G. B. Bedford, assisted by Wor. Bro. E. A. Carleton. ## Police Investigate Forced Auto Ride

Considerable excitement was created last Wednesday afternoon when the eleven-year-old foster daughter of Mr. L. Wilson, eighth line, Rawdon, reported that she had been picked up by motorists on her way home from school, and taken a mile out of her way and then put out of the car, unharmed, but somewhat frightened. It is reported the car was occupied by young men and the police are investigating. As the young girl lived some distance from the school, naturally it was not unusual to accept a ride offered by motorists. What motive the motorists had in carrying the girl beyond her destination is a mystery. It seems unsafe these days for motorists to pick up pedestrians, or pedestrians to accept rides from motorists.

## Barn Burned at Oak Lake

On Friday night, a barn belonging to Mr. Bert Searles was totally destroyed by fire, only the basement walls were left. The fire was first noticed about nine o'clock by Mr. Clinton McGee, of Stirling, who was spending the night at his cottage on the west side of the lake, and Mr. Searles. The building had been used for a box pen and fortunately it was situated east of the main barn, and smaller, and that the breeze was from the west, or otherwise a more serious conflagration would have resulted. A few minutes before the fire Mr. Searles was near the building and there was no sign of smoke or fire, and to see it burst out in flames suddenly was a shock. The origin is unknown, as the building had not been used for storing crops this season. It is very fortunate that the pigs escaped, and only a small quantity of hay and straw, a wagon and potato digger went up in smoke. We understand the building was only partially covered by insurance.

## WATERWORKS

The pipe line of the permanent waterworks in the proposed summer area, in about half laid, there being over four thousand feet completed. A test was made on Tuesday of the eight-inch line between St. Andrew's Church and the tank and it was found to be water-tight.

The services are being installed and the line is taken to the property line of each householder. Some citizens were under the impression that they would have to pay for the pipe from the main to their property, but such is not the case. The cost included the installation of services and line to the property line, regardless of which side of the street the main is run.

The extensions are causing the Council considerable concern at present. Several citizens in the outlying sections desire permanent water, and the Council held a special meeting on Tuesday night to investigate same. They cover practically the entire village and it would mean about an additional one and one-half miles of pipe and a cost of a little over \$16,000 which would include another well and pump house. There will be extensions on Mill Street, east to Cranston's; John street south, to Mrs. Mitchell's; Elizabeth street, Emma Street, Church street to J. McCaughn's or the Campbellford road. The difficult extension is from R. A. Patterson's to the Campbellford Road, on Front Street, as there is only one assured water user in that section. However, the Council proposes to extend the main to Mr. Wm. Wallace's property, Front Street, the Campbellford road to George Richards', and make a complete circuit down Church street. All these extensions are being thoroughly investigated as the Council desires to have the entire village served, particularly from a fire protection viewpoint. The same procedure of receiving an order from the Board of Health, approval of the Railway Board, and by-laws has to be made. If the entire village is served, as outlined, the aggregate cost will be approximately \$44,500, as follows: \$28,200 for the summer area, which is being installed and \$16,300 for the extensions, which includes \$4,000 for a second well and pump-house, should such be necessary.

## CURRENT COMMENT

The school closed yesterday for summer vacation.  
Stirling is a rosy town at present—If you don't believe us, take a look at the display in some of the flower gardens in the village.

Large consignments of binder twine are going to the west in readiness for a bumper crop. This should be a good thing for both east and west.

Dominion Day will be celebrated tomorrow as a public holiday throughout Canada. It is to be hoped flags will be flying in Stirling in honour of the day.

Summer resorts in the district of Stirling have been fortunate in not having drowning fatalities. However, continued care and caution will enable this good record to prevail.

Reports say that there will be no government elections until next year. This, no doubt, will be quite satisfactory to most people, when the expense of such elections is considered.

A young man wants to know what's the best thing to be done when a person sits down on a custard pie at a picnic. We would advise him to sit still until the rest have gone home.

We would like to live in the East Indian Islands. Why? Because we have been informed that in certain tribes there crocoders are thrown to the crocodiles. Here we can only eliminate them by turning the "dial".

Automobile license plates for next year will be black figures on a yellow background. This colour scheme will be familiar to Ontario motorists as it was last used in 1930. The present method of numbering will be continued.

In an article in last week's issue it was stated that census statistics show that more men are working at 70 years of age in Canada than at 20 years of age. That is quite encouraging to those who are getting along in years.

Where do you plan to spend your vacation this year? Why not stay in Ontario or your own province? Ontario can certainly provide sufficient variety to suit everyone. "Spend your vacation in Ontario" should be the slogan this year.

The Imperial Conference to be held in Ottawa will certainly have many problems, both dominion and world wide, to deal with. So many interests are expecting improved conditions that it is going to be difficult to give one hundred per cent. satisfaction.

For a good, every-day household angel, give us the woman who laughs. Her biscuits may not always be just right and she may occasionally burn her pies and cakes, etc., and forget to replace dislocated buttons, but for solid comfort all day and every day she is a very paragon.

The schools in the United States could stand a great improvement in their geography course. We noticed where American tourists arrived in Quebec the other day carrying skis and other winter sports paraphernalia. Canada must be described as the "frozen north" across the line.

After many days of threatening weather, a much needed rain fell over this section of the country over the week-

end. This came as a general relief to the farmers as well as the residents of town, and has been a needed asset to the garden growth of many people, who were fearing another drought.

It's pretty hard to get ahead of the youngsters. A teacher called for brief essays on "The funniest thing I ever saw." One boy got through several minutes before the others and the teacher asked to see his effort. On his paper was written: "The funniest thing I ever saw was too funny for words."

Today is the last day of June, the reputed month of romance, when Dan Cupid reigns. However, there has been a decrease in weddings this month in comparison to previous years. Perhaps this is due to the cool weather, which has prevailed, the coolest in years, or probably that young people realize that two can't live cheaper than one.

Financial and business experts report that conditions are now definitely on the up grade. We have heard this so often we now consider it a myth. The only way to bring back prosperity is to give the farmer a fair price for his produce. The present prices are deplorable and it is up to the governments to take steps to aid the tillers of the soil. The unemployment and industrial spheres have had their innings while the basic industry — farming — has been left unaided. Why? Again we emphasize that not until the farmer receives a fair price for his hogs, milk, etc., will good times return and it is high time the heads of our country realized this fact.

## A Day in Stirling

Instead of spending next Sunday motoring, why not keep the key in your pocket and take a walk about the village or your district. You will find more enjoyment in passing the time of day with old friends, than you would out on a country road where you probably won't see a soul you know. Grimsby set a precedent in an experiment along this line a short time ago. Residents were requested to leave their cars at home for the day, and to spend it visiting with townsfolk and promenading the sidewalks. People who had hitherto been busy rushing in every direction with never a moment to spare to fraternize with their neighbors found time to do just that on this day. In short, it was a day when automobiles had yet to come from the melting-pot and horses and carriages were only for the well-to-do.

A day like this in Stirling would not be without its benefits. It would be long remembered. Mother would cherish the almost-forgotten days recalled on this day as neighbors would come to sit on the verandah and recount tales of happenings in the good days that are gone; or, perhaps, the men would become reminiscent on the joys of the old swimming-hole, a logging bee or the way business was done when the general store held supreme sway. It might be that many persons would find beauty spots around the village and district which they had never seen before. As you walk along the streets almost every home unfolds a new delight to the eye, and if you are building castles in Spain there are ever so many ideas for the dream-house of the future.

Instead of driving to some distant town and admiring its makeup, stay in Stirling one Sunday and discover the prettiest village in Canada.

## Problems for Students

Within the next few weeks thousands of graduates from high schools and colleges will find themselves competing for jobs with tens of thousands of unemployed but matured and experienced workers in various lines of business endeavor. The thought is one that is not encouraging when opportunities for gainful activity seem to be limited even for those who are well qualified.

But there is another angle to the situation which should appeal to many young men and women graduating from school or college this year. Not all of the many thousands who are "finishing" their schooling are compelled by economic pressure to go out into the world of business and "earn a living". Many of them, through their own means or with parental assistance, have the opportunity of taking post-graduate courses, of adding to their store of cultural as well as vocational assets, of continuing the good work of whole-time systematic study of worth-while subjects.

At the conclusion of every graduate year there always are a large number of young men and women who desire before anything else the opportunity of "making money"; consequently they often lose sight of the wonderful opportunity of acquiring that knowledge which cannot be appraised in terms of money, but which adds to individual wealth and helps to orient the thought of the individual in the direction of sounder judgment and a clearer realization of relative values.

One encouraging evidence of the fact that many young people are recognizing this is seen in the increase in enrollments in music courses, higher literature courses, and other studies which are more cultural than vocational and which contribute largely to that more abundant living which is not dependent on a constant whirl of business activity, light social engagements or some other means by which so many people endeavor to escape from themselves because their own company is boring.

This view of educational achievement may well be stressed at this time and recommended to young people who are not necessarily compelled to compete with those greater responsibilities.

presented that society on many occasions at conference, an active member of the United Church choir, president of the local W.C.T.U. and a strong supporter of benevolent organizations.

Mr. and Mrs. Lawlor's departure will be felt as a direct loss to the village of Norwood.

## MADOC JUNCTION

Mr. and Mrs. Will Irwin, Mr. and Mrs. Ralph Irvin of Tweed and Miss Myrtle Irvin, of Toronto, were guests on Saturday of Mr. and Mrs. Clarence Fitchett.

Mr. and Mrs. George Eggleton and Misses Lenora and Keitha Stapley were Tweed visitors on Sunday.

A number from here attended the United Church service at West Huntingdon on Sunday night. Rev. W. H. Truscott preached his farewell sermon. The sacrament of the Lord's supper was administered at the close of the service.

Mr. and Mrs. Beaudrie were in Madoc on Sunday.

Mr. and Mrs. Albert Eggleton visited last week at the home of his daughter, Mrs. Clarence Fitchett.

Mr. and Mrs. Douglas Stapley spent Sunday in Frankford, the guests of Mr. and Mrs. Emerson Hough.

Miss Mildred Maynes, of Anson, was fortunate in winning first prize in the News-Argus contest. Congratulations.

Mr. and Mrs. Clarence Fitchett visited friends at Melrose on Sunday.

Mr. and Mrs. Edward Hogle, Kathryn and Anna, also Mrs. Ethel Danford and Marjorie, of Belleville, were guests on Sunday of Mr. and Mrs. Oliver Stapley.

Several from here attended the social evening at West Huntingdon parsonage on Wednesday night.

Mr. and Mrs. Nathan Wannamaker entertained a number of visitors on Sunday.

The softball games are becoming very interesting, with good crowds in attendance at each game. West Huntingdon team came over and played a fine, clean game, at Evergreen on Friday night. There were five innings played and the result was a tie, 22-22. River Valley team came along for a game on Wednesday night, but were defeated by the local team. The score was 22-9.

Rev. W. H. Truscott made a number of calls throughout the neighborhood on Monday. He is leaving on Wednesday for Lansdowne to assume his duties as pastor there.

Miss Margaret Danford, Mr. Kenneth Stapley, Miss Helen and Miss Dorothy McMullen, S.H.S. students, have finished their exams and are at home for the summer vacation.

PRESBYTERIAN W.M.S. — WEST HUNTINGDON.

The June meeting of the W.M.S. of St. Andrew's Church, West Huntingdon, was held at the home of Mrs. Donald Haggerty.

The meeting was opened by hymn 168, "Take Time to be Holy", followed by the Glad Tidings Prayer, by Mrs. Harry Thompson.

Mrs. Samuel Donnan gave the Scripture reading, Psalm 19, and Mrs. Clayton Tummon then gave the minutes of the last meeting. It was decided to hold a quilting in the basement of the church on June 29.

A Field Day was decided on the first of July, in Mr. Morley Haggerty's grove, inviting Ivanhoe, West Huntingdon and Moira Sunday schools. The leading softball teams will be in attendance and other sports will be held. The roll call was then responded to by the key-ord "Reward".

A reading "A Friend in Need" was given by Mrs. Howard Ashley, which was very interesting. Mrs. Chester Sills gave a talk on the motion pictures and lecture of a missionary, and this was greatly enjoyed by all.

The Study Book was then taken by Mrs. John Wallace, "China and Her People", followed by the hymn "Keep me near the Cross". Rev. Mr. Reid closed the meeting with prayer.

## THE C. N. R. AND THE PRESS

(Huntsville Forester)

While The Forester has not withheld a mite of praise for the earnestness with which Dr. McGibbon, M.P., has pursued his investigations of the C.N.R. operating expenses, and which we believe will result in some practical good to the Canadian taxpayers, we nevertheless regret that in a letter to the Toronto press, the doctor should have insinuated that the Canadian press has been influenced in its attitude toward the C. N. R. through advertising favors. In other words, what Dr. McGibbon believes to be an extravagant, high-handed management of a great public utility, has been able to carry out its policies, however prejudicial to the public interest they have been, because of assurance that a purchaser's press would remain silent.

## The subject is not one which invites detailed discussion. We believe the insinuation to be wholly unfounded, and we greatly regret that Dr. McGibbon should have nullified, as his statement does, any degree of public appreciation of his committee efforts, by the unfortunate reference he makes to the purchasability of the Canadian newspapers.

### R. G. LAWLOR LEAVING NORWOOD FOR PRINCIPALSHIP IN STIRLING

(Peterboro Examiner)

Norwood—R. G. Lawlor, principal of the Norwood High School for the past 23 years has tendered his resignation to the board and has accepted the principalship of the fine Master school at Stirling.

He was born at Sydenham, Ont., where he received his public and high school education. Later graduating from Queen's university, he

taught for five years in the high school at Alexandria, Ont., before coming to Norwood.

Mr. Lawlor, during his stay in Norwood, has been a highly constructive citizen. He was greatly instrumental in the erection of the skating rink and was the first president of the Curling Club. He is a member of the Library Board, the Horticultural Society and an active worker in the United Church. In conjunction with his school work he was cadet instructor

Enviably Record

Mr. Lawlor leaves an enviable record as principal of the high school. The success of his pupils must be a great source of satisfaction as he sees their numerous achievements in their various fields of activities.

Mrs. Lawlor will also be greatly missed by the people of Norwood. She was president of the W.M.S. and

Endowments mean little for good for bad, it's how you use them, not what you had.  
Full many a genius has got the wrong slant  
And slid down the hill of success on a "can't".  
While up from the bottom has battled a man  
With nothing to bolster his cause but a "can".

Two Stirling men were bragging about their experiences at hunting. "Well," said one, "the first bird I ever shot was a squirrel. The first time I hit him I missed him altogether and the next time I hit him in the same place. Then I took a stone and knock de him off the tree and he fell into the water and was drowned."

Wife—What do they mean by "nip and tuck"?  
Husband—One nip and they tuck you away for the night.

The young wife was heartbroken. "What's the matter?" asked a friend.

"Oh, my husband is so absentminded. After breakfast he left a tip on the table, and when I handed him his hat he handed me another tip."  
"Well, that's nothing to worry about—it's just force of habit."  
"That's just what worries me. He kissed me when I gave him his coat."

Boss—Yes, I'm looking for an office boy. Do you smoke?  
Boy—No, thank you, but I would enjoy an ice cream cone.

The average smoker is said to have consumed nine cigarettes a day last year, so it is presumed he put in most of his time hunting matches.

The absent-minded professor met his son in school one morning and said: "Good morning! John. 'How's your father this fine morning?'"

They met for the first time on the 4th of July and I tell to discuss their respective games.

The First Liar—What kind of a game do you play?  
The Second Liar—Oh, about 115. What do you do?  
The First—About 115 on a good day.

The Second—Well, let's shoot at a dollar a stroke.

That night the "115" told his wife the "112" man was a low-down dirty crook.

The Second (to his wife)—He made it in 78.  
Friend Wife (sweetly) What was your score?  
The Second—Eighty.

There have been no bronze statues erected to politicians whose ideas of saving the country was to plunge it deeper into debt.

Only the busy man can appreciate a holiday. To the idler a holiday is just another day but the busy man and worker treasure every minute of a holiday. It means much to them.

A small boy boarded the train at a flag station. After selecting a seat in the smoker he seated himself, leaning importantly back eyeing the conductor as he stopped beside him.

Conductor—How old are you, sonny?  
Jackie—Oh, just at the awkward age!

Conductor—Well, well! Now what do you call the awkward age?  
Jackie (with a wise smile)—I'm too old to cry and too young to cuss.

And then there was the Scotchman who told his wife creepy stories to make her teeth chatter, so he would

not have to buy a rattle for the baby.

Sampson—Look here, you're cheating!  
Thomas—I am not. I had that ace long before the game began.

A man who makes a living fishing is sure to wonder how anybody could call it sport. The things we must perforce pursue for pay, soon lose their charm.

Everybody agrees that something ought to be done about taxes, but most of us think it ought to be done by somebody else.

Neighbor—With whom was your wife quarrelling last night?

Mr. Henpeck—Oh—she was scolding the dog.

Neighbor—Poor beast—I heard her threaten to take the front door key away from him.

Belleville—Children's Aid Inspector Ruston added seven children as wards to the children's shelter at the juvenile court held before Magistrate Casement in Trenton on Saturday. The children were all residents of Sidney Township and range in age from one and one half years to 14. ## Hints for the Household

### For the Month of June

Nolay and dangerous celebrations of July First—happily—have been done away with. But—just the same, the day is one that the whole family still happily looks forward to to celebrate with something "special". It's the ideal occasion for a regular, joyous "get-together" house party of as many families as you care to invite.

In the way of "eats" you might serve:  
Cold chicken.  
Tomato Salad.  
Sandwiches.  
Deviled eggs.  
Sherbet.  
Cake.

Side dishes of special candy creations are also appropriate. Such as chocolate creams wrapped like "torpedoes" or chocolate buds and peppermint sticks fixed like "fire crackers".

As part of the festivities you might test the historical knowledge of your guests with that well known game of "Premiers". Pass around paper and pencils to contestants and ask them to write, from memory, the names of our Premiers in the order they held office. He or she having the longest and most correct list might be rewarded with a simple prize.

Patriotic songs and some fireworks, of course, will add to the festivity, too.

### COOKING HINTS

#### First of July Frope

1 pint of grape juice.  
1 pint of wafer.  
Juice of 1 lemon.

Sugar to taste.  
Method: Mix well. Freeze to a mush and serve in glasses. Dot top with whipped cream and top this with candied cherry.

### Strawberry Floating Island

Children are very fond of this dessert. The recipe:

1 pint of strawberries.  
2 eggs.  
¼ cup of powdered sugar.  
1 pint of milk.  
½ cup of granulated sugar.  
A little salt.  
Vanilla.

Method: Make a soft custard of milk, granulated sugar, little salt and vanilla. Then crush berries and sweeten to taste. When custard is cool—pour over berries. Beat whites of eggs stiff. Gradually mix with powdered sugar. Add a little berry juice for coloring. Pile lightly on top of custard. Serve cold.

### Holiday Sherbert

Red currants.  
Lemonade.  
Sweetening.

Method: Crush red currants and strain. Make lemonade. Mix currant juice with lemonade. Sweeten to taste and freeze.

### BAKING HINTS

July 1st Trim For Party Cakes  
Ice individual cakes with a white frosting. Stick little flags in top of each one.

Ice large cake with white frosting. Make stripes radiating from center of cake with little red cinnamon candies. The small red and dark blue gum-

drops are pretty also and carry out the red, white and blue idea perfectly. Also use flags for trimming top of cake.

### Baked Prunes

Wash prunes carefully. Cover with hot water and let soak over night. Place fruit, with water they have soaked in, in a casserole. Place in a slow oven and bake until tender. (Copyright 1932)

### SUMMER DAWN

When summer comes along the Rideau Lakes, And Earth has donned again her glad, some green, With all the joy of her symphonic blues, The world becomes a sacrist for bird choirs

Who voice the silent music of the dawn, Revealing all the fragrant ecstasy

Of daybreak's glow upon the silvered depths That mirrors there the handwork of God.

Here, like a thought with splendid wings, the heart, Ascends to heights of praise and wonderment,

For all the splendour of a summer morn, While o'er the velvet gladness of the hills,

The mystic plants applaud with saffron glee

The dawn's proud hymn of triumph to our God.

### BURNBRAE

The man who wins is the man who goes  
Ahead with his work each day;  
Who is never stuck by his adverse  
luck,

But makes his labours play.  
From early dawn he will labour on  
And know that the world's all right,  
And he sings a song as he goes along,  
For it sharpens his appetite.

The man who wins is the man who smiles  
And sees that the sky is blue;  
He is always there with a great big  
share

Of smiles and of sunshine too.  
He never growls and he never howls  
That the world is out of gear  
But he meets the shocks and jealous  
knocks

With a great broad smile of cheer.  
Mr. and Mrs. Roy Russell and the  
Misses Mary and Marie Russell of  
Brighton spent Sunday with Mrs. J.  
Coddie.

Miss Emily Craighead, Mr. and  
Mrs. William Doherty and Mr. Man-  
gold, of Belleville, visited Mr. and  
Mrs. George Craighead, on Sunday.

Miss McKenzie, nurse-in-training in  
hospital at Peterboro, spent Sunday  
with Mr. and Mrs. Hogart Linn.

Mr. and Mrs. Herbert Watson visit-  
ed Mr. and Mrs. Russell in Belleville  
on Sunday.

Mr. and Mrs. MacFarlane, of Tor-  
onto spent the week-end with Mr. and  
Mrs. John Thompson.

The Young People's Guild, of St.  
Andrew's Church met on Monday  
evening. There were over fifty pre-  
sent and a very interesting and in-  
structive program was presented. As  
we celebrate the confederation of the  
provinces this week, it was fitting  
that the program should be about  
Canada. The program opened with  
patriotic hymn, after which Charlie  
Carter read a paper giving an account  
of Canada's leadership in big things.  
This was followed by a reading by  
Marion Walker, entitled "Our home in  
Canada", after which Mrs. G. V. Tay-  
lor sang a solo. Miss Luella Mat-  
thews prepared a fine paper on "Can-  
adian Authors". It was read by Mrs.  
Alyce Pollock. Malcolm and Howard  
Hutchison rendered a patriotic duet,  
after which there were two readings  
describing the Union Jack, by Harold  
Taylor and Jack Williams. A solo by  
Mrs. Roy Walker was followed by a  
reading by Mina Linn entitled "Dear  
Canada". Grant Thain gave a very  
splendid address on "The Canadian  
National Parks", which was interest-  
ing and instructive. A piano solo was  
given by Violet Atkinson after which  
Rev. D. A. McKenzie gave a short ad-  
dress on what constitutes national  
greatness. The program was brought  
to a close by singing another patri-  
otic hymn and the National Anthem.

### RYLSTONE

The Sunday School of Rylstone  
United Church held their annual gar-  
den party at the home of Mr. Herbert  
Spencer on Friday evening. A ball  
game was played by the young men  
of Pethericks Corners and Rylstone  
and music was supplied by the Sen-  
tiel pipe and drum band. The weath-  
er was cool, but there was a fairly  
large crowd. A program of races was  
enjoyed by the young folks.

### Linn Reunion

On Saturday, June 25, the descen-  
dants of the late Robert Linn gather-  
ed at Sentinel Orange Hall, Pether-  
icks Corners, for their 6th annual  
picnic. The picnic was to have been  
held at Crowe River Bridge, but owing  
to the rain it was held in the Or-  
ange Hall. About 45 people sat down  
to a good dinner at noon. After din-  
ner was over the business part of the  
picnic was held. Mr. C. F. Linn, pres-  
ident, acting as chairman. The guest  
of honour, Mrs. Jane Hogle, has just  
passed her 80th birthday and at this  
point telegrams of congratulation  
were read, sent to her from Hon. R.  
B. Bennett, Hon. G. S. Henry, Hon.  
J. R. Cooke and others. A shower of  
congratulations was then received by  
Mrs. Hogle "Aunt Jane" from her ne-  
phews and nieces, to which she very  
graciously responded. Mr. Linn then  
called for the minutes of last year's  
picnic, which were read by Miss Win-  
nie Spencer, assistant secretary. Short  
speeches were made by Messrs  
Herbert Spencer, Campbellford; Wm.  
Linn, Marmora; Robert Linn, Camp-  
bellford; John Jordison, Hybla; Er-  
nest Irwin, Campbellford; James Linn,  
Bancroft; Mr. Jas. Hough, Deseronto;  
Mr. Wilfred Spencer, Campbell-  
ford; Tom McKeown, Campbellford.  
The election of officers for next year  
occupied very little time, as all the  
old officers were unanimously re-elec-  
ted. The only new one was Mrs. Jane  
Hogle, Honorary President. Presi-  
dent, Mr. C. F. Linn; Secretary Treas-  
urer, Mrs. Herbert Spencer; Sports  
Committee, Messrs Jim Hough, Wil-  
fred Spencer and Grant Thain. Let-

ters were read from a few of the far-  
away Linnas who were unable to be  
present—Mrs. Marshal Hubel, "Hat-  
tie"; Mrs. Gilbert Kitchen "Frankie";  
Mrs. Donald McNeil "Leah" and Mrs.  
Mary Russell. It was decided to hold  
the picnic at Crowe River Bridge  
again next year, but in case of rain  
it will be taken to the Orange Hall,  
Pethericks Corners.

Miss Leah McKeown of Hamilton  
is spending a few days with her brother,  
Tom McKeown.

Nona Rutherford, Fred Thomson,  
Frank and Bruce Barnum are in  
Campbellford this week trying their  
High School Entrance examinations.  
In the test examinations, Raymond  
Anderson averaged 91 per cent., so  
it was unnecessary to write the  
finals.

Mr. and Mrs. Herbert Spencer, Mr.  
and Mrs. Wilfred Spencer and chil-  
dren visited friends near Belleville on  
Sunday.

Mrs. Harold Skillicom and baby  
Roy returned on Saturday morning  
from Manchester, England, where  
they have spent the past few months  
with relatives. Mr. and Mrs. Skill-  
icom are living in Tom McKeown's  
house.

Mr. and Mrs. Melville Finch and  
Evelyn spent Sunday with Mr. and  
Mrs. Raymond Finch.

Winnie Spencer is spending a few  
days in Campbellford with her sister,  
Mrs. Fred Husband.

Leonard Roy, Ivanhoe, visited his  
brother Kenneth Roy on Sunday.

Winnie Spencer was fortunate in  
winning the 5th prize in the Good-  
Will Club Contest conducted by the  
Stirling News-Argus during the last  
few weeks.

On Tuesday, June 28th, a quilting  
dinner was held at the home of Mrs.  
Sanford Melkjohn, by the Rylstone  
Women's Missionary Society. Dinner  
was served at noon to about 30 la-  
dies. During the afternoon 2 quilts  
were quilted. Visitors outside the  
Missionary Society were Mrs. Alfred  
Hay and Mrs. A. C. Connor, Camp-  
bellford; Mrs. Kerr, Mrs. Tom Brun-  
ton and Mrs. Tom Fry, Pethericks  
Corners; Mrs. Wm. Barnum, Bonar-  
law; Mr. George Melkjohn and  
Cozle, Tweed, Mrs. John Stewart of  
Rylstone.

Mr. and Mrs. Harold Spencer and  
Berlie, of Campbellford, were Sunday  
visitors of Mr. and Mrs. W. T. Allan.  
Mrs. Frank Sheppard, Marie and  
Monroe, of Peterboro, are visiting at  
the home of Mr. J. F. Finch.

About 50 people gathered at the  
home of Douglas Barnum on Monday  
night for a good old-fashioned "chiv-  
aree".

### CARMEL

Mr. Kenneth Sine, of Toronto and  
Miss Jean Johnson, Norwood, spent  
a few days with the former's sister,  
Mrs. H. Holden.

Mrs. W. Carlisle and Mrs. H. Far-  
rell spent Thursday with Mrs. W. An-  
derson.

Mr. and Mrs. S. Holden took tea  
with Mr. and Mrs. C. Hoard on Sun-  
day evening.

Mr. and Mrs. H. Brown entertain-  
ed Mr. and Mrs. Leonard Sharpe, Mr.  
and Mrs. Claude Sharpe and Mr. and  
Mrs. George Weaver to dinner on  
Thursday.

Mrs. M. Bray and Dorothy, of Ro-  
chester, N.Y., are visiting her sister,  
Mrs. Lorne Brooks.

Mr. and Mrs. C. Bailey spent Sun-  
day with Mr. and Mrs. C. Dunham,  
Wellmans.

Mr. and Mrs. Henry Leonard, 6th  
concession of Sidney, spent the week-  
end with Mr. and Mrs. Arthur Couch.

Mr. and Mrs. A. Anderson and  
Emily, of Trenton, visited Mrs. An-  
derson's parents, Mr. and Mrs. W.  
Farrell, on Sunday.

### BONARLAW

ROMBOUGH—At Bonarlaw on June  
22nd, to Mr. and Mrs. S. C. Rom-  
bough, a boy.

The Department of Highways have  
just completed unloading at Bonar-  
law station four large tank cars of  
asphaltum which was spread on the  
highway. Persons living near the  
highway are very thankful for this  
relief from the dust which was get-  
ting to be extremely troublesome.

Bonarlaw and vicinity received a  
time rain on Saturday morning which  
was badly needed.

### On The Range

With an aggregate score of 274  
Walter Foley won the 1932 Dominion  
of Canada Rifle Association Prize  
which is presented each year to the  
member of Rawdon Rifle Association  
who makes the highest aggregate at  
four official shoots, providing all the  
regulations are complied with. Only 2  
other members had a higher aggre-  
gate than Mr. Foley, but as they were  
former prize winners, they are not  
eligible for another. The last shoot  
was held on June 22nd. Special prize  
money went to W. A. Bateman, first;  
Robt. Navier, second, and Jno. Laird,  
third. The members competing all  
were ranged at the four official shoots  
as follows:

### Softball

The Stirling Club engaged the lo-  
cals in a game here on Monday night  
and the visitors carried off the large  
end of a 43-5 score. The Bonarlaw  
boys seem to be travelling in a slump  
just now but are far from being dis-  
couraged. All they need is a little  
more practice.

Playing a league game of softball  
at Hards on Thursday of last week  
the Bonarlaw team were defeated by  
Hards 12 to 5. The fourth frame  
proved the undoing of the visitors,  
giving 7 runs to Hards who appear-  
ed to know exactly where the daisies  
grew the quickest and batting the ball  
to the proper place. A large crowd  
of fans watched the game with great  
interest.

On Thursday, June 23rd, in an ex-  
citing game of softball on the Peth-  
ericks Corners diamond the Girls  
Softball team defeated Pethericks  
by the score of 22 to 8. Both teams  
started out cautiously, neither scor-  
ing in the first frame. The seventh  
innings had everyone warmed up, and  
Bonarlaw made 13 runs.

The lineups were:

On Tuesday, June 21, in a seven

innings game of softball at Deloro  
the Bonarlaw softball team defeated  
the homesters 2 to 3. The result was  
rather a surprise for the visitors as  
the Deloro outfit was playing good  
ball. L. Bateman, twirling for Bon-  
arlaw, deserves great credit. He was  
on the mound during the entire game  
and threw a ball that was hard to  
hit. The line-ups were as follows:

## MOUNT PLEASANT

On Wednesday evening last week Mr. and Mrs. A. H. Bailey, Mrs. L. C. Locke, Mr. and Mrs. Roy Thrasher and Edna, Mr. and Mrs. George Weaver, Miss Evelyn Nell, Mr. and Mrs. James Williams attended the Past Grand's night of the I.O.O.F. in Stirling. During the program Mrs. Jas. Williams was presented with a twenty-five-year jewel.

Mr. and Mrs. Will Greggs and son Victor, of Victoria Harbour were weekend guests of Mr. and Mrs. P. Smith.

Dr. A. E. Tweedie and Mr. and Mrs. Percy Tweedie of Campbellford were guests of Mr. and Mrs. Blake Sharp on June 19th.

Percy White visited his friend James Hoard on Sunday.

The Misses Frances McKeown and Edna Thrasher are attending the coaching class in Stirling under the direction of Miss H. Garbutt of Peterborough.

The Misses Alma and Inez Stetler of Toronto are holidaying with Mrs. G. Smith and Helen.

Mr. and Mrs. Robert Melville and children and Mr. Robert Pounder were recent guests on June 19th, of Mr. and Mrs. Carl Dunham, Wellmans.

The following pupils from here are trying their exams this week and we hope they are all successful—Helen Spencer, Mildred Sharp, Elva Andrews, Eileen MacMullen, Herbert Higgs and Bert Jeffs.

Reeve and Mrs. Ernest Brown and Miss Edna Heagle were recent guests on June 12th of Mr. and Mrs. Blake Sharp.

Mr. and Mrs. Roy Thrasher and Edna were guests of Mr. and Mrs. Frank Smith on June 19.

Miss Edna Tanner visited Miss Agnes Sharp over the weekend.

Mrs. John Holmes spent a few days last week in Belleville with her sister Mrs. Frank Fitzgerald.

Messrs John Bailey and Will Scott had the misfortune to have their sheep bitten by dogs and eventually some died.

Decoration Service at Wellmans  
A large number of folks from here

attended the Orange Decoration Service at Wellmans last Sunday. The members of L.O.L. 172 and visiting brethren occupied the centre pews and were led in parade by Mr. Fred Thain, Worshipful Master, and Mr. Conger McConnell, District Master. Rev. F. G. Joblin opened the service using "Holy, Holy, Holy" and offered a fitting prayer. The choir under the direction of Mrs. Carl Clancy rendered an appropriate anthem "Forward, 'tis the Lord's Command" and at the close the Misses Mina and Lucille Dracup sang a pleasing duet, "Sweet Gullies". The offering was gathered by brothers Carl Clancy and John Snarr. Rev. Joblin extended a hearty welcome to the visiting Orange brethren on behalf of the church officials and spoke of what the order has stood for in the face of oppression and tyranny in days gone by. Mr. W. J. Cottrell, of Marmora, past District Master, gave an eloquent discourse based on the text found in St. Luke, 24:39 "It is I myself". He dwelt on the personality of each individual and wondered would we rejoice and identify our loved ones who have gone before. Prior to Christ's death He displayed two divine characteristics, Divine power and Divine Love. Today we need to cultivate brotherly love more than ever before. The speaker appreciated the opportunity of speaking at this gathering recognizing that all were Protestants even though they were not all members of the order.

Rev. A. L. Geen, of Belleville, a veteran of this order, discoursed on the memory of our departed brothers and what their lives have meant to us. He referred to words familiar to members "He is not dead to us" and said our pilgrimage on earth is only a school and we should so live here that at any time we can pull up our stakes and move on to the other land. The speaker eulogized the good things God has prepared for us and exhorted all of the brethren to pay strict attention to their religious duties. He reminded those present of the words of the Psalmist "The wicked shall be cast into hell and all those who forget God". It was a real evangelistic appeal that Protestant

churches and members become more united and work steadily toward reaching their desired goal — The Kingdom of Heaven. After singing "What a friend we have in Jesus" the brethren, led by the District Master, Conger McConnell, and Worshipful Master Fred Thain, proceeded to the nearby cemetery. Here seventeen graves of deceased members were fittingly decorated with lovely bouquets of flowers. The brethren then gathered around a table draped with the Union Jack, and Brother Walter Scott read the names of forty-five members who were buried elsewhere. Flowers were placed on the table to commemorate their memory, and a fitting service was held after which all sang "Blest Be the Tie that Binds" and Rev. Geen offered prayer. It was an ideal day and a large number gathered to pay their respects there being about seventy-five Orangemen in attendance. Following are the names of those buried in the cemetery which were read out by Brother Fred Thain, W.M.: Peter Hubble, William Hogle, George Scott, Albert Thompson, Thomas Burgess, Bert Dunham, David Linn, James Thain, Alex Morton, James Whitton, William Pollock, Samuel Graham, Bert Nix, William Scott, George Snarr, Joseph Hogle and John Morton. Names of members who were buried elsewhere: William McKeown, James Horst Sr., William Matthews, John Cotton Sr., Ira McConnell, Robert Austin, David Austin, Sidney Woodward, Stephen Innis, Thomas Matthews, German Bailey, Joseph Coutts, Joseph McCullough, Thomas Tudley, Wesley Hawkins, Silas Green, Oscar Potts, George Cotten, James Cotten, John Cotten Jr., William Horst, James Horst Jr., Thomas Lyttle, William Lyttle, David Lyttle, Aaron Oasser, Joe Reeves, Ernest Johnson, Samuel Bailey, John Thompson, Albert Thompson, John Russell, Edward Abbott, James Linn, Frank Sharp, James Quackenbush, John Stiles, Ben Stiles, Simon Stiles, Geo. Stiles, Archibald Morton, George Wiggins, Wallace Hubble, Joshua Green, Archibald Hubble.

We hope our Wellmans correspondents will not mind our reference to this splendid service.

**Farewell to Mr. and Mrs. A. Brown**  
On Monday evening, June 27th, over one hundred friends and neighbors gathered at the home of Mrs. Alfred Brown to say good-bye before their removal to Foxboro where Mr. Brown has been conducting a grist mill for several months. Previously Alf had a partnership in the threshing business so was well known throughout the district. He also held an agency for the DeLaval separators and milkers. The pastor, Mr. Fred Joblin, was Master of ceremonies, and a program was given after the opening address. Famous readings were rendered by Mrs. Thomas McKeown, Vera McAdam and Mrs. P. MacMullen. The boys' orchestra, Messrs Higgs, Coggins, Melville and Bell, gave mouth organ music and vocal songs. Miss Ruth Gibson, the popular teacher at the Williams School, gave four solos, accompanying herself on the mandolin. Miss Edna Thrasher read the following address and Messrs Leonard Sharp, George Weaver and Burton Sharp made the presentations.

Stirling, Ont., R.R. 3,  
June 27th, 1932  
Mr. and Mrs. Alfred Brown and Earl.  
On learning of your intended departure from our midst, we, your friends and neighbours have gathered in your home tonight to spend a social hour with you and to wish you God-speed in your new home.  
We are sorry to lose you, and many of us will remember when threshing time comes that Alf is not at the helm. However, we can not unweave the future, but we do know that your new friends will find you as faithful as we have, and so, we, one and all, wish you health, peace and prosperity in your new abode.  
At our social gatherings we shall miss you, but trust that whenever possible your footsteps will wend their way back to Mount Pleasant, where we assure you a warm welcome awaits you.  
One thing for which we are thankful is that you are not going so far away but that we may see you often and so we ask you to accept these gifts not for their values, but as slight tokens of remembrance from your old friends and neighbors.  
Leonard Sharp, George Weaver, Ernest White, Harold Johnston.  
To Mrs. Brown—an electric reading lamp; to Alfred—a smoker cabinet; to Earl—an electric bedroom lamp.  
The recipients made suitable replies, thanking their friends and inviting all to visit them in their new home at Foxboro.  
A sumptuous lunch was then served before the guests wended their way homeward. The best wishes of the community go with Mr. and Mrs. Brown and Earl to Foxboro.

Mr. and Mrs. E. Lieutau and Donald, of Royal Oak, Michigan spent last week with Mr. and Mrs. Charles Sharp.

Eileen MacMullen spent Monday evening with her grandparents in Stirling.

Mrs. Albert Dunkley has arrived home from a holiday in Oshawa.

Mr. and Mrs. Clifford Gine and Muriel spent Wednesday with Mr. and Mrs. John Bailey.

Mr. James Sharp, Supt. of the S. School, is being congratulated on the splendid arrangement of the lawn social last week. Folks have remarked what a bountiful lunch they received.

Relatives here received word on Thursday last of the death of Mr. Robert Totten at the home of his daughter (Nellie) Mrs. O. M. Irwin, Swift Current, Sask. The funeral services were held in the West. He is survived by his widow (Mary Ann Sharp), his daughter, and one son, Charles, who is a practicing physician at Assiniboia, Sask. Two sons, Lorne and Blake, and one daughter, Lelia, predeceased him. Friends here extend sympathy to all who mourn his passing.

**Mount Pleasant Visits Wellmans**  
On Friday evening, June 24th, the Mount Pleasant Y.P.S. journeyed to Wellmans to enjoy a social evening at the end of the term. Mr. Omar Dracup welcomed us and our President replied. After a program of music, solos, readings and a dialogue the Wellmans folks served a delicious lunch, topped off with ice-cream. Rev. Joblin then very fittingly closed the two leagues and needless to say we thought this union meeting was an ideal way to bring the year's work to a close. For further particulars read Wellmans news.

We wish to take this opportunity of thanking our many friends for their support during the recent good-will campaign. We especially thank those at a distance who sent in renewals last week. We surely appreciated your help and as we look upon our magazine table, we will remember those of you who contributed your cash and coupons. We also wish to congratulate all of the candidates upon their success. We wish to especially thank our Bethel and Wellmans friends who were so generous with their donations.

Miss Myra Andrews spent Monday evening with Mr. and Mrs. Clarence Reid.

Mr. and Mrs. Ed. Lieutau and Donald, Mrs. Charles Sharp and Mrs. Almir Babcock spent Wednesday at Colbourne the guests of their cousins, Mr. and Mrs. Wallace Rose.

Mr. and Mrs. Ashley Brooks, of Carmel and Mrs. Brown, of Stirling attended the surprise party for Mr. and Mrs. A. Brown on Monday evening.

Miss Myrtle McKeown has returned from a visit with friends at Harold.

Mr. Dave Bell spent the evening of June 19th with Mr. and Mrs. Blake Sharp.

The flour and grist mill, operated by James Macalary, Frankford, was destroyed by fire early yesterday morning.

## WEST HUNTINGDON

Our little hamlet is as busy as bees these days. The haying is in full swing and although it was thought at one time we would not have much hay to haul this year the recent rains have made both hay and grain look much better. Those high winds last week caused the farmers some worry, but however the worries are gone now as we view the beautiful landscape and are anticipating a good harvest.

## Boy Hit By Bat

An accident of quite a serious nature happened at our school recently. The lads were having a game of ball, and as Norman McGowan was about to strike the ball George Ashley, son of Aaron Ashley, passed by behind him and caught the full blow of the club. It was thought at the time that it was not serious, but on the advice of a doctor he was taken to Belleville and X-rayed which showed a cracked skull. He has to be kept very quiet and is taking daily treatments from the doctor. We all hope for a speedy recovery.

## Honour Minister and Family

A large number of United Church people from Moira, Fuller, Madoc Junction and West Huntingdon gathered at the parsonage on Wednesday evening to spend a social evening with Rev. and Mrs. Truscott, before the leave for their new home at Lansdowne. Mr. P. Carr called the meeting to order and Mr. Chas. Ketcheson of Moira read an appropriate address. They were presented with a purse. A number of people testified as to how they had enjoyed the seven years' sojourn of our pastor and his wife and family. It seems to be one of the wonders of the age how many friends and how few enemies a preacher has when leaving a circuit, but

when doing his regular work very few flowers are ever thrown in his pathway. Perhaps this would be a good idea. Why not give our ministers their surprise parties in instalments. It might encourage them along the pathway of life.

We were surprised when we learned that Rev. A. N. Reid was also leaving for a new field of labour.

Now we are all on tip-toe wondering what our new ministers are going to be like.

Rev. and Mrs. Truscott are leaving for Lansdowne on Thursday morning. A moving van from Brockville is taking his household goods.

There was an attendance of 97 at the United Church Sunday School on Sunday. Collection \$3.25.

The St. Andrew's S. S. are holding a picnic on Dominion Day in the beautiful grove situated on Mr. Morley Haggerty's farm. Beulah, Moira, and West Huntingdon United Sunday Schools are invited to attend.

Congratulations to Miss Mildred Maynes for winning first prize in the News-Argus contest. We almost feel like saying that beautiful prize is ours, as we expect it will be coming over this way soon.

Carl Thompson and Murney Wright are writing their examinations this week at Stirling.

## Cheese Patrons Organize

An organization meeting was held in the Orange Hall here on Tuesday evening for the purpose of getting the patrons of cheese factories to fall in line with similar organizations in the selling and grading of our cheese. Mr. Fred Mallory was chief speaker and a large number were in attendance. It's about time the farmers woke up. If they stay asleep much longer there will not be any need or awakening them. As it is at present we are not getting anything for our labour. They tell us that calves' livers are selling for 60 cents per pound, and an ordinary calf liver weighs 1½ pounds, and when we sell our calves to the drover we do not get much more than the price of the liver and hide. All the rest is profit for the other chap. But cheer up lads—good times are ahead. A large delegation is going to Ottawa on July 16. Say, won't those high-brows on Parliament Hill look in walks all the hay-seeds? Some one was predicting last fall that in July the Parliament buildings would be blown up. Well, we hope that it isn't when the farmers are all in there.

The new half-rate on telephones is causing some talk. And by the way, the Bell Telephone Co. is coming in for some censoring. The general opinion is that whoever invented the idea should never have been born. And now a great number of our people say "Why not down with the rates and let's all enjoy equal privileges with special rates to none." If we do not get what we want, out they go.

And now that the ball games are

coming down to the finals excitement galore reigns. A large number witnessed the game on Tuesday evening between Evergreen and Minto. It resulted in a tie. The reason, we believe, was to get another game. Big gate receipts. Our lads seem to have caught the hockey fellows' idea.

Messrs Sandy McCurdy and Louis Rodgers and Jack West gave us several selections on their stringed instruments at the last game, which made it more interesting. But wait. The big event of the season is to come. Ivanhoe and West Huntingdon play on Thursday evening.

Many of our people attended the funeral of Mrs. Julia Hawkins of Stirling, on Tuesday. Mrs. Hawkins was a highly respected citizen of our community for a great number of years, and the sorrowing family have the sympathy of our people.

UNCONSCIOUS HUMOR IN  
PENSIONS OFFICE LETTERS

On various occasions our exchange has published samples of unconscious humor, "breakers" or whatever you like to call them, as claimed to be made by school pupils, newspapers and others that are supposed to be especially subject to mistakes. School boys are blamed for a lot more of these mistakes than they ever make. The same goes for newspapers. Popular as the former styles of "breakers" have been, there should be equal interest in the following made by grown-ups not going to school or working on newspapers.

- Here are some extracts supposed to be from letters received in a pensions office.
1. I have received no pay since my husband went nowhere.
  2. We have received your truly, I am his grandmother and his grandfather, he was born and brought up in answer to me rather than to chase the elusive lacrosse ball down the field with a club wielded by a husky opponent banging with disconcerting regularity on my sacred anatomy, which, by the way, still bears scars of the game in which I indulged in my youthful and unregenerate days.
  3. You have changed my little boy into a girl; will it make any difference.
  4. My Bill has been put in charge of a spittoon, will I get more pay.
  5. I am to say that my husband who was reported missing is now killed.
  6. Will you please send my wrist-woch, he fell, killed in action.
  7. I shall bring you round my son so that you can see he is a real one, though I am not his mother.
  8. Any further inflammation you can give about my son will be appreciated.
  9. I am writing on the back of the later Peter (letterpaper).
  10. I am the Holy dependent of the late soldier.
  11. I want the congratulation money on the death of my husband.
  12. And while in the ocean my husband found a submarine, after which he has never been the same since.
  13. Sir I have received your letter with regrets for which I thank you.
  14. Sir, I am forwarding my marriage certificate, and my two children, one of which is a mistake, as you will see.
  15. I am writing to tell you my son was born two years old, when shall I get the money.
  16. I have been wounded, I won't tell you where in case this falls into wrong hands.
  17. You ask me if my son was born in Wedlock, no, he was born in Kentish town.
  18. If I don't get my husband's money soon, I shall have to go and live an immortal life.

FEW MORE ANCIENT PASTIMES  
THAN BOWLING ON THE GREEN

(Toronto Star)

Some people have funny ideas about lawn bowling. To sit on a bench or lean over a fence and watch a bunch of enthusiasts rolling round bowls along the grass, following them frequently with peculiar attitudes and contortions, and emitting the odd shriek, might make the untutored onlooker think that there was nothing in the game but to roll the bowl and ape the comedian.

To those who follow the game, and in order to excel make a study of it, there is in lawn bowling that makes it one of the most scientific in existence.

True, it is not strenuous nor man-killing, but after many years of experience on the lacrosse field, I frankly confess that to enjoy a leisurely but well-contested game of bowls appeals to me rather than to chase the elusive lacrosse ball down the field with a club wielded by a husky opponent banging with disconcerting regularity on my sacred anatomy, which, by the way, still bears scars of the game in which I indulged in my youthful and unregenerate days.

**Ancient Pursuit**

It might be interesting and perhaps surprising for some of my readers to know that lawn bowling is one of the oldest games in existence, dating back to the twelfth century and it is a reasonable assumption that if it did not contain a large content of merit, it would have passed out of the picture centuries ago.

I have before me a pamphlet published by the Ontario Provincial Association and compiled by a lover of the game who modestly conceals his identity under the initials G. E. A. Perhaps he wishes to convey the idea that the game is gripping, enjoyable, and all to the merry.

Be that as it may, the history of lawn bowling, as outlined in this remarkable pamphlet, is well worth repeating to all ill and sundry and of careful preservation.

G. E. A. entitles his pamphlet "Seven Steps in the Game of Lawn Bowling" and in parenthesis gives a lover of the game "next to archery it is the oldest British outdoor pastime."

In the pamphlet, the diagram shows the seven steps, working up from the bottom to the top, but for convenience sake we will reverse the steps and progress from the top downward.

**Originated—12th Century**

Rolling round stones at a mark in the twelfth or perhaps as early as the eleventh century.

In William Fitzstephen's biography of Thomas A. Beckett, who was assassinated in 1170, he gives a graphic description of a game in which round stones were rolled at a mark.

**Developed—14th Century**

Bias bowls, introduced following the substitution of wooden bowls for stone, the game thus taking its present form.

In Shakespeare's Richard II., act three, the queen replies to a lady's suggestion of a game of bowls: "It will make me think the world is full of rubs and that my fortune runs against the bias."

**Restricted—14th - 16th Century**

Game prohibited by kings and parliaments in reigns of Edward III., Richard II. and other monarchs up to Henry VIII., for fear it might jeopardize the practice of archery at the time so important in battle.

**Advanced—16th Century**

Game enthusiastically played and indulged in by royalty, and looked upon as a legitimate Sunday amusement.

James I. recommended the game to his son, Prince Henry; Charles I. was an enthusiastic bowler; Good Queen Bess delighted in the game; John Knox found Calvin playing the game at Geneva one Sunday.

**Retarded—19th Century**

Period of confusion due to use of bowls of various biases until a standard "three bias" bowl was established in 1892.

When the Scottish Bowling Association was organized in 1892 it was decided that it was time, in the interests of the game, to have a definite standard bowl. It was agreed that the bowls of a well-known tournament bowler named Brown (the father of Willie Brown, the famous Westmont, Montreal, bowler) were fair. They were not too narrow and they had a reasonable bow (draw). His bowls were accepted as the standard and were called "three bias."

**Finesse—1920th Centuries**

Period of continued use of bowls of various biases, and inclination to smash up ends by a few indifferent bowlers. (From the time the standard present time).

**Established—20th Century**

The Provincial Lawn Bowling Association of Ontario, organized in 1931, and district championship games and lawn bowling carnival, inaugurated under the group system.

This was preceded in 1930 by the prohibition of bowls of less than the bias of the standard bowl and by the extension of the size of greens and the adoption of the moveable mat, thus discouraging the practice of smashing up ends, with which the use of narrow bowls takes a lot of pleasure out of the game and without which the game would be all pleasure.

Bowl testing tables are to be established in 1932.

Here the pamphlet ended, although G. E. A. might have referred to the increasing use of the "composition" bowl, which is rapidly replacing the old and well known "wooden bowl" and which marks another dividing line in this interesting history of lawn bowling.

**Delights of Sport**

Quite evidently G. E. A. is a devotee of the game, and a firm believer in the efficacy of what bowlers call the "draw" game, and whilst many bowlers may not agree entirely with his diatribe against running shots, all will agree that the "draw" is the real basis and foundation of the game.

There is nothing finer in all sport than to find oneself on a keen, perfectly drawing green, and to see the bowls drawing leisurely in the "jack" one just nosing the other out, and to see, as all bowlers have seen, a cluster of bowls so closely bunched around the kitty that it is almost impossible to discern the winner.

Nevertheless, and here I think I have the support of most bowlers, much of the interest and sport of the game would disappear with the exclusion of the overdraw and running shot.

**Special News For Farmers**

The Canadian wheat carry-over July 31, 1932, will be in the neighborhood of 103 million bushels, according to an estimate published by the Bureau of Statistics. This is the smallest carry-over since July 31, 1928.

**Will Grow Lima Beans**

A fairly large acreage of Lima beans will be grown in East Elgin for canning factor use, according to reports received at the St. Thomas office of the Department. Production tests have been made in both East and West Elgin during the last three years, and satisfactory yields of Lima beans reported. The average yield is 1,300 to 1,500 pounds to the acre. The acreage of soy beans in the county will be small.

**Plan Your Program**

Now is the time to plan next winter's feeding program, not next winter. At this time, farmers can estimate whether they will be short of hay and succulent roughage before next spring comes around. There is still time to sow annual hay crops, such as soy beans, or a mixture of oats and peas. Both of these crops give high yields, and high feeding value. An extra acre of corn for silage might be valuable.

**Better Farm Practices**

In spite of the depression and the shortage of ready cash farmers everywhere in Ontario are using this year more careful and thorough farm practices than ever before.

Seed merchants report that they have never had such a demand for high class seeds. All available supplies of alfalfa, alsike, red clover, wheat, barley, oats, buckwheat and peas have been purchased and sown on Ontario farms. Strange to say there has been an unprecedented demand for registered grain. Hardware merchants report a wonderful sale of screening material for fanning mills. Druggists report greatly increased sales of Formalin for treating grain for smut. Seed cleaning plant operators report heavy increases in business.

These facts all indicate that the average farmer is not only taking advantage of low prices but is doing his part toward meeting depressed prices. He is doing everything possible to increase his yield per acre and thus lower the production costs which enable him in some degree to successfully meet the present low prices.

**Many Poor Hatches**

Reports received at the Experimental Farm, Ottawa, indicate that chicks are not hatching as plentifully as usual this spring. Hatches as low as 10 per cent. of the total eggs are reported, while 20 per cent. and 25 per cent. hatches are the uncommon. This condition seems to be fairly general throughout the whole of Canada.

These poor hatches, along with the late season, may have a decided effect upon egg production next winter. Buyers should be advised to buy late chicks with caution because experiments have shown that chicks that cannot mature before winter are a poor investment.

**The Apple Maggot**

According to a recent statement by Chas. W. Bauer, secretary Ontario (Growers) Markets Council, Hamilton, about half the apple orchards in Ontario are infected with the apple maggot. The infestation in the main is slight, but there are some heavily-infested orchards in some counties. Mr. Andrew Fulton, overseas fruit representative, has advised that Britain will place an embargo on all early supplies of apples if maggot is found in one shipment. This danger necessitates growers taking every practical measure to eliminate the insect from all commercial orchards at least. They are urged to spray thoroughly for control of these pests.

**New Advisory Board**

Hon. Thomas L. Kennedy, Minister of Agriculture, has announced the appointment of a five-man Advisory Board under the chairmanship of D. O. Hull, of Brantford to assist the Department in matters pertaining to the livestock industry of the province. The other four members are: W. A. Dryden, Brooklin; J. E. Brethour, Burford; Walter Scott, Sutton West; and J. D. Brien, of Ridgeway. All members of the new Board are widely known for their interest in the livestock industry of the province. Mr. Hull and Mr. Dryden are past presidents of the Royal Winter Fair. Mr. Hull is famous for his Jersey herd. Mr. Brethour has specialized in the breeding of bacon hogs. Mr. Scott is a prominent livestock breeder and Mr. Brien is chairman of the Livestock Records Branch, Ottawa.

**Ontario Plums for Britain**

The ten per cent. tariff which went into effect March 1st, 1932, on foreign plums entering the United Kingdom, in the opinion of Andrew Fulton, fruit growers' representative in Britain, offers a splendid opportunity to the Ontario plum industry to develop this potential export outlet. In 1930 the United Kingdom imported 44 million pounds of plums, which is more than twice the annual production of Canada. At present the greater proportion of these plums comes from European countries. In Mr. Fulton's opinion there is no reason why Ontario should not capture a large portion of this trade. On the basis of prices received in recent years, the Ontario grower would receive prices ranging from 35 cents to 80 cents per 11-quart basket at shipping point. The Ontario varieties that have given the best satisfaction have been Grand Duke, Greengage and Reine Claude. In anticipation of meeting this demand, growers should thin their plums this summer, if the crop is heavy, Mr. Fulton advises. In his opinion, plums can be packed and shipped successfully only through central packing plants and plums for export must be picked, packed and pre-cooled in the one day.

**Battling the Weeds**

Through a series of Annual Meetings, one in each County, more than 1000 Weed Inspectors in Ontario were brought together along with Reeves and Road Superintendents. The Weed Act was explained and suggestions and instructions were given by A. R. G. Smith, District Weed Inspector for Western Ontario and John D. McLeod, District Inspector for Eastern Ontario.

Weed inspectors reported Sow Thistle to be the most cultivated land with Twitch Grass close second. Both these weeds are now found in every county. Some counties reported Sow Thistle to be spreading while others maintained it is decreasing. One township reported a marked increase in the co-operation and support of the rate-payers in the Municipality. With the exception of a few individuals, farmers generally are anxious to have the Weed Act judiciously and vigorously enforced. Road Superintendents voiced the opinion that Wild Carrot and Chicory were the two worst weeds on roadsides. Both these weeds grow rapidly after cutting and many road authorities felt they would have to resort to chemicals to destroy roadside weeds.

Due to the anxiety of the average farmer to secure the highest possible yield per acre this year, Mr. J. A. Carroll, chief of Weed Administration in Ontario, predicts marked progress in weed control during the growing season of 1932.

**LITERATURE FROM NOVA SCOTIA**

The Government of Nova Scotia is to be congratulated upon the quality of the literature it has issued this year with the hope of largely increasing the number of tourists entering that Province.

Three most attractive booklets, one containing dozens of most striking photographs of Nova Scotia's scenic beauties, a second a most interesting summary of the history of the Province, and the third, a list of hotels and boarding houses with the rates charged and the accommodation offered, are being given a wide circulation, and there seems no doubt that they will have a strong appeal, not only among the United States people, who are contemplating a visit to Canada, but to many Canadians who have never visited Nova Scotia. Copies of the booklets have been received by the News-Argus.

Certainly a study of this most cleverly prepared literature is likely to inspire a longing in all who read it to see for themselves some of the beauties pictured there and to enjoy the sea breezes, the ocean bathing and the many other attractions Nova Scotia has to offer its summer visitors. If these booklets lead to a decision on the part of Canadians to go east for their vacation, it will be a good thing for the country generally; as a people we know all too little of our own land, and there would be a broader outlook on national problems and issues if more Canadians were as familiar with the rest of the Dominion as they are with their own neighborhood.

## General News of Interest

The rate for the United Counties of Northumberland and Durham for 1932 is 10.5 mills.

Highway No. 7 between Marmora and Peterboro is receiving a coating of oil.

Trenton—Mr. W. G. Spencer, of Ridgeville, has been engaged as principal of Trenton High School, succeeding Mr. Frank Smith, who resigned.

Brantford—With strawberries selling at four cents or less wholesale and five cents retail, many strawberry growers are plowing their fields under. Pickers are getting but half a cent a box compared with two cents last year.

Madoc—A very pretty wedding took place on June 22nd, at the home of Mr. and Mrs. Frank Reynolds, Reeve of Madoc, when their only daughter, Ketha Frances, became the bride of Arthur W. Parks, eldest son of Mrs. Frank Parks of Cooper. The Rev. Mr. Trumpp officiated.

Norwood Register—Mr. and Mrs. Charles Morton and son, Burton, Mr. and Mrs. Russell Johnson and daughter, Caroline; Misses Mina and Lucille Dracup, Mr. Omar Dracup; Miss Garce Dayman, of Harold, Mr. and

Mrs. W. G. Scott and Miss Helen; Miss Dorothy Waters and Mr. Harold Vanvolkenburg were Sunday guests at the home of Mr. and Mrs. George Humphries.

Belleville—R. Percival Langford, 60, Toronto, met his death as a result of accidental burning in a fire which destroyed a cottage belonging to David Moore at Eagle Lake, Wollastonia Township, on June 15, according to Coroner Dr. Lamb's jury which investigated the death. The theory that smudges used for cleaning the cottage of black flies may have started the fire have been advanced.

Toronto—Construction of a highway way to connect with the Peace Bridge at Fort Erie which will cost \$500,000 and provide work for approximately 1,000 men, will be started early in July, it was announced on Friday by Hon. Leopold Macauley, Minister of Highways. The road will extend from Fonthill to Fort Erie and will parallel No. 8 highway to Niagara Falls. It will join No. 3a Highway already connecting Hamilton and Fonthill.

Charles Diprose, whose case has been in the county police court for the past five months, appeared before Magistrate Casement at Belleville on Friday charged with making illicit liquor. Although Diprose pleaded not guilty as charged, His Worship convicted the accused on the evidence submitted by Provincial Officer Hill of Madoc. After finding the accused guilty, His Worship imposed a fine of \$200 and costs with an additional one month in jail as provided by the statute on charges of such a nature. In default of payment of the fine, however, Diprose will be called upon to serve a further sentence of six months.

Mrs. Edmund Kennedy of Holloway, was injured while crossing Front Street, Belleville, near McAnnam's St. on Saturday afternoon about one o'clock, when knocked down by an automobile owned and driven by John Richard Hyde, of 12 Grove Park, Montreal, who was driving south on Front Street. Mrs. Kennedy was crossing from the east to the west side and traffic was congested and had passed one line of traffic, but was struck by the left front fender of the southbound Hyde car. Though knocked down, she was not run over. It was found that her nose was broken, a finger on her right hand broken at the joint and a wound on the right side of the forehead was sustained. Her injuries otherwise are not serious.

### PROTEST MADE IN CHANGE OF HIGHWAY AT HOLLOWAY

Ratepayers and householders of Holloway and vicinity have with practically one voice agreed to protest against the proposed changing of the highway route at Holloway for the reasons of expense and engineering difficulties, and have declared their opinion that the proposed change can be rendered unnecessary by a slight widening at the first corner. Further they contend that the new route will cut the entire village entirely from the road on which it was built and on which it has always been located. Business and sentimental reasons prompt this action.

The petition, which only one person is reported to have refused to sign, and which has been signed by very many of the residents of the district is as follows:

We, the undersigned ratepayers and householders of the village of Holloway and vicinity wish to place ourselves on record as protesting against any change being made from the old, established and travelled road passing through the village of Holloway on the Foxboro-Madoc County Road, which is about to be permanently surfaced for the following reasons:

1.—The contemplated change would entail a very great expense to the County, which we feel is not warranted at the present time.

2.—We believe a slight widening at the first corner would make the road safer than the steep embank-

ments that would have to be built on the newly surveyed road.

3.—The present road through the Village would still have to be used by mail-carriers, buses and general trade traffic, catering to the Village business and railroad, making an added expense in the keeping up of two County roads.

4.—The cutting off of the Village would mean a considerable loss of the business of the Village.

5.—A portion of the land through which the newly surveyed road would pass is very springy and we believe very unsatisfactory for permanent surfacing.

There follows a list of several hundred names of petitioners.

### ROBT. TOTTEN DIES IN WEST

Word was received from Swift Current last Thursday of the passing that morning of Mr. Robert Totten, formerly of Rawdon Township, a native of Wellmans, and one of the pioneers. Of late years he and Mrs. Totten resided with his son, Blake, who predeceased him about four years ago, when they moved to Belleville with their daughter-in-law, Mrs. Blake Totten, then Mr. and Mrs. Totten went to Swift Current to live with their daughter (Nellie) (Mrs. Dr.) Irvine, Swift Current, about two years ago. No particulars of the cause of his death are at hand as yet.

Three children, Lorne, Lella (Mrs. Bert Potts), and Blake Totten predeceased him. There survive his sorrowing wife, nee Miss Sharp, of Rawdon, and Dr. Charles Totten, of Assiniboia and Nellie (Mrs. Irvine) at whose home he died. There also survive thirteen grandchildren and one great grandchild, one sister, Mrs. W. Vandervoort, of Washington, D.C. and one half-brother, Mr. I. Totten, of Kansas. Mr. Totten was a very successful farmer and a man keenly interested in politics, a Liberal and devoted to his church formerly Methodist, latterly United. A kind and indulgent husband and father, a good neighbour, he will long be remembered around Wellmans and vicinity. Sympathy is extended to the bereaved ones.

### SPEEDSTERS CAUSED 881 AUTO ACCIDENTS IN 1931

In Ontario, alone, last year, there were more than two motor vehicle accidents per day for every day in the year because men and women drove too fast for traffic or road conditions. There is no guess work about this figure. It is quoted from official records. Mr. J. P. Bickell, official Registrar of Motor Vehicles, Ontario Department of Highways, speaking about speed on the streets and highways says:

"It is most difficult to say what a safe speed is. The law restricts speed on the highways to 35 miles per hour. Too many motorists accept this limit as being permissible under all conditions. Every thoughtful and observing person knows that there are times when even five or ten miles an hour is dangerous. Safety on the highways is a matter of sane driving judgment and constant vigilance."

### BANK OF COMMERCE TO CLOSE NORWOOD BRANCH

The Canadian Bank of Commerce announces the closing of their Norwood branch, effective June 30, 1932.

Norwood has had two banks for many years. The Union Bank of Canada took over the private bank of J. E. Fitzgibbons in the 90's; and was taken over in 1925 by the Royal Bank of Canada. Some years prior to this merger the Bank of Toronto opened in Norwood, but only operated a few years. Later the Sterling Bank of Canada established a branch which was absorbed in the merger of the Sterling Bank with the Canadian Bank of Commerce. A. G. McDermott, their local manager, has not yet been advised of his new appointment.

### CAMPBELLFORD

An epidemic of measles has struck the town of Campbellford, there being to date 48 houses isolated for this disease. Fortunately, however, all cases are of a mild type.

Mrs. C. W. Turner has as her recent guests the Rev. and Mrs. Harry L. Turner and family of Saskatoon, Sask. They were en route for Orchard Beach, Maine, to attend a convention.

A very pretty wedding took place at the Seymour parsonage here on Wednesday, June 22, at ten o'clock when Gladys Mabel, oldest daughter of William Petherick, of Zion, was married to Ernest Douglas Barnum, son of Mr. and Mrs. Hiram Barnum, the Rev. F. G. MacTavish officiating. The bride and groom left for a motor trip to Toronto, Hamilton and Niagara, the bride travelling in a peach casket crepe dress, with white hat, shoes and purse. On their return they will reside at the groom's home in Rylestone.

H. Ruddick, of Belleville, has taken up his duties as teller in the local branch of the Canadian Bank of Commerce.

Crashing into each other in a head on collision, two cars driven by W. J. Saltern and Wm. Forestell, both of Campbellford, suffered damaged radiators on Friday when they met in collision on the corner of Rear and Bridge streets. Saltern was coming down the church hill, while Forestell was proceeding north on Rear street in readiness to make the turn, but an intervening milk wagon obscured the vision of the drivers, who turned out and met each other. Both drivers escaped without injury.

Mr. and Mrs. Allan G. Watson of Peterborough have taken the Allan house on Booth street, and will locate there as soon as Mrs. Watson is able to leave the city.

Mr. and Mrs. W. J. Storie will locate in the Russell estate on Oliver Street.

Mr. and Mrs. Manson McConnell, of Mount Pleasant were recent visitors to town.

Reeve C. H. Davidson has been recommended by the United Counties' Council as a member of the Mothers' Allowance Board, succeeding the late Reeve J. N. Stone.

Mrs. Hooper has as her guest Mrs. Eagleson Sr., of Burnbrae.

Succeeding the late J. A. Loucks, J. A. Armour has been appointed a member of the local Board of Education by the United Counties' Council. Cost of transportation of county students attending Campbellford High School in the School Board's regulation to the Counties Council for the statutory maintenance grant was disallowed by the Schools Committee of the Counties Council last week. Of the transportation item of \$1,752.94 the counties were asked to pay \$722.14.

A car driven by Thomas Weatherill of Menie was crashed into last Thursday night on the 5th concession of Seymour by a car driven by Robert Little. Weatherill's car turned completely over several times and was badly damaged. Little was coming out of his laneway, the entrance to which is hidden by bushes, and struck the Weatherill car just as it passed the entrance to his farm. Along with Mr. Weatherill was his daughter Fernie and their hired man. All were thrown out but only suffered a few scratches and general shaking up. In the Little car were Mr. and Mrs. Little and daughter.

Half a century of faithful and devoted service in the same factory was fittingly rewarded on Thursday evening when W. H. Ashton, for over fifty years master mechanic in the Campbellford Cloth Company's plant at Campbellford, was banqueted in the St. Lawrence Hotel and presented with a beautiful silver tray, suitably inscribed.

Mr. and Mrs. Ray Phillips will move this week to the house on Front Street, formerly occupied by Mr. and Mrs. J. Storie. Mr. and Mrs. L. W. McKenzie, of Omemee, will locate in the Phillips' house. Mr. McKenzie is the new manager of the Habeco Store.

Messrs. Harry and Theodore Locke of North Bay and Miss Olive Locke of the United States attended the funeral of their mother, the late Mrs. W. H. Locke, held on Saturday afternoon.

The overturning of their automobile in a ditch near Brechin Sunday

night caused various and severe injuries to a local party of five persons returning from Gravenhurst. Mrs. H. T. Cowell suffered a fracture of her left shoulder; John I. Adams had his right foot painfully bruised, and Mrs. Adams received cuts on both legs. Mr. and Mrs. P. J. Sargison escaped without injury, but have not entirely recovered from the shock of the accident which has also aggravated the injuries of their companions. The party had left Campbellford early Sunday morning to visit friends at Gravenhurst, and were returning by way of Orillia and Lindsay on Sunday evening. Near Brechin the car left the road and turned over in the ditch, due, it is believed, to some mechanical defect in the automobile. They did not reach home until noon on Monday. Mrs. Cowell is the most seriously hurt, and Mr. and Mrs. Adams will likely be confined to their home for some days.

### THOMASBURG

An unusually daring midnight theft was reported by James Spence, last week. Mr. Spence relates that on "hitting the hay" the other night he hung his pants, with \$20 in one pocket, over the end of the bed. In the morning, not only the \$20, but the pants as well were gone, and the burglar on his way out had apparently lifted also \$5.00 from the pocket of a coat hanging in the hallway. The only warning which the household had that anything was amiss during the night was the barking of their dog. Mr. Spence's son, Norman, got up and investigated, but returned to his bed thinking all was well. The pants, minus the \$20.00, were eventually found up the road in the corner of the fence.

(Intended for last week) Mr. and Mrs. William Vance and family spent Sunday with the latter's parents, Mr. and Mrs. Wm. Holbert.

Messrs. Fred Rivers and James Pounder, who are employed on Highway No. 7, at spent the week-end with their parents.

Mr. and Mrs. Robert Innes and son of Campbellford and Mr. and Mrs. Davidson, of Toronto, spent the tea hour on Sunday with Mr. and Mrs. Ray Oliver and family and Miss Esther Innes, who is staying here.

Mr. and Mrs. Grantley Burleigh and baby Billy spent the tea hour on Sunday with the latter's parents, Mr. and Mrs. Walter Harrison.

Mr. and Mrs. Ephram Mourslette, of Picton spent Sunday with Mr. and Mrs. Melbourne Adams.

Mrs. John Kennedy of Rednersville, spent the dinner hour with Mr. and Mrs. Melbourne Adams.

Mr. Thomas Emerson and Mr. Wilber Keller spent Monday in Foxboro.

### ROSLIN

(Intended for Last Week) Miss Susie Montgomery spent Saturday evening with Mrs. Nelson Sils and Mrs. C. Sils.

Mr. and Mrs. W. Black were re-

cent guests of Mr. and Mrs. Harvey Chisholm.

The Thomasburg Girls' Softball team defeated the Roslin Girls on Saturday evening, the score being 20-18. Mr. and Mrs. Charles Miller and family, of Corbyville, visited Mr. and Mrs. David Miller recently.

Mrs. Alice Clapsaddle spent Saturday afternoon with Mrs. Harry Easton and Miss Della McCormick. Rev. A. B. and Mrs. Payne and family visited Rev. E. N. and Mrs. Grant recently.

Dr. and Mrs. Guthridge, of Belleville, were guests of Dr. H. E. and Mrs. Welsh on Wednesday evening.

Mr. and Mrs. H. Chisholm spent the week-end recently in Belleville. Mr. and Mrs. Clayton LaFontaine and baby Melba, of Tweed, visited the latter's parents, Mr. and Mrs. Edward Davidson on Sunday.

Mrs. Thomas Downey and her father, Mr. William Kerr, of Thomasburg, visited at the home of Mr. Geo. Emerson on Sunday.

Mr. and Mrs. William Carter, of Bethel, spent Sunday evening with Mr. and Mrs. Flen Ish.

The social under the auspices of the United Church here was quite successful. A ball game between Thomasburg and Chapman kept the people interested, the former winning by a score of 10-2. A good program was provided and a splendid lunch was served. Proceeds amounted to \$35.

ABOUT two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips' Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for correcting excess acids. 50c a bottle—any drug store.

The ideal (deplurist) for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior toothpaste that safeguards against acid-mouth. (Made in Canada.)

### CHILD need REGULATING?

CASTORIA WILL DO IT!

When your child needs regulating, remember this: the organs of babies and children are delicate. Little bowels must be gently urged—never forced. That's why Castoria is used by so many doctors and mothers. It is especially made for children's ailments; contains no harsh, harmful drugs, no narcotics. You can safely give it to young infants for colic pains. Yet it is an equally effective regulator for older children. The next time your child has a little cold or fever, or a digestive upset, give him the help of Castoria, the children's own remedy. Genuine Castoria always has the name:

Mr. D. Delaney, Mr. and Mrs. Hugh Powell and little son, of Stockdale, were the guests of Mr. and Mrs. Sid Gibson on Sunday last.

Mrs. Emma Hollingforth, of San Diego, Calif., spent a few days with Councillor and Mrs. John Bateman, Rawdon, and other relatives.

Dr. and Mrs. C. F. Walton and Miss Margaret motored to Toronto yesterday to attend the Walt-Gillespie wedding, which takes place in that city today.

Miss Evelyn Cox and her aunt, Mrs. Anderson, and grandmother, Mrs. Scoon, Detroit, are visiting Mr. and Mrs. Walter Barker for a few weeks.

Mr. and Mrs. W. H. Moise and family will leave on Sunday to spend three weeks' vacation at Wasaga Beach. During the former's absence Mr. W. Duff will assume the Manager's duties in the Bank of Montreal.

Mrs. E. W. Rowland leaves on Saturday to attend the School of Missions Conference in Whitby Ladies' College, which is being held from July 2nd to 10th. Mrs. Rowland represents the Bay of Quinte Conference Executive.

Mr. Thomas Heard, one of the village's well known and genial old citizens, is now sporting a new Ford eight. Although well past the three score and ten, no doubt he will have to keep himself in check from "stepping on it," when behind the wheel.

Dr. and Mrs. W. H. Hendry and Janet, of Toronto, Mr. and Mrs. A. Fulton and Andy spent the weekend with Mr. and Mrs. Chas. Dracup, S'ne, and Mr. and Mrs. Chas. Morton, Wellmans. Mr. Fulton is the Commercial Representative of the Ontario Fruit Growers' Association with office in London, England.

Mr. and Mrs. Gordon McCartney and family, of Hamilton, spent the weekend the guests of Mr. and Mrs. Jas. Thornton, and were present at their daughter's (Lois) fifth birthday party, which was held on Saturday. Other guests were Rev. F. G. Joblin, and Mr. and Mrs. L. Pauley, of Wellmans. Little Lois returned home with her parents on Monday after spending six months in Stirling.

Ottawa Street, Havelock, and Belmont Street, Norwood, connecting links in No. 7 Highway, have been taken over by the Department of Highways, which will mean a financial saving to both villages in maintenance cost.

#### THE LATE MRS. HAWKINS

After an illness of some duration, Julia Ann Fargy, widow of the late James Hawkins, West Huntingdon, eldest daughter of the late Peter Fargy and Nancy Huffman, passed away at her home in Stirling at four o'clock Sunday morning, in her 67th year.

Mrs. Hawkins was the mother of eight children, three of whom have predeceased her. Those remaining are: Mrs. Lottie Vandervater, who lived with her mother, and who gave her the greatest care that loving hands could administer during her illness; Mrs. J. W. Burk, Edmonton; Mrs. Donald Gould, of Toronto; Miss Sara Hawkins, of Toronto, and a son John, of Toronto. Miss Grace Vandervater of Montreal, and Mr. James Vandervater of Toronto are grandchildren. Three brothers, Fred Fargy, of Pembroke, New York; Peter, of Watrous, Saskatchewan, and Samuel, of West Huntingdon, also survive.

Three sisters, Mrs. Gordon Wilson and Mrs. Arthur Wharry, both of Montreal, and Mrs. Robert Belshaw, of Madoc; also are numbered among the immediate relatives. The late Mrs. Hawkins was married to James Hawkins in the year 1884 in West Huntingdon, and until the death of her husband, who died some eight years ago, both lived on a farm there. Deceased was an ardent member of the Standard Church and was affiliated in numerous clubs and organizations connected with church activities. The funeral took place on Tuesday, and the remains were interred in Luke Cemetery.

The pall-bearers were Wm. Fitchett, Thos. Montgomery Sr., Jas. McGowan, Ed. Pitman, Ed. Baker, Jas. W. Hargerty.

ST. PAUL'S MISSION BAND

The monthly meeting of "Hands Across" Mission Band was held on Sunday afternoon at 2 o'clock in the church parlors. The meeting opened with "What a friend we have in Jesus." The aim—to develop through worship an attitude of kindness. Our treasurer, Harold West, reported that we would be able to meet our allocation by the first of September. News of Mission Stations was then given: China, Lloyd Rowland; Canada, Russell West; Temperance, George Duffin. Marie Luey gave a reading on Korea. One night in 1884 Dr. W. Allen, a doctor of the American legation at Seoul, the capital of Korea, was called to the palace a few months after his arrival, when one of the princes had been seriously wounded by an assassin. The doctor saved his life, and the King, in gratitude made the doctor a court physician. The call to worship "Worship the Lord in the beauty of holiness, enter into His courts with praise." Hymn "When He Cometh." Scripture lesson the Twenty-third Psalm, was read by Malcolm Reid. Prayer was given by Jack Moise and Mac Lummis. The offertory was read by the President, Mar-

ion Bailey "Inasmuch as we have received to make us happy, let us give to make others happy." A chorus was given by a number of the younger girls and boys "God sees the little Sparrow Fall", which was enjoyed by all. Olive Munro gave an interesting reading "Let's Budget". Mrs. E. Luey took charge of the Study Period, and told how Yun Tong, of Korea, or Chosen as Korea people know it, was made a member of the Ever Ready Class of Springfield, Canada.

Yun Tong was a friend of Dr. Alexander Gray, one of our missionaries, who discovered Tong for us, or for his nephew, Bob MacDonald, to be exact. Tonight Tong is to be made a member of the class and a letter was written to tell him so. The Lord has a strange way of working out His will, and His plan for the Ever Ready. How quickly the news of our Master would be carried around the world if only all the hands of the boys and girls that know Him were held out in friendship to those in lands where He is not known. We hope the members will not forget their missionary for prayer during the summer holidays, and our box for September. This interesting meeting was closed with good wishes for a pleasant holiday, and all repeated the Lord's Prayer. (Contributed).

MARRIED

HARVIE - RYAN — In Christ Church, Belleville, on Monday, June 27th, at 10 a.m., by Rev. Mr. Wright, Justina Burnadette Ryan, to Mr. Bert Harvie of Gilmour, Ontario. The bride and groom left on a three day motor trip to Western Ontario points after which they will reside at Turiff, where the groom conducts a general store.

BEALE - SMITH — At the Rectory, Stirling, on Saturday, June 25th, by Rev. B. F. Byers, M.A., Elda Helena May, daughter of Mr. Hiram Smith and the late Mrs. Smith, Frankford, to Vernon Edward Beale, of Trenton.

HAROLD

Mr. and Mrs. C. U. Heath left on Tuesday for Edmonton where they will spend a month or so visiting their son, Mr. W. G. Heath, and family.

Mr. and Mrs. Carnwright are the guests of the latter's sister, Mrs. Wm. McMullen.

Mr. W. K. Bailey, B.A., of Toronto, is spending the holidays at his home here.

Miss Ruby Cotton spent the weekend under the parental roof.

Miss Elsie LaPrad, of Tacoma, is on an extended visit with her mother, Mrs. Lucinda Heath.

Dr. Lorne Wellman and two sons, of Waterloo, spent the weekend with his parents. His father, Mr. Arnold Wellman, has been very ill and was taken to the hospital, Belleville, on Tuesday, for treatment. Dr. Iona Wellman, who has been spending the past week or so at home, contemplates entering the hospital at St. John, N.B., in the near future, should the condition of her father improve.

Mr. and Mrs. Allen Welty, (nee Numa Green), of New York are spending their honeymoon guests of the latter's cousins, Mr. and Mrs. Carman Sine.

Many from here attended the Orange service and decoration at Wellmans, on Sunday, and report a beautiful and most impressive service.

About 3.30 p.m. on Tuesday the citizens of our hamlet were aroused by the ringing of a bell. Upon investigation it was noted that the roof of Mr. Lewis Wilson's summer kitchen was on fire. A call was sent out by telephone and soon a goodly crowd had gathered and succeeded in extinguishing it. Later in the afternoon, due to a stiff breeze, it was fanned into life again and this time things took on a more serious turn when the fire could be seen coming out of the side of the building. Again the call went forth and willing hands worked hard in a successful effort to again subdue the fire.

R. V. MISS, STUDY GROUP

On Wednesday afternoon, June 15, the Study Group met at the home of Mrs. Alex Bush with an attendance of twenty. Mrs. Roy Bush presided over the devotional and business part and Mrs. N. Rosebush had charge of the program. After singing of "Rescue the perishing" the call to worship was responded to by everyone present. The roll call was answered by a verse from to Bible containing the word "Child or Children". Reports were given by the Associate Helpers, Literature and Temperance secretaries, Mrs. Alex Bush, Mrs. Robt. Bush and Mrs. W. Lindenfield, respectively, the latter giving a splendid reading. Mrs. John Sager gave the Scripture lesson, the Twenty-third Psalm, with a fine explanation. Hymn "My Faith Looks up to Thee" was sung and Rev. Rowland led in prayer. A verse for every day in the week was

#### WELLMANS

Mr. and Mrs. R. Johnson, Carlyn and Miss Dayman visited at the home of Mr. and Mrs. W. W. Dracup recently.

Mrs. G. D. Watson is spending a few days with her sister, Mrs. Herman Lloyd, at Holloway.

A very enjoyable time was spent by a large number of people last Friday evening, when Wellmans League entertained Mount Pleasant League at a combined first meeting of the season. The first item on the program was a ball game between representatives of both leagues, resulting in a win for the visitors. Then all gathered at the church, where Mount Pleasant supplied a real program consisting of vocal and instrumental music, readings and a dialogue, after which lunch was served and a social hour brought to a close a series of league meetings which have been rich in inspiration and enjoyed by all who attended them.

The stone crusher is on our street now, so we are looking forward to some road improvement.

Sault Ste. Marie—Driving his car through the heavy iron rails into the tail-race of the power canal here early on Monday, Dr. J. H. (Johnny) Evans, one-time gridiron star was drowned. The car, after smashing through the railing, hurtled fifty feet into the deep water of the canal. Evans' body was recovered some hours later. According to police, Evans had evidently closed the doors and windows of the automobile, started the car in high gear, and climbed into the back seat of the machine before it reached the edge of the canal. Deceased was born in Kingston in 1897, and graduated in 1924. He came to the Sault in 1925 as doctor at a local steel plant. His widow and two children survive.

FULLER

The rain was welcomed by all as crops were suffering so badly. Though it came too late to help the hay it will help the grain considerably. Some of the farmers were quite discouraged and feared we were going to have a Saskatchewan experience.

Mr. Clayton Rutter, B.A., of Port Credit, who is visiting his parents, Mr. and Mrs. Levi Rutter, has treated himself to a new Ford V-8. We congratulate him.

Rev. and Mrs. Truscott spent Thursday afternoon calling in our midst and spent the tea hour at Mr. Burke's.

Fuller can boast of three bread trucks now, making five days out of six for fresh bread.

Mrs. I. J. Brough is spending a few days with her son, Mr. Lorne Brough, of Holloway.
